

8 June 2011

Mr Paul Jubb Secretary Australian Hotels Association, Tasmanian Hospitality Association

email: aha@australianhotels.asn.au

Dear Mr Jubb

# Re: Financial Report for the Australian Hotels Association, Tasmanian Hospitality Association for year ended 30 June 2010 – FR2010/2714

I acknowledge receipt of the revised designated officer's certificate for the Australian Hotels Association, Tasmanian Hospitality Association (the Branch) for the year ended 30 June 2010. The certificate was lodged with Fair Work Australia on 2 June 2011.

The financial report has now been filed.

I make the following comments to assist you when you next prepare a financial report. You are not required to take any further action in respect of the report lodged.

#### Provisions for officers and other employees

Reporting guideline 14 (c) and (d) of the Reporting Guidelines of the General Manager require either the balance sheet or the notes to disclose any liability for employee benefits in respect of office holders separately from any such liabilities for other employees. Note 10 discloses these liabilities but does not distinguish between provisions for office holders and other employees. Provisions for office holders and other employees should be separately disclosed in future years.

#### Cash flow disclosures

Reporting guideline 15 states that 'where another reporting unit of the organisation is the source of cash inflow or the application of a cash outflow, such cash flow should be separately disclosed in the notes to the financial statements and show the name of the other reporting unit concerned'. This is in addition to the requirement to disclose capitation fees to the national office (reporting guideline 11(b)). In future years please ensure that cash flows to or from the national office, and if relevant any branches, are disclosed in the notes to the cash flow statement.

#### **Operating Report**

Right of members to resign

Subsection 254(2)(c) of the *Fair Work (Registered Organisations) Act 2009* (the Act) requires the operating report to 'give details' of the right of members to resign from the reporting unit under section 174 of the Act. This requirement may be met by the inclusion of a statement that a member has the right to resign and a reference to the relevant rule, which makes such provision. Alternatively, the complete text of the relevant resignation rule may be reproduced in the report. It would appear in this case that rule 32 of the organisation's Rules is applicable.

Facsimile: (03) 9655 0401

Email: melbourne@fwa.gov.au

#### Trustee of superannuation entity

Subsection 254(2)(d) of the Act requires details of any officer or member of the reporting unit who is a trustee, or a director of a company that is a trustee, of a superannuation entity or an exempt public sector superannuation scheme to be provided in the operating report 'where a criterion for the officer or member being the trustee or director is that the officer or member is an officer or member of a registered organisation'.

If no officers or members of the reporting unit is a trustee of a superannuation entity, the preferred wording to satisfy the s.254(2)(d) is:

'No officer or member of the reporting unit holds a position as a trustee or director of a superannuation entity or exempt public sector superannuation scheme where the criterion for holding such position is that they are an officer or member of an organisation.'

#### Timing of Financial Documents - Lodgement of documents with Fair Work Australia

Section 268 of the Act requires the Branch to lodge its financial documents with Fair Work Australia (FWA) within 14 days of the date of the General Meeting of Members at which they were presented (that is, 19 October 2010). The documents were not lodged with FWA until 7 March 2011. In future years please ensure that financial reports are lodged with FWA within 14 days of the General Meeting of Members.

If you wish to discuss any of the matters referred to above I can be contacted on (03) 8661 7764.

Yours sincerely

Kevin Donnellan

Mr Paul Jubb Secretary Australian Hotels Association, Tasmanian Hospitality Association

email: aha@australianhotels.asn.au

Dear Mr Jubb

# Re: Financial Report for the Australian Hotels Association, Tasmanian Hospitality Association for year ended 30 June 2010 – FR2010/2714

I acknowledge receipt of the financial report for the Australian Hotels Association, Tasmanian Hospitality Association (the Branch) for the year ended 30 June 2010. The report was lodged with Fair Work Australia on 7 March 2011.

The financial report has not been filed.

The following matters require your attention before any action can be taken to file the above report.

#### **Designated Officer's certificate**

The designated officer's certificate dated 15 February 2011 indicates that the full report was provided to members on Tuesday 7 September 2010 and was presented to a general meeting of members on 5 October 2010.

Financial reports should be prepared, audited, supplied to members, presented to a meeting and lodged in Fair Work Australia within certain timescale requirements. For your assistance I have attached a diagrammatic summary of the financial reporting process and time-limits contained in fact sheet 9 http://www.fwa.gov.au/documents/organisations/factsheets/RO factsheet 9.pdf.

