Dear Mr Kruse

Financial reports for the Australian, Municipal, Administrative, Clerical and Services Union, New South Wales Local Government, Clerical, Administrative, Energy, Airlines & Utilities Branch for the financial years ended 30 June 2006, 2007 and 2008 (FR2006/231, FR2007/280 and FR2008/329)

I acknowledge receipt of the financial reports of the New South Wales Local Government, Clerical, Administrative, Energy, Airlines & Utilities Branch of the Australian, Municipal, Administrative, Clerical and Services Union for the years ended 30 June 2006, 2007 and 2008. The documents were originally lodged in the Australian Industrial Registry on 18 February 2009 and the final version lodged with Fair Work Australia on 28 September 2009.

The financial reports have now been filed.

I have attached an addendum for your consideration in which I make comments to assist you when you next prepare a financial report. If you wish to discuss any matters further, I can be contacted on 03 86617929 or via email eve.anderson@fwa.gov.au. A copy of this letter will also be forwarded to your auditor.

Yours sincerely

Addendum to the Financial Reports for the Australian, Municipal, Administrative, Clerical and Services Union, New South Wales Local Government, Clerical, Administrative, Energy, Airlines & Utilities Branch for years ended 30 June 2006, 2007 & 2008 (FR2006/231, FR2007/280 and FR2008/329)

The following comments are made to assist you when you next prepare a financial report.

1) Timescale requirements

As you are aware, an organisation is required under the RO Act to undertake certain steps in accordance with specified timelines.

As previously advised, the branch has failed to comply with a number of the legislative target dates. As the 2006, 2007 and 2008 reports have been completed, the relevant timelines are incapable of being remedied. However it should be noted that the timelines have not changed under the *Fair Work (Registered Organisations) Act 2009* (RO Act) and the preparation and lodgment of future financial reports must occur within these timelines.

In particular:

- [Sections 253 and 254](#) of the RO Act require that a General Purpose Financial Report (GPFR) and an Operating Report be prepared as soon as practicable after the end of the financial year.
- The committee of management is required to meet *before* the financial report is audited and to make certain declarations about matters set out in [Reporting Guideline 25](#).
- After the committee of management has met, the GPFR (including the Committee of Management Statement) is to be audited ([section 257](#)).
- The full report or a concise report is to be provided to members ([section 265](#)). This is to occur 21 days before the general meeting if the report is presented to general meeting, or within 5 months of the end of the financial year if the report is presented to a committee of management meeting.
- [Section 266](#) requires that the full report be presented to either a general meeting of members or a committee of management meeting within six months after the end of the financial year. Please note that this meeting is *additional* to the committee of management meeting noted in the second dot point above.
- The full report and the designated officer's certificate must be lodged with Fair Work Australia within 14 days of the general/committee of management meeting ([section 268](#)).
- In the absence of an extension of time for holding a general meeting (see [section 265\(5\)](#)) the latest possible date of lodgment with Fair Work Australia is six months and 14 days after the end of the financial year.

In future years the financial report need to be prepared in sufficient time to enable presentation to a meeting within six months after the end of the financial year and lodged with Fair Work Australia no later than 14 days after that meeting.

Information about these timeline requirements can be found on the [Fair Work Australia website](#). In particular, I draw your attention to [fact sheet 08](#) which explains

the timeline requirements, and [fact sheet 09](#) which sets out the timeline requirements in diagrammatical form.

2) Operating Report: Review of Principle Activities

[Subsection 254\(2\)\(a\) of the RO Act](#) requires an operating report to contain a review of the principal activities of the reporting unit, the results of those activities and any significant changes in the nature of those activities. I note that the operating reports in each of the financial reports provide a review of the principal activities and explain that there were no significant changes, but do not explain the results of these activities. Please note that subsection 254(2)(a) does not require a *financial* result, but instead a description of the results from the industrial activities undertaken.

3) Cash flow statement: payments to employees

I note that the cash flow statements in each of the financial reports disclose payments to suppliers and employees. However the operating reports in each report state that the branch did not employ any staff members. Please ensure this apparent anomaly is addressed in future reports.

4) Notes to the GPFR: Information to be provided to members (section 272)

Note three in each of the reports replicates the sections of the RAO Schedule of the Act in accordance with [Reporting Guideline 8\(c\)](#). However the note in each report refers to Schedule 1B of the *Workplace Relations Act 1996*. Schedule 1B has been superseded and the notes should have referred to Schedule 1. From 1 July 2009 the relevant legislation is the *Fair Work (Registered Organisations) Act 2009*.

