Secretary
South Australian and Northern Territory Branch
Australian Municipal, Administrative, Clerical and Services Union

By email: jcales@asu-sant.asn.au

Dear Mr Scales,

Reminder of actions required when persons elected to office

The Australian Electoral Commission has provided the Fair Work Commission (the Commission) a declaration of results for the election of stage 2 and 3 uncontested offices for the South Australian and Northern Territory Branch [E2014/275]. This letter is a reminder of certain obligations imposed on organisations and on persons elected to office.

A notice must be published on the organisation's website

The organisation or branch must publish on its website a notice that a copy of the report is available from the organisation, branch or the AEC on request. The notice must be kept on the website for a period of at least 3 months (see regulation 141 of the Fair Work (Registered Organisations) Regulations 2009).

Holders of office required to undertake approved training

Section 154D(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires the rules of organisations (and branches of organisations) to require each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe. A list of approved training providers is attached.

Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which should be provided for in your organisation's rules.

Organisation must notify the Commission of changes

Also, section 233(2) of the RO Act requires that an organisation must notify the Commission **within 35 days of any changes** to the holders of office in the organisation. **If there are no changes a notification is not required.** If the election has resulted in **any changes** to the holders of office, the South Australian and Northern Territory Branch of the Australian Municipal, Administrative, Clerical and Services Union must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
 - the name of the office vacated;
 - the date of the change of office holder; and
 - the name of the person vacating the office.

GPO Box 1994

Telephone: (03) 8656 4694
Email : orgs@fwc.gov.au

2. Person(s) who have commenced to hold office:
- the name of the office now held;
 - the date of the change of office holder;
 - the name of the person now holding the office;
 - the postal address of the person (generally the postal address of the organisation); and
 - the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. A template notification of changes, which may assist you, is attached. If any change does not apply until a date in the future, you do not need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

**Post-Election Report for: Australian Municipal, Administrative, Clerical and Services Union
Scheduled Election SA & NT Branch E2014/275**

I refer to the above elections for your organisation.

Section 197(1) of the Fair Work (Registered Organisations) Act 2009 requires the AEC to provide a written report on the conduct of the election to Fair Work Australia and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of Fair Work (Registered Organisations) Act 2009 requires that if an organisation or branch is given a post-election report under section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached Report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to industrial.elections@aec.gov.au within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the post-election report and the organisation's response to the report (if applicable) available to members.

Further, Regulation 141(4) of the Fair Work (Registered Organisations) Act 2009 requires an organisation or branch to publish a notice on its web site advising members that a copy of the post-election report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

DECISION

Fair Work (Registered Organisations) Act 2009
s.189—Arrangement for conduct of an election

Australian Municipal, Administrative, Clerical and Services Union (E2014/275)

MR ENRIGHT

MELBOURNE, 19 FEBRUARY 2015

Arrangement for conduct of election.

[1] On 23 December 2014 and 12 and 17 February 2015 the South Australian and Northern Territory Branch of the Australian Municipal, Administrative, Clerical and Services Union lodged with the Fair Work Commission the prescribed information in relation to an election for the following offices:

Branch President
Branch Deputy President
Branch Vice President (Energy and Local Government Industry Sections)
Branch Vice President (Women) (Energy and Local Government Industry Sections)
Branch Vice President (Airlines & Federal Awards, Commercial, Finance, Community Services, Legal Industry and Northern Territory Industry Sections)
Branch Vice President (Women) (Airlines & Federal Awards, Commercial, Finance, Community Services, Legal Industry and Northern Territory Industry Sections)
Branch Secretary/National Executive Representative
Branch Assistant Secretary/National Executive Representative
Branch Councillors (General) and Branch Councillors (Women) from each of the Industry Sections:

		Members (General)	Members (Women)
Section 1	Airlines & Federal Awards	1	1
Section 2	Commercial	1	2
Section 3	Energy	1	1
Section 4	Local Government	2	3
Section 5	Community Services	1	1
Section 6	Finance	1	1
Section 7	Legal Industry	1	0
Section 8	Northern Territory	1	0

