Mr. David Kemp
Federal Secretary
Australian Licenced Aircraft Engineers Association
25 Stoney Creek Road
Bexley NSW 2207

Dear Mr. Kemp,

**Re: Annual Return of information contained in records kept by organisation
(AR 2005/241)**

We have received documents and statutory declarations (6) dated 13 January 2005 providing information in accordance with subsections 233(1), 237(1) of Schedule 1B of the *Workplace Relations Act* and regulation 151 of the RAO Regulations. The documents were lodged in the Industrial Registry on 17 January 2005.

The documents lodged cover the required information for the **2005** Annual Returns of the organisation:

Please note, there isn't any requirement for your organisation to lodge a subsection 237(1) statement for loans, grants and donations particularly if the donations didn't exceed \$1,000.

You have referred to sub section 268(1) in various places in the documents. Please take note of the changes as referred to in paragraph 1 above.

The documents have been filed.

Documents on website

The Registry has created an electronic file for each registered organisation and branch which is accessible through the AIRC web site. The documents lodged will be placed on the AIRC Website at [<http://www.e-airc.gov.au/107n>]. In light of the readier access which this will give to these documents, elected office bearers may wish to consider providing their work or other postal address (rather than their residential address) in the list of office bearers which is required to be lodged each year under RAO sections 233(1)(b) and (2).

Electronic lodgment

I encourage you to take advantage of the electronic lodgment service provided by the Registry for future lodgments. You may register as a user and then lodge your documents via the Electronic Lodgment page of the AIRC website at www.airc.gov.au . Alternatively, you may send an email with the documents attached to riateam3@air.gov.au .

Yours sincerely,