5) Notes to the GPFR: Related party transactions

All of the reports list related parties and their transactions in accordance with AASB 124 paragraph 17. However, I note that the United Services Union has the same committee of management, the same members and substantively the same rules. It would therefore appear that the USU is also a related party and accordingly should be listed in the notes.

6) Loans, Grants or Donations

I have noted that donations totalling \$3026 were made in 2006, \$3206 in 2007 and \$3405 in 2008. Under [subsection 237\(1\)](#) of the RO Act there are certain steps that need to be taken if an individual loan, grant or donation exceeds \$1000.

As no subsection 237(1) statement has been lodged we assume that no single donation exceeded \$1000. Should this not be the case, please immediately advise Fair Work Australia of the details and ensure that there is compliance with the reporting requirements of section 237, other than with respect to the required timeframe. A sample Loans, Grants and Donation statement is attached for your convenience.

BRANCH EXECUTIVE'S STATEMENT

On 10 December 2006 the Branch Executive of the Australian Municipal, Administrative, Clerical and Services Union, New South Wales Local Government, Clerical, Administrative, Energy, Airlines & Utilities Branch, passed the following resolution in relation to the general purpose financial report (GPFR) of the branch for the year ended 30 June 2006.

The Branch Executive declares in relation to the GPFR that in its opinion:

- (a) the financial report and notes comply with the Australian Accounting Standards;
- (b) the financial report and notes comply with the reporting guidelines of the Industrial Registrar;
- (c) the financial report and notes give a true and fair view of the financial performance, financial position and cash flows of the branch for the financial year ended 30 June 2006;
- (d) there are reasonable grounds to believe that the branch will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year ended 30 June 2006 and since the end of the financial year:
 - (i) meetings of the Branch Executive were held in accordance with the rules of the organisation and the rules of the branch; and
 - (ii) the financial affairs of the branch have been managed in accordance with the rules of the organisation and the rules of the branch; and
 - (iii) the financial records of the branch have been kept and maintained in accordance with the RAO Schedule and the RAO Regulations; and
 - (iv) the financial records of the branch have been kept, as far as practicable, in a consistent manner to each of the other branches and national office of the organisation; and
 - (v) no information has been sought in any request of a member of the branch or a Registrar under section 272 of the RAO Schedule; and
 - (vi) no order for inspection of the financial records has been made by the Commission under section 273 of the RAO Schedule.
- f) during the financial year ended 30 June 2006 the branch did not participate in any recovery of wages activity.

For the Branch Executive;

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2006

1. SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian equivalents to International Financial Reporting Standards (AIFRS), other authoritative pronouncements of the Australian Accounting Standards Board, Urgent Issues Group Interpretations and the Workplace Relations Act 1996.

Compliance with Australian equivalents to International Financial Reporting Standards ensures that the financial report comprising the financial statements and notes thereto, complies with International Financial Reporting Standards (IFRS) except for:

- Segment reporting because AASB 114 "Segment Reporting" does not apply to not-for-profit organisations.
- Impairment of assets under AASB 136 "Impairment of assets"

BASIS OF PREPARATION

The financial report is for the Australian Municipal, Administrative, Clerical and Services Union, New South Wales Local Government, Clerical Administrative, Energy, Airlines & Utilities Branch and in accordance with the Workplace Relations Act, 1996 the Branch is a reporting unit. The Australian Municipal, Administrative, Clerical and Services Union is an organisation registered under the Workplace Relations Act. In accordance with the Act the Union is a body corporate and has perpetual succession. By virtue of this method of incorporation, the Union and the Branch are not subject to the Corporations Act 2001.

The financial report has been prepared on the basis of historical costs modified by the revaluation of selected financial assets and liabilities for which the fair value basis of accounting has been applied. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

This is the first financial report prepared under AIFRS and AASB 1 First-Time Adoption of Australian Equivalents to International Financial Reporting Standards has been applied in preparing these statements. Comparatives for the year ended 30 June 2005, with the exception of financial instruments, have been restated accordingly. The Union has taken the exemption available under AASB 1 to apply AASB 132 and AASB 139 from 1 July 2005.

Reconciliations of the impact of the adoption of AIFRS on the Union's Accumulated Funds and Reserves and Net Deficit are detailed in Note 4.

The following is a summary of the significant accounting policies adopted by the Branch in the preparation of the financial report.