Branch Conference Delegates and Branch Conference Delegates (Women) from the following Industry Sections:

	Members (General)	Members (Women)
Airlines & Federal Awards	1	0
Commercial	1	1
Energy	1	1
Local Government	2	2
Community Services	1	2
Finance	1	0
Legal Industry	1	0
Northern Territory	1	1

National Conference Delegates (7)
First Alternate National Conference Delegate
Second Alternate National Conference Delegate
Third Alternate National Conference Delegate

[2] On 17 February 2015, the Branch lodged prescribed information under subsection 187(3) of the Fair Work (Registered Organisations) Act 2009 in relation to an election for the following positions:

Convenor, Deputy Convenor and Co-ordinator/Secretary for each of the following Industry Section Organising Committees:

Airlines & Federal Awards
Commercial
Energy
Local Government
Community Services
Finance
Legal Industry
Northern Territory

[3] Subsection 182(1) of the *Fair Work (Registered Organisations) Act 2009* requires the Australian Electoral Commission to conduct an election for each office in an organisation or branch of an organisation unless an exemption has been granted under section 182(2). No such exemption has been granted in relation to the offices of Branch Deputy President, National Conference Delegate or Alternate National Conference Delegate.

[4] Elections for the offices of Branch Deputy President, National Conference Delegate and Alternate National Conference Delegate are significantly overdue. Arrangements for the conduct of an election for the above offices have not been made for a significant period of time. The term of office for the Branch Deputy President is 2 years whilst the National Conference Delegates and Alternate National Conference Delegates are elected for 4 years. As a result the prescribed information should have been lodged and was not lodged within the prescribed periods on a number of occasions. By failing to lodge prescribed information in relation to an election an organisation or a branch contravenes a civil penalty provision.

[5] The Branch was informed that the prescribed information in relation to the offices of Branch Deputy President, National Conference Delegate and Alternate National Conference Delegate was not lodged before the day prescribed by Regulation 138(3) of the *Fair Work (Registered Organisations) Regulations 2009*. That day is the day occurring 2 months before the first day when a person may, under the rules of the organisation or branch, become a candidate in the election. The Branch advised that the reason for elections not being conducted at the scheduled time by the Australian Electoral Commission is that elections for the offices in question have been run by the Branch rather than by the Australian Electoral Commission as required by subsection 182(1) of the *Fair Work (Registered Organisations) Act 2009*. The Branch had in error understood the rules to allow for those elections to be conducted internally as they were collegiate and the relevant electorates had been dually elected under the rules. The Branch advised that the elections were undertaken in accordance with the rules of the organisation. The Branch has given an undertaking that prescribed information for all future elections will be lodged for all offices within the Branch. While I accept that the Branch was not aware that elections for the offices in question are required to be conducted by the Australian Electoral Commission, the Branch nonetheless was obligated under section 189(1) of the *Fair Work (Registered Organisations) Act 2009* to lodge the prescribed information in relation to elections for its offices to be conducted by the Australian Electoral Commission. The fact that elections have not been held for a significant period of time does not obviate the need for an election. I do not want to frustrate the democratic function of the Organisation and therefore I allow lodgement on 12 February 2015 in the present circumstance.

[6] I am satisfied under these circumstances that an election for the abovenamed offices and positions is required to be held under the rules of the organisation and, under subsection 189(3) of the *Fair Work (Registered Organisations) Act 2009*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.

[7] Although arrangements are being made for the conduct of an election for the above offices and positions this does not excuse the non-lodgement of the prescribed information for the offices of Branch Deputy President, National Conference Delegate and Alternate National Conference Delegate within the prescribed periods nor does it exclude the possibility of action being undertaken under section 305 of the *Fair Work (Registered Organisations) Act 2009*.
