Mr Bradley Woods  
Executive Director, Western Australia Branch  
Australian Hotels Association

Dear Mr Woods

**Re: – Australian Hotels Association, Western Australia Branch - financial report for year ending 30 June 2019 (FR2019/186)**

I refer to the financial report of the Pharmacy Guild of Australian Hotels Association, Western Australia Branch. The documents were lodged with the Registered Organisations Commission (**ROC**) on 29 October 2019.

The financial report has been filed. The financial report was filed based on a primary review. This involved confirming the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

You are not required to take any further action in respect of the report lodged. Please note that the financial report for the year ending 30 June 2020 may be subject to an advanced compliance review.

### **Reporting Requirements**

The ROC website provides several factsheets in relation to the financial reporting process and associated timelines. The website also contains the s.253 reporting guidelines and a model set of financial statements. The ROC recommends that reporting units use these model financial statements to assist in complying with the RO Act, the reporting guidelines and Australian Accounting Standards. Access to this information is available via [this link](#).

If you have any questions about the above or the reporting requirements, please do not hesitate to contact me by email at [stephen.kellett@roc.gov.au](mailto:stephen.kellett@roc.gov.au).

Yours faithfully

## INDEPENDENT AUDITOR'S REPORT

To the members of Australian Hotels Association (WA Branch)

### Opinion

We have audited the financial report of Australian Hotels Association (WA Branch) (the Reporting Unit), which comprises the statement of financial position as at 30 June 2019, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, the subsection 255(2A) report, and the committee of management's statement and officer declaration statement.

### In our opinion:

- a) the accompanying financial report presents fairly, in all material aspects, the financial position of Australian Hotels Association (WA Branch) as at 30 June 2019, and its financial performance and its cash flows for the year ended on that date in accordance with:
  - a. the Australian Accounting Standards; and
  - b. any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009; and
- b) No revenue was derived by Australian Hotels Association (WA Branch) from undertaking recovery of wages activity during the year ended 30 June 2019; and
- c) The use of the going concern basis of accounting in the preparation of these financial statements by Australian Hotels Association (WA Branch) is appropriate.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Reporting Unit in accordance with the auditor independence requirements of the *Fair Work (Registered Organisations) Act 2009* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Information Other than the Financial Report and Auditor's Report Thereon

The Committee of Management is responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of the Committee of Management for the Financial Report

The Committee of Management are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Fair Work (Registered Organisations) Act 2009* and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management are responsible for assessing the Reporting Unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management either intend to liquidate the Reporting Unit or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

- resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
  - Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Reporting Unit's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
  - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the Reporting Unit audit. I remain solely responsible for my audit opinion.

We communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This financial report is a general purpose financial report that has been prepared in accordance with Australian equivalents to International Financial Reporting Standards and other authoritative pronouncements of the Australian Accounting Standards Board as well as the requirements of the Fair Work (Registered Organisations) Act 2009 as amended.

The financial report is prepared for the Australian Hotels Association, Western Australian Branch, a not-for-profit entity. The organisation is the State Branch of a federally registered union of employers, domiciled in Australia.

The financial report has been prepared on an accrual basis and is based on historical costs and does not take into account changing money valuations. Cost is based on the fair values of the consideration given in exchange for assets. The functional and presentation currency of AHA(WA) is Australian dollars. All figures presented in the financial statements are rounded to the nearest Australian dollar.

AASB 1053 Application of Tiers of Australian Accounting Standards has been adopted in accordance with the Fair Work (Registered Organisations) Act 2009. In accordance with the Reporting Guidelines, Tier 1 reporting has been applied.

The following is a summary of the material accounting policies adopted by the organisation in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

**(a) Revenue**

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from subscriptions is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

**(b) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash includes cash on hand, at banks and on deposit.

**(c) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

**(d) Trade and other receivables**

Trade debtors are recognised and income is recorded on an accruals basis of accounting. All trade debtors are recognised at the amounts receivable, as they are due for settlement no more than 30 days from the date of recognition. Collectability of trade debtors is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for doubtful debts is raised where some doubt as to collection exists.

**(e) Trade and other payables**

These amounts represent liabilities for goods and services provided to the organisation prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

WESTERN AUSTRALIAN BRANCH**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2019 (CONTINUED)**

---

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**(f) Interest rate risk exposure**

The Association's exposure to interest rate risk, which is the risk that financial instruments value will fluctuate as a result of changes in market interest rates, is considered negligible.

**(g) Capitation fees and levies**

Capitation fees and levies are recognised on an accrual basis and recorded as a revenue and/or expense in the year to which it relates.

**(h) Credit risk exposure**

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount, net any provisions for doubtful debts, as disclosed in the statement of financial position and notes to the financial statements. The organisation does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the organisation.

**(i) Income tax**

Australian Hotels Association (WA Branch) is exempt from income tax under section 50.15 of the Income Tax Assessment Act 1997 however still has an obligation for Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

**(j) New Accounting Standards for application in future periods**

An assessment of Accounting Standards and Interpretations issued by the AASB that are not yet mandatorily applicable to the association and their potential impact on the association when adopted in future periods is discussed below:

- AASB 16: *Leases*
- AASB 15: *Revenue from Contracts with Customers*
- AASB 1058 *Income of Not-for-Profit Entities*

The association will adopt all of the above standards from their effective dates, although the branch committee of management does not expect the changes to have a material impact on the financial report.

**11. RELATIONSHIP WITH STATE REGISTERED ORGANISATION**

Members are members of both the AHA(WA) and the Western Australian Hotels & Hospitality Association Incorporated (Union of Employers) ("WAHHA") entities concurrently, but pay membership fees only to WAHHA. WAHHA collects fees on behalf of AHA(WA) and remits these according to the capitation fee formula. AHA(WA) then pays a capitation fee to the National Office of the Australian Hotels Association ("AHA").

AHA(WA) and WAHHA are not related parties for the purposes of the Fair Work (Registered Organisations) Act 2009 as defined by section 9B.

AHA(WA) is dependent on WAHHA only for the administrative collection of the fees from members. If WAHHA ceased collection of fees from members, AHA(WA) could levy and collect these fees in its own right. The security of AHA(WA) on WAHHA is to the extent of the administrative collection of membership fees.

Subscriptions of \$105,449 were received during the year from WAHHA to pay capitation fees to the AHA. The amount of the capitation fee is set by the National Office each year and is calculated based on a proportion of total population.

As at 30 June 2019, no amount was payable to the National Body.

**12. CHANGES IN EQUITY**

No separate funds have been established for any purpose by the reporting unit and no funds have been levied from the members during the year.
