Dear Judith Wright,

Reminder of actions required when persons elected to office

The Australian Electoral Commission has provided the Registered Organisations Commission (the ROC) a declaration of results for the election of uncontested offices Stage 2 in matter E2018/253. This letter is a reminder of certain obligations imposed on organisations and on persons elected to office.

A notice must be published on the organisation's website

The organisation or branch must, as soon as practicable after receiving the post-election report, publish on its website a notice that a copy of the report is available from the organisation, branch or the AEC on request. The notice must be kept on the website for a period of at least 3 months (see regulation 141 of the Fair Work (Registered Organisations) Regulations 2009).

Holders of office required to undertake approved training

Section 293K of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe. Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which are provided for in the RO Act.

Organisation must notify the Commission of changes

Also, section 233(2) of the RO Act requires that an organisation must notify the Commission **within 35 days of any changes** to the holders of office in the organisation. **If there are no changes a notification is not required.** If the election has resulted in **any changes** to the holders of office, the Australian Municipal, Administrative, Clerical and Services Union-New South Wales and ACT (Services) Branch must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
 - the name of the office vacated;
 - the date of the change of office holder; and
 - the name of the person vacating the office.

2. Person(s) who have commenced to hold office:
 - the name of the office now held;

- the date of the change of office holder;
- the name of the person now holding the office;
- the postal address of the person (generally the postal address of the organisation); and
- the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. A template notification of changes, which may assist you, is attached. If any change does not apply until a date in the future, you do not need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

Yours sincerely

Registered Organisations Commission

AMENDING DECISION

Fair Work (Registered Organisations) Act 2009
s.189—Arrangement for conduct of an election

Australian Municipal, Administrative, Clerical and Services Union-New South Wales and ACT (Services) Branch
(E2018/253)

MR ENRIGHT

MELBOURNE, 19 FEBRUARY 2019

Arrangement for conduct of election.

[1] The decision issued by the Delegate of the Registered Organisations Commissioner on 8 February 2019 [[2019] ROCD 22] is corrected as follows:

National Executive Representative

National Executive Representative (1)

is deleted with the following inserted in lieu:

National Executive Representative

National Executive Representative (2)

[2] The above correction is required because, in the initial Decision, it was erroneously stated that the Australian Municipal, Clerical and Services Union – New South Wales and ACT (Services) Branch (the **Branch**) was only entitled to two (2) National Executive Representatives; one of which shall be the Branch Secretary. The above correction reflects the proper interpretation that the Branch is entitled to elect two (2) National Executive Representatives in addition to the Branch Secretary, making three (3) positions for National Executive Representative in total.

[3] The following office numbers and description are also corrected:

National Conference Delegate

National Conference Delegates (-)

(Number of positions to be determined by National rules 7 and 20)

is deleted with the following inserted in lieu:

National Conference Delegate

National Conference Delegate

(13)

[4] The above correction is required because the initial Decision did not include a specified number of National Conference Delegates. This reflected the prescribed information, lodged by the Branch under s 189(1) on 20 December 2018, which did not provide a specified number of members or positions.

[5] The Branch, by email received by the Registered Organisations Commission on 14 February 2019, provided further information updating its number of members as defined by its rules. The formula for calculation of the allowed number of National Conference Delegates, which is based on membership numbers, is set out in National Rule 7. The Branch is entitled to thirteen (13) National Conference Delegates in accordance with the formula set out in that rule.

[6] The changes to paragraphs [1] and [2] of the decision reflect the above corrections.
