Mr Bruce Woods Secretary Australian Hotels Association New South Wales Branch Level 5, Prince Centre 8 Quay Street SYDNEY NSW 2000

Dear Mr Woods,

Re: Financial Documents - year ended 31 December 2004 (FR2004/648)

Schedule 1B - Workplace Relations Act 1996 (RAO Schedule)

I have received the financial report for the NSW Branch of the Australian Hotels Association for the year ended 31 December 2004. The documents were lodged in the Registry on 26 April 2005 under s268 of Schedule 1B of the Workplace Relations Act 1996.

I also received your statement relating to loans, grants and donations on the same day. This statement has been placed on a file that is not available to the general public in accordance with s237(4) of the RAO Schedule.

As you would be aware, this is the first lodgment by the branch of its audited financial report under Schedule 1B (Registration and Accountability of Organisations (RAO) Schedule) which commenced on 12 May 2003.

The documents have been filed.

Comments to assist future financial reports

The following comments may assist you when you next prepare financial reports. No further action is required regarding these issues with respect to the lodged documents.

Operating Report

The Operating Report is required to disclose additional matters regarding:

- the number of persons in the register of members,
- the number of employees measured on a full-time equivalent basis,
- the right of members to resign from the organisation under s147 of the RAO Schedule,
- whether any officer or member of the organisation is a trustee of a superannuation entity, and
- details of any significant changes in the reporting unit's financial affairs during the year.

For further detail regarding these requirements please refer to section 254 of the RAO Schedule and Regulation 159 of the RAO Regulations.

Disclosure of Expenditure

It is noted that a significant amount of mandatory expenditure information was only provided in a *Compilation Report* in which the auditor stated:

....we do not express an opinion on such financial data and in particular no warranty of accuracy or reliability is given.

This approach is contrary to the requirements of s253 of the RAO Schedule and the related Reporting Guidelines which expressly require the following items of expenditure to be included in the main body of the accounts:

- Affiliation fees or subscriptions to political parties or industrial bodies
- Grants or Donations
- Legal costs
- Capitation Fees/Membership subscriptions
- Levies
- Employee benefits to holders of office
- · Employee benefits to employees (other than holders of office)
- Conferences fees/allowance for attendance
- Conference Expenses

(see enclosed at Point 11)

Accordingly, in future financial years the branch must ensure that *all* expenditure information required by the Reporting Guidelines is included in the main body of the accounts. Similarly, in future financial years the auditors must state in their audit report prepared under s257 of the RAO Schedule whether the complete accounts (including all mandatory expenditure information) are presented fairly in accordance with the Australian Accounting Standards and the requirements of the RAO Schedule.

Auditor's Report

The Auditor's Report should be revised so that it:

- confirms whether, in the Auditor's opinion, the accounts are presented fairly in accordance with the <u>Australian Accounting Standards</u> and the requirements of the relevant sections of the RAO Schedule (see s257 RAO), and
- provides details of the Auditor's qualifications to confirm he or she is an 'approved auditor' under s256 of the RAO Schedule and Regulation 4 of the RAO Regulations.

Disclosure of Donations

The *Statement of Loans, Grants & Donations* provides a list of donations that total \$188,482 and further provides that:

Theamounts (for donations) appear under Donations & Executive Administration in the audited accounts.

Consequently the total for 'donations' that was provided in the accounts was only \$38,681 rather than \$188, 482.

This approach is not consistent with the requirements of the Reporting Guidelines as they expressly require the balance for 'grants or donations' to be provided in the accounts – see Item 11(f). To present donations under a different item of expenditure (such as 'Executive Administration') is contrary to the Reporting Guidelines.

Secretary's Certificate

The Secretary's Certificate must confirm that the full financial report has been provided to members and presented to a meeting in accordance with section 266 of the RAO Schedule – see s268 of the RAO Schedule.

Accounting Officer's Certificate

The Accounting Officer's Certificate was a document required under the former financial reporting legislation of the Workplace Relations Act. This certificate is not required under the RAO Schedule as it has, in effect, been replaced by the Operating Report.

I apologise for the delay in finalising these matters.

If you have any queries please contact me on (03) 8661 7799.

Yours faithfully,

Andrew Schultz Statutory Services Branch

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2004

1 STATEMENT OF ACCOUNTING POLICIES

The accounting policies adopted by the Association are in accordance with the accounting standards issued by the Australian Accounting Bodies, and generally accepted accounting principles. Where a choice exists between two or more acceptable accounting methods, the notes fully explain the method adopted.

(a) Historical Cost Convention

The Association's Financial Statements have been prepared under the historical cost convention. Fixed Assets, except Strata Units, are shown in the Statement of Financial Position at amounts equal to their cost or deemed cost when acquired, less, where appropriate, provision for depreciation, the amount of which is calculated on a prime cost basis. The Strata Units are recorded at independent valuations. The Financial Statements do not purport to disclose the current values of the Association's assets and do not reflect any changes in the purchasing power of money except for the Strata Units.

(b) Basis of Consolidation

The Consolidated Financial Statements include the Financial Statements of the New South Wales Hotels Association Inc, AHA Services Pty Limited and the Research and Development Foundation of the Australian Hotels Association.

(c) Members' Subscriptions

Members' subscriptions are levied annually for the calendar year and are payable in one instalment.

(d) Depreciation

Depreciation is calculated on a straight line basis so as to write off the net cost of each noncurrent asset during its expected useful life. Additions are depreciated on a pro-rata basis from the month of acquisition.

(e) Inventories

All inventories are valued at the lower of cost and net realisable value.

(f) Comparative figures

Comparative figures supplied reflect the accounting period for the twelve months ended 31 December 2003.

 - c) certain entities associated with and controlled by the State Organisation, as referred to in paragraph (b) above.
- (ii) The Financial Statements of the abovementioned entities are prepared on a consolidated basis, in accordance with accounting standard AASB1024, and in order to ensure that members of both the State Organisation and the Federal Branch are provided with a complete picture of the financial affairs of both bodies and their related entities for the reporting period.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF AUSTRALIAN HOTELS ASSOCIATION (NSW), ITS CONTROLLED ENTITIES AND AUSTRALIAN HOTELS ASSOCIATION, NEW SOUTH WALES BRANCH

Scope

We have audited the financial report of Australian Hotels Association (NSW), its controlled entities and Australian Hotels Association, New South Wales Branch for the financial year ended 31 December 2004, consisting of the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows, Notes to the Financial Statements, Certificates of the Accounting Officer, Statements of the Committee of Management and the Operating Report set out on pages 1 to 18. The Committee of Management is responsible for the preparation and true and fair presentation of the financial report in accordance with the Industrial Relations Act 1996 (NSW) and the Workplace Relations Act 1996 (Cth). This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Association, its controlled entities and the members of the Branch. Our audit has been conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal controls, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Industrial Relations Act 1996 (NSW) and the Workplace Relations Act 1996 (Cth) including compliance with Accounting Standards and other mandatory professional reporting requirements in Australia a view which is consistent with our understanding of the Association's, its controlled entities and the Branch's financial position and their performance as represented by the results of their operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by management.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF AUSTRALIAN HOTELS ASSOCIATION (NSW), ITS CONTROLLED ENTITIES AND AUSTRALIAN HOTELS ASSOCIATION, NEW SOUTH WALES BRANCH (CONT)
