[2] The Branch was informed that the prescribed information was not lodged before the day prescribed by Regulation 138(3) of the *Fair Work (Registered Organisations) Regulations 2009*. That day is the day occurring 2 months before the first day when a person may, under the rules of the organisation or branch, become a candidate in the election. The Branch then asked me to allow a later day for lodgment of the prescribed information under subsection 189(2) of the Act. Having considered the reasons for late lodgment, I allow lodgment on 30 January 2013 and 13 February 2013 in this instance.

[3] I am satisfied that an election for the abovenamed offices is required to be held under the rules of the organisation and, under subsection 189(3) of the *Fair Work (Registered Organisations) Act 2009*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.

Dear General Manager

I write further to our letter of 30 January 2013 seeking, to the extent necessary, that the lodgment date of the letter attached to it be "such later day as the General Manager allows" under the *Fair Work (Registered Organisations) Act 2009*, s189(2).

On 7 February 2013, the ASU telephoned FWC to inquire about the matter. FWC's Ms Melissa Garcia then telephoned the ASU, seeking additional information about the s189(2) request.

In response, I advise that, unfortunately, attendance to pressing member industrial issues resulted in our s189(1) letter being provided later than we had intended, leading to the s189(2) request.

Please accept my sincere apologies, and my assurance that in future we will do all we can to avoid any such delays. In that regard, I have requested that our Executive Assistant make an entry in various electronic diaries (including my own) drawing attention to the need to provide a s189(1) letter for 1 January 2015.

Please do not hesitate to call me should you wish to discuss any aspect of this matter.

Yours sincerely
