Sean Kelly Branch Secretary Australian Municipal, Administrative, Clerical and Services Union Tasmanian Branch 265 Macquarie Street HOBART TAS 7000

Dear Mr Kelly,

Re: Schedule 1B of the Workplace Relations Act 1996 (the RAO Schedule) Financial Reports for year ended 30 June 2004 – FR2004/424

I have received the financial report of the Tasmanian Branch of the Australian Municipal, Administrative, Clerical and Services Union for the year ended 30 June 2004. The documents were lodged in the Industrial Registry on 6 April 2004.

I advise the documents enclosed appear to have been prepared under the provisions of Division 11 of the Workplace Relations Act 1996. As you would be aware, the Workplace Relations (Registration and Accountability of Organisations) legislation came into operation on 12 May 2003. The accounts for the period covered by the abovementioned documents should have been prepared in accordance with the relevant provisions of Schedule 1B of the Act (the RAO Schedule), the Workplace Relations (Registration and Accountability of Organisations) Regulations 2003 and the Reporting Guidelines issued by the Industrial Registrar. Each of these documents may be accessed on the Commission's website at www.airc.gov.au. You will also find various fact sheets on the new legislative requirements imposed on organisations, branches and reporting entities, including one on financial reporting https://www.airc.gov.au/fact sheets/factsheets.html.

I suggest that you contact me when you have had opportunity to study the relevant legislation, regulations and guidelines so we may discuss what the organisation will need to do to discharge its financial reporting obligations under the Act. You can contact myself on (03) 8661 7764 or lain Stewart on (03) 8661 7787.

Yours sincerely

- Donatos

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30TH JUNE 2004

1. STATEMENT OF ACCOUNTING POLICIES

This special purpose financial report has been prepared in accordance with the measurement requirements of Australian Accounting Standards including the disclosure requirements of the Workplace Relations Act 1996.

The following is a summary of significant accounting policies adopted by the Union in the preparation of the accounts which, unless otherwise stated, have been consistently applied:

(a) Basis of Accounting

The accounts have been prepared on the basis of historical costs and do not take into account changing money values or, except where otherwise stated, current valuations of non-current assets.

With the exception of membership subscriptions, income and expenditure of the Union has been brought to account on an accruals basis of accounting so as to match income for the period with the expenditure incurred in earning that income.

Membership subscriptions are brought to account on the cash basis of accounting as and when received as permitted by Section 272 of the *Workplace Relations Act 1996*.

(b) Provisions for Accrued Annual Leave and Long Service Leave

Provision has been made in the accounts for the Union's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual and long service leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at their expected present value of the estimated future cash outflows to be made for those entitlements.

(c) Income Tax

No provision has been made in the accounts for income tax on the basis that the Union is exempt pursuant to Section 50-15 (3.2) of the *Income Tax Assessment Act 1997* (Formerly Section 23(f) of the *Income Tax Assessment Act 1936*).

(d) Plant and Equipment

The carrying amount of plant and equipment is reviewed annually by the Branch to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets' employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

Plant & Equipment is depreciated on a straight line basis over the effective life of the asset, commencing from the time the asset is held ready for use.

The depreciation rate used for Office Equipment is primarily 25% Prime Cost. The depreciation rate used for Leased Office Equipment is primarily 30% Prime Cost.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS continued

FOR THE YEAR ENDED 30TH JUNE 2004

1. STATEMENT OF ACCOUNTING POLICIES

(e) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the Branch, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Leased assets are amortised on a straight line basis over their estimated useful lives where it is likely that the Branch will obtain ownership of the asset, or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(f) Cash

For the purposes of the Statement of Cash Flows, cash includes cash on hand, at banks and on deposit.

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

(h) Prior Period Adjustment

A prior period adjustment, in 2003 has been made for Cash At Bank - Term Deposit which had a balance of \$5,000 as at 30th June 2002, however, due to an accounting oversight was not included in the 2002 audited financial statements.

(i) Comparatives

Where necessary, comparative information has been reclassified to achieve consistency in disclosure with current financial year information and other disclosures.

2. WORKPLACE RELATIONS ACT 1996

In accordance with the requirements of the *Workplace Relations Act* 1996, the attention of members is drawn to the provisions of sub-sections (1), (2) and (3) of Section 274, which read as follows -

- (1) A member of an organisation, or a Registrar, may apply to the organisation for specified prescribed information in relation to the organisation.
- (2) An organisation shall, on application made under sub-section (1) by a member of the organisation, or a Registrar, make the specified information available to the member or Registrar in such manner and within such time as is prescribed.
- (3) A Registrar may only make an application under sub-section (1) at the request of a member of the organisation concerned and the Registrar shall provide to a member information received because of an application made at the request of the member.