As you will note from the enclosed diagram the reporting process begins with a meeting of the committee of management. At that meeting a resolution is passed authorising the making of a statement by the committee in which it makes certain declarations with respect to the reporting unit's compliance with various aspects of the Fair Work (Registered Organisations) Act 2009 and the General Manager's Guidelines. This Committee of Management Statement and the General Purpose Financial Report are then audited.

The General Purpose Financial Report, including the Committee of Management Statement and the Operating Report, and the Auditor's Report – known as the full report – are then provided to members. Depending on the rules of the reporting unit, a copy of the full report must be provided to members at least 21 days before they are presented to a general meeting, or, if the rules allow for the full report to be presented to the committee of management, then the documents must be provided within 5 months of the end of the financial year.

The full report, accompanied by a Designated Officer's Certificate, must be lodged with Fair Work Australia within 14 days of its presentation to an appropriate meeting.

From the information available, the full report which includes the Committee of Management Statement dated 23 November 2010, Operating Report dated 17 March 2011 and Auditor's Report dated 25 November 2010 was supplied to members on 7 September 2010.

Telephone: (03) 8661 7777 International: (613) 8661 7777

Facsimile: (03) 9655 0401

Email: melbourne@fwa.gov.au

If the dates on the documents are correct, it would appear that the full report could not have been supplied to members on 7 September 2010, unless the dates provided on the designated officer's certificate are incorrect.

Under these circumstances, Fair Work Australia cannot file the report. Moreover, if the dates on the documents are accurate, I advise the organisation will need to repeat certain steps in the reporting process.

# Further action required by the Branch

If the various dates in the above documents are correct the Branch is to arrange for the full report is to be distributed to members (with the appropriate 21 day period to be observed) and referred to a further general meeting of members. Once the full report has been represented, the full report and a further designated officer's certificate are to be lodged with Fair Work Australia.

If the events recorded in the designated officer's certificate occurred after 25 November 2010 the Branch is to lodge a revised designated officer's certificate with Fair Work Australia.

Once this documentation is received, further action can be taken to file the report.

If you wish to discuss any of the matters referred to above I can be contacted on (03) 8661 7764.

Yours sincerely

Kevin Donnellan

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Statement of Compliance

Australian Hotels Association – Tasmanian Branch (the Association) is an entity incorporated and domiciled in Tasmania. The financial report is a general purpose report, which was prepared in accordance with the requirements of the Fair Work (Registered Organisations) Act 2009. The financial statements are presented in Australian dollars. The registered office and principal place of business is Australian Hotels Association – Tasmanian Branch, 25/93 Salamanca Place, Hobart, Tasmania.

The financial report was authorised for issue by the Committee of Management of Australian Hotels Association – Tasmanian Branch on the date the Committee of Management Certificate was signed.

The operations and principal activities of the entity during the year were to provide benefits and support to members.

The financial report has been prepared in accordance with Accounting Standards (including Australian Accounting Interpretations), other pronouncements of the Australian Accounting Standards Board, the requirements of the Fair Work (Registered Organisations) 2009 and in compliance with other requirements of the law.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

#### Basis of preparation

The financial report is a general purpose financial report that has been prepared for distribution to the members to fulfil the financial reporting requirements under the Fair Work (Registered Organisations) Act 2009.

#### **Reporting Basis and Conventions**

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, and financial assets and financial liabilities for which the fair value basis of accounting has been applied.

#### (a) Plant and Equipment

Each class of plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and any accumulated impairment losses.

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the Directors to ensure it is not in excess of the recoverable amount of these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

#### Depreciation

The depreciable amount of all fixed assets is depreciated on a straight line or diminishing value basis over their useful lives to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. The depreciation rates used for each class of depreciable assets are:

Class of fixed assets

Plant and Equipment

**Depreciation Rate** 

7.5 – 50% Straight Line or Diminishing Value

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

#### (b) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset but not the legal ownership are transferred to the company are classified as finance leases.

Finance leases are capitalised by recoding an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on straight-line basis over the life of the term lease.

#### (c) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on costs.

Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows required to settle the obligation.

#### (d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are grouped within short-term borrowings in current liabilities on the balance sheet.

#### (e) Revenue

Interest revenue is recognised as it accrues.

Membership revenue is recognised in income on a monthly basis over the 12 month period to which it relates.

Fundraising income and donations are recognised when received by the Association.

#### (f) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

#### (g) Trade and Other Receivables

Trade receivables, which generally have a 30-60 day term, are recognised initially at fair value, less an allowance for impairment.

The collectability of debts is assessed at balance date. A provision is raised against this balance to cover any accounts considered doubtful.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

# 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

#### (h) Trade and Other Payables

Payables represent liabilities for goods and services provided to the Association prior to the end of the financial year that are unpaid. Payables are carried at cost which is the fair value of the consideration to be paid in the future for the goods and services received, the amounts are unsecured and usually paid within 30 days from recognition.