(a) Revenue

Contributions are accounted for on a cash receipts basis. Otherwise the concept of accrual accounting has been adopted in the preparation of the accounts.

AIRLINES & UTILITIES BRANCH

NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 30 JUNE 2006 (Cont'd)

1. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

(b) Income tax

No provision for Income Tax is necessary as Industrial Trade Unions are exempt from Income Tax under Section 50-15 of the Income Tax Assessment Act 1997.

(c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and any impairment in value.

Depreciation

The depreciable amount of all fixed assets is depreciated on a straight line basis over their useful lives to the Branch commencing from the time the asset is ready for use.

The depreciation rates used for each class of asset are:

Buildings	2%
Motor Vehicles	25%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance sheet date.

Gains and losses on disposals are calculated as the difference between the net disposal proceeds and the asset's carrying amount and are included in the income statement in the year that the item is derecognised.

(d) Impairment

The carrying amounts of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. An impairment loss is recognised in the income statement for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the asset's fair value less cost to sell and value in use. For the purpose of assessing value in use of assets not held primarily to generate cash, this represents depreciated current replacement cost, as the Branch is a not-for profit organisation.

(e) Investments

All investments and other financial assets are initially stated at cost, being the fair value of consideration given plus acquisition costs. Purchases and sales of investments are recognised on trade date, which is the date on which the entity commits to purchase, or sell the asset. Accounting policies for each category of investments and other financial assets subsequent to initial recognition are set out below.

**NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 30 JUNE 2006 (Cont'd)**

1. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

(e) Investments (cont'd)

Available-for-sale financial assets

Investments, which are classified as available for sale, are measured at fair value. Unrealised gains or losses on these investments are recognised directly to equity in the Available-for-Sale Investment Reserve until the investment is sold or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported for that asset is included in the income statement.

(f) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables on the balance sheet are shown inclusive of GST.

(g) Accounting Standards Issued But Not Yet Effective

There have been no accounting standards issued which will impact the financial report in future periods and which are not yet effective.

2. ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

The Branch makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of asset and liabilities.

(b) Critical judgments in applying the Branch's accounting principles

There are no critical judgements that have a significant risk of causing a material adjustment to the carrying amount of the assets and liabilities.

3. INFORMATION TO BE PROVIDED TO MEMBERS OR REGISTRAR

In accordance with the requirements of the Workplace Relations Act, 1996, the attention of members is drawn to the provisions of Sections 272 of Schedule 1B which read as follows:

1. A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
2. The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
3. A Reporting unit must comply with an application made under subsection (1).

4. IMPACT OF ADOPTION OF AIFRS

The impact of adopting AIFRS on the accumulated funds and surplus reported under previous Australian Generally Accepted Accounting Principles ("AGAAP") is set out below.

Credit Risk Exposure

Credit risk is the risk that counter-parties to a financial asset will fail to discharge their obligations, causing the Branch to incur a financial loss.

The credit risk exposure of the Branch to financial assets which have been recognised in the Balance Sheet is generally the carrying amounts, net of any provisions for doubtful debts.

The carrying amounts of cash and non-interest bearing monetary financial assets and liabilities (eg receivables and payables) approximate net fair values.

NEW SOUTH WALES LOCAL GOVERNMENT, CLERICAL ADMINISTRATIVE, ENERGY, AIRLINES & UTILITIES BRANCH

INDEPENDENT AUDIT REPORT

To the members of the Australian Municipal, Administrative, Clerical and Services Union, New South Wales Local Government, Clerical Administrative, Energy, Airlines & Utilities Branch

Scope

The Financial Report and Responsibility of the Branch Executive and Branch Secretary

The financial report comprises the income statement, balance sheet, statement of changes in accumulated funds and reserves, cash flow statement, accompanying notes to the financial statements and the branch executive's statement for the Australian Municipal, Administrative, Clerical and Services Union, New South Wales Local Government, Clerical Administrative, Energy, Airlines & Utilities Branch, for the year ended 30 June 2006.

The branch executive and branch secretary are responsible for the preparation and true and fair presentation of the financial report in accordance with the Workplace Relations Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Branch. Our audit has been conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal controls, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Workplace Relations Act 1996, including compliance with Accounting Standards and other mandatory professional reporting requirements in Australia a view which is consistent with our understanding of the Branch's financial position and its performance as represented by the results of its operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the branch executive and branch secretary.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements and the Workplace Relations Act 1996.
