Bradley,

I refer to the above election for your organisation.

Section 197(1) of the *Fair Work (Registered Organisations) Act 2009* ("the Act") requires the AEC to provide a written report on the conduct of the election to the Fair Work Commission and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of the Act requires that if an organisation or branch is given a Post Election Report under Section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to 'industrial.elections@aec.gov.au' within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the Post Election Report and the organisation's response to the report (if applicable) available to members.

Further, Regulation 141(4) of the *Fair Work (Registered Organisations) Regulations 2009* requires an organisation or branch to publish a notice on its website advising members that a copy of the Post Election Report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

Dear Mr Randall

Re: Arrangements for the conduct of an Election (E2014/60)

I refer to correspondence received from the Western Australian Branch of the Australian Hotels Association (**AHA-WA**) dated 10 February 2014, which was signed by Mr Woods and which was lodged with the Fair Work Commission (**FWC**) on 11 February 2014 in response to our request for further prescribed information in respect of the conduct of a scheduled election for offices of the AHA-WA.

In relation to the advice regarding the office of President (Accommodation Hotels), I note that this office is included in Part B of your prescribed information for the Branch Committee of Management election. However the Executive offices are the subject to a second collegiate election at the June meeting of the Branch Committee of Management and as such should also be reflected in Part C of your PI (in accordance with rule (a)(v) of the AHA-WA rulebook). This is regardless of the 'automatic' nature of the election of the above office to the Executive.

In relation to the advice regarding the office of President (Licensed Restaurant Division), I note that rule 13(a)(vii) and 10B of the AHA-WA rulebook provides for this office and division. Under section 189(3)(b) of the *Fair Work Registered Organisations) Act 2009* (RO Act) the General Manager must be satisfied that an election is required to be held under the rules of the organisation or branch. Accordingly, as this office is currently included in the AHA-WA rulebook, it must be included in the prescribed information in order for the General Manager or her Delegate to issue a decision. If as you advise in your letter that the Licensed Restaurant Division no longer exists, and the AHA-WA does not wish to arrange for an election of this office in future, then the AHA-WA will need to lodge an application for an alteration of its rules pursuant to section 159 of the RO Act to remove this office and division from its rulebook.

Accordingly, to enable the FWC to issue a decision for this current election, would you please provide further prescribed information as originally requested in FWC's correspondence of 6 February 2014, that is, for the offices of President (Accommodation Hotels) and President (Licensed Restaurant Division). Once the further prescribed information is lodged, the FWC will be in a position to issue a decision for the Australian Electoral Commission.

If you have any questions relating to this matter please do not hesitate to contact Mr Michael Moutevelis on (02) 8374 6614.

Yours sincerely

Dear Mr Moutevelis

Thank you for your letter addressed to Mr Neil Randall regarding the conduct of an Election (E2014/60) for the Australian Hotels Association Western Australian Branch.

I refer to your request in relation to rule 13 (a) and advise as follows:

- **President (Accommodation Hotels)** the position of President of the Accommodation Hotels is to be elected in Part B. Rule 13 (a)(v) automatically provides that the President Accommodation Hotels is a member of the Executive, therefore Part C is not required for this position.
- **President (Licensed Restaurant Division)** The Association has not sought a representative in the "Licensed Restaurant Division", as this membership division no longer exists

Dear Mr Randall

Re: Arrangements for the conduct of an Election (E2014/60)

I refer to the prescribed information dated 20 January 2014 which was lodged with the Fair Work Commission (**FWC**) on 30 January 2014, for the conduct of a scheduled election for offices of the Western Australian Branch of the Australian Hotels Association (**AHA-WA**).

An analysis of the prescribed information has revealed that it does not include the Branch Committee of Management Executive offices of President (Accommodation Hotels) and President (Licensed Restaurant Division) as provided for by rule 13(a) of the AHA-WA rulebook. To enable the FWC to issue a decision could you please provide further prescribed information which includes the above offices.