#### (i) Provisions

Provisions are recognised when the economic entity has a legal, equitable or constructive obligation to make a future sacrifice of economic benefits to other entities as a result of past transactions or other past events, it is probable that a future sacrifice of economic benefits will be required and a reliable estimate can be made of the amount of the obligation.

#### (j) Interest Bearing Liabilities

All loans and borrowings are initially recognised at cost, being the fair value of the consideration received net of issue costs associated with the borrowing. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Amortised cost is calculated by taking into account any issue costs, and any discount or premium on settlement.

Gains or losses are recognised in the income statement when the liabilities are derecognised as well as through the amortisation process.

#### (k) Income Tax

The association is exempt from income tax under Section 50-15 of the Income Tax Assessment Act.

#### (I) In∨entory

Inventories are measured at lower of cost and net realisable value. Costs are assigned on a first-in first-out basis.

#### (m) Financial Instruments

# Recognition

Financial Instruments are initially measured at cost, which includes transaction costs, when the related contractual rights or obligations are created. Subsequent to initial recognition these instruments are measured are set out below.

#### Loans and Receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

#### Financial Liabilities

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

#### Impairment

At each reporting date, the Association reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the assets carrying value over its recoverable amount is expenses to the Income Statement.

#### (n) New and Revised Accounting Standards and Interpretations

Certain new accounting standards and Australian Accounting Interpretations have been published that are not mandatory for the 30 June 2010 reporting period. The Committee of Management have given due consideration to new and revised standards and interpretations issued by the AASB that are not yet effective and do not believe they will have any material impact on the financial statements.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

#### (o) Information to be provided to Members or General Manager

In accordance with the requirement of the Fair Work (Registered Organisations) Act 2009, as amended, the attention of members is drawn to the provisions of sub-section (1), (2) and (3) of section 272 which reads as follows:

- (1) A member of a reporting unit, or the General Manager, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

#### (p) Critical Accounting Estimates and Judgements

The preparation of financial statements requires management to make judgements estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amount recognised in the financial statements is described in note 11 where judgements have been made in relation to the value of employee entitlements.

#### (g) Rental Expense

A decision was made during 2010 for the Association to pay the Tasmanian Hospitality Property Association Inc (THPAI) a rental amount for the property at 25/93 Salamanca Place, Hobart, Tasmania in line with the expensed incurred by THPAI in relation to the property. It was agreed to back date the decision to when the Association entered into the rental arrangement. A rental amount for the 2008 and 2009 financial years is shown within the accounts as a prior period adjustment in the 2010 financial year.

Net Cash Flow from Operating Activities	(13,897)	12,893

#### 12. FINANCIAL INSTRUMENTS

#### Financial Risk Management

The Association's financial instruments consist mainly of deposits with banks, local money market instruments, accounts receivable and payable.

# (a) Interest Rate Risk

The Association does not have any material interest rate risk. Any risk arising is managed through floating rate investments. The Association is subject to limited exposure to interest rate risk due to fluctuations in the prevailing levels of market interest rates. An increase/(decrease) of one percentage point in interest rates would have a corresponding effect on revenue of the Association's profit by \$87 (2009: \$292).

#### (c) Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount, net of any provisions for doubtful debts, as disclosed in the Statement of Financial Position and notes to the financial statements.

The Association does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the Association.

#### (d) Price risk

The Association is not exposed to any material commodity price risk.

# (e) Net Fair Values

The aggregate net fair values are materially consistent with the carrying amounts of financial assets and liabilities recorded in the Statement of Financial Position. Cash, trade receivables, and payables are recorded at fair value, being their nominal amount, due to their nature and short-term to maturity.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

# Independent auditor's report to the members of the Australian Hotels Association Tasmanian Branch

We have audited the accompanying financial report of the Australian Hotels Association Tasmanian Branch (the Association), which comprises the statement of financial position as at 30 June 2010, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the committee of management statement.

The Association's Branch Executive's Responsibility for the Financial Report

The Association's Branch Executive is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and with the Fair Work (Registered Organisation) Act 2009. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

# Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Independence

In conducting our audit we have complied with the independence requirements of the Australian professional accounting bodies.

## Auditor's Opinion

In our opinion the financial report presents fairly, in all material respects, the financial position of the Australian Hotels Association Tasmanian Branch as of 30 June 2010, and of its financial performance and cash flows for the year then ended in accordance with the *Fair Work (Registered Organisation) Act 2009* and Australian Accounting Standards (including the Australian Accounting Interpretations).
