- (i) A member of an organisation, or the Industrial Registrar, may apply to the organisation for specified information prescribed by the regulations in relation to the organisation; and

Cash and Cash Equivalents **(j)**

Cash and cash equivalents in the Statement of Financial Position comprise cash on hand and at bank together with short-term deposits with an original maturity of six months or less that are readily convertible to known cash amounts subject to insignificant risk of changes in value.

(k) Trade and Other Receivables

The collectability of debts is assessed at the reporting date and specific provision is made for any doubtful debts.

(I) Property, Plant and Equipment

Property, plant and equipment are stated at cost less accumulated depreciation and any impairment in value.

Depreciation is calculated on a combination of straight-line and diminishing value basis over the estimated useful life of the asset as follows:

Strata Titled Units – 40 years straight line Plant and Equipment – 5 to 15 years straight line Motor Vehicles – 4 to 5 years diminishing value

The Committee of Management considers it appropriate to state the value of the Strata Titled Units together with additions at cost as the original purchase of the Strata Titled Units occurred during the financial year ended 31 December 2009 with the additions occurring during the financial year ended 31 December 2010. Apart from depreciation calculated on the above basis, no further impairment in value is considered necessary. The Committee of Management will consider obtaining an independent value of the Strata Titled Units and additions as at 31 December 2011.

The estimated useful lives, residual values and depreciation methods are reviewed at each financial year, with the effect of any changes in estimate accounted for on a prospective basis.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010

2 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(m) Impairment of Assets

At each reporting date, the Association assesses whether there is any indication that an asset may be impaired. Where an indicator of impairment exists, the Association makes a formal estimate of recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount.

Recoverable amount is the greater of fair value less costs to sell and value in use. It is determined for an individual asset, unless the asset's value in use cannot be estimated to be close to its fair value less costs to sell and it does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case, the recoverable amount is determined for the cash-generating unit to which the asset belongs. Individually significant financial assets are tested for impairment separately. The remaining financial assets are assessed on a group basis based on credit risk.

An impairment loss on a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the original effective interest rate. An impairment loss on an available for sale financial asset is calculated by reference to its fair value.

Impairment losses are recognised in the Statement of Comprehensive Income.

(n) Trade and Other Payables

Trade and other payables are recognised when the Association becomes obliged to make future payments resulting from the purchase of goods and services.

(o) Interest Bearing Loans and Borrowings

All loans and borrowings are recognised at their principal amount including transaction costs attributable to their issue. Interest expense is accrued at the contract rate.

(p) Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic resources will result and that outflow can be reliably measured.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010

2 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(q) Employee Benefits

Provision is made for entitlements accruing to employees in relation to wages, salaries, annual leave, long service leave and other benefits where the Association has a present obligation to pay resulting from employees' services provided up to reporting date.

- Wages, Salaries and Annual Leave Liabilities for employee benefits for wages, salaries and annual leave expected to be settled within 12 months of year-end. The provision has been calculated at current wage and salary rates including related oncosts. Sick leave is expensed as incurred.
- Long Service Leave The liability for employee benefits for long service leave represents the present value of the estimated future cash outflows to be made resulting from employees' services provided up to reporting date. The portion of the long service leave liability not expected to be settled within 12 months is discounted using the rates applicable to national government securities at reporting date, which most closely match the terms of maturity of the related liability. The long service liability expected to be settled within 12 months of year-end is included as a current liability in the Statement of Financial Position. The long service leave not expected to be settled within 12 months of year end is included as a non current liability in the Statement of Financial Position.
- Superannuation Superannuation contributions by the Association on a defined basis to an employee superannuation fund are charged as expenses when incurred. The Association has no legal obligation to provide benefits to employees on retirement.

(r) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership are transferred to the Association are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual value. Leased assets are amortised over their estimated useful lives. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Hotel Employers Mutual Limited ("HEM") is owned equally by Australian Hotels Association (NSW) Holdings Pty Limited ("AHA Holdings") and Employers Mutual Limited ("EML").

A loan to AHA Holdings to acquire its shareholding in HEM was provided by EML on the basis that it has no recourse to the Australian Hotels Association (NSW) ("the Association") and limited recourse to AHA Holdings. The limited recourse to AHA Holdings is to AHA Holdings shares in HEM as detailed in Note 11. AHA Holdings is a wholly owned subsidiary of the Association.

On the 9th anniversary of completion, 28 March 2017, AHA Holdings must repay the balance of the loan then outstanding. AHA Holdings is required to make loan repayments to EML in the meantime equal to: i) Sponsorship fees paid by EML/HEM to the Association ii) Advertising fees paid to AHA Holdings and iii) HEM dividends paid to AHA Holdings.

There is no interest payable during the term of the loan, however, AHA Holdings must reimburse the economic cost to EML of providing the funds. The economic cost is calculated daily utilising the 180 day Bank Bill rate (subject to a maximum rate of 7.3%) applied to the outstanding loan balance during the term of the loan. Refer to Note 13.

As security for the loan, EML, under the Share Charge, holds a first fixed charge over AHA Holdings shares in HEM, as detailed in Note 11 and all rights in relation to them. The Association has no obligation to repay the EML loan or any part thereof or to provide security.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUSTRALIAN HOTELS ASSOCIATION (NSW), ITS CONTROLLED ENTITIES AND AUSTRALIAN HOTELS ASSOCIATION, NEW SOUTH WALES BRANCH

Report on the Financial Report

We have audited the financial report of Australian Hotels Association (NSW) ("the Association"), its controlled entities and Australian Hotels Association, New South Wales Branch ("the Branch") for the financial year ended 31 December 2010, consisting of the Statement of Comprehensive Income, Statement of Financial Position, Statement of Cash Flows, Statement of Changes in Equity, Notes to the Financial Statements, Certificates of the Accounting Officer, Statements of the Committee of Management and Operating Report set out on pages 1 to 24.

The Committee of Management is responsible for the preparation and true and fair presentation of the financial report in accordance with Australian Accounting Standards – Reduced Disclosure Requirements; the Industrial Relations Act 1996 (NSW) and the Fair Work (Registered Organisations) Act 2009 (Cth.). This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report to the members of the Association, its controlled entities and the members of the Branch based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee of Management, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements, the Industrial Relations Act 1996 (NSW) and the Fair Work (Registered Organisations) Act 2009 (Cth).
