Dear Branch Secretary,

cc: Federal Treasurer, AIMPE@aimpe.asn.au

Reminder of actions required when persons elected to office

The Australian Electoral Commission has provided the Registered Organisations Commission (the ROC) a declaration of results for the election of uncontested offices for SA Branch [E2018/181]. This letter is a reminder of certain obligations imposed on organisations and on persons elected to office.

A notice must be published on the organisation's website

The organisation or branch must, as soon as practicable after receiving the post-election report, publish on its website a notice that a copy of the report is available from the organisation, branch or the AEC on request. The notice must be kept on the website for a period of at least 3 months (see regulation 141 of the Fair Work (Registered Organisations) Regulations 2009).

Holders of office required to undertake approved training

Section 293K of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe. Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which are provided for in the RO Act.

Organisation must notify the Commission of changes

Also, section 233(2) of the RO Act requires that an organisation must notify the Commission **within 35 days of any changes** to the holders of office in the organisation. **If there are no changes a notification is not required.** If the election has resulted in **any changes** to the holders of office, the Australian Institute of Marine and Power Engineers, The-South Australia Branch must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
 - the name of the office vacated;
 - the date of the change of office holder; and
 - the name of the person vacating the office.

2. Person(s) who have commenced to hold office:
 - the name of the office now held;
 - the date of the change of office holder;
 - the name of the person now holding the office;
 - the postal address of the person (generally the postal address of the organisation); and
 - the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. A template notification of changes, which may assist you, is attached. If any change does not apply until a date in the future, you do not need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

Regards

Matthew Indrigo

DECISION

Fair Work (Registered Organisations) Act 2009
s.189—Arrangement for conduct of an election

Australian Institute of Marine and Power Engineers, The-South Australia Branch
(E2018/181)

MR ENRIGHT

MELBOURNE, 14 SEPTEMBER 2018

Arrangement for conduct of election.

[1] On 19 August 2018 the South Australia Branch of The Australian Institute of Marine and Power Engineers (AIMPE-SA) lodged with the Registered Organisations Commission (ROC) prescribed information for an election.

[2] On 11 September 2018 AIMPE-SA lodged with the ROC amended prescribed information for an election to fill the following offices:

Branch President	(1)
Branch Treasurer	(1)
Ordinary Member of Federal Council	(1)

[3] I note that rule 33B(iii) of the rulebook of AIMPE, in relation to Branch elections, does not set out the dates for nominations opening and closing but rather, specifies that the opening and closing dates for nominations shall be given by the Returning Officer. In order to remove any potential ambiguity and ensure compliance with section 189(2) of the *Fair Work (Registered Organisations) Act 2009*, I recommend AIMPE consider amending its rules to specify the opening and closing dates for nominations.

[4] I am satisfied that an election for the abovenamed offices is required to be held under the rules of the organisation and, under subsection 189(3) of the *Fair Work (Registered Organisations) Act 2009*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.
