**ALLEGATIONS OF IRREGULARITIES RECEIVED**

Details of written allegations of irregularities, and action taken by AEC: 1

An allegation was raised that some sort of fraud had taken place in the Orana sub-branch election. A list of names was provided of several people who may have not been entitled to vote or other people may have voted for them. No actual evidence was tendered. The names listed were certified by the organisation as current representative of members in accordance with the rules and therefore entitled to vote. From my investigation regarding the list, voting returns and public records I was unable to find any evidence that an irregularity had occurred.

Other irregularities identified, and action taken: N/A
