Dear Mr Lapidos

Re: Financial report of the Australian Municipal, Administrative, Clerical and Services Union - Taxation Officers' Branch - FR2009/10104

Thank you for lodging the financial report of the Taxation Officers' Branch of the Australian Municipal, Administrative, Clerical and Services Union for the year ended 30 June 2009. The documents were lodged in this office on 15 January 2010.

The financial report is filed.

I direct your attention to the following comments concerning the above report and the financial reporting obligations under Schedule 1 of the Workplace Relations Act 1996 [now the Fair Work (Registered Organisations) Act 2009]. Please note that these matters are generally advised for assistance in the preparation of future financial reports. With the exception of the comment concerning item 1, no further action is required in respect of the subject documents.

1. Required disclosures

The profit and loss statement contains an item of disclosure entitled "Affiliation and Sustentation Fees and ACTU Levy". Item 11 of the Reporting Guidelines requires separate disclosures for, among other things, affiliation fees paid to political parties and industrial bodies (item 11(d)), contributions paid to another reporting unit of the organisation (item 11(b)) and fees and compulsory levies imposed on the reporting unit (item 11(e)). Where appropriate, separate disclosures in accordance with item 11 need to be made.

2. Recovery of Wages

I note that the accounts do not provide any information in relation to any recovery of wages activity. Items 16 – 23, 25(f) and 27(b) of the Reporting Guidelines govern the financial reporting of recovery of wages activity.

In circumstances where the reporting unit has not undertaken any recovery of wages activity for the financial year, a statement by the auditor or a declaration in the Committee of Management Statement to the effect that there was no recovery of wages activity for the financial year would be sufficient.

3. Auditor's Report

The scope of the auditor's report on the full financial report should be addressed to the members of the branch (ASA 700). In future years please ensure that the scope of the auditor's report is addressed to members of the branch.

I note that the notice to members refers to section 274 of the Fair Work (Registered Organisations) Act 2009. The reference should be to section 272.

OPERATING REPORT

FOR THE YEAR ENDED 30TH JUNE 2009

In accordance with Section 254 of the Fair Work (Registered Organisations) Act 2009 ("the Act"), your Committee of Management report, is as follows:

Principal Activities

The principal activity of the organisation during the year was that of a registered trade union, which covers employees of the Australian Taxation Office. No significant change occurred in the nature of those activities during the year.

The results of our activities over the year were:

- We negotiated the ATO (General Employees) Agreement 2009 (the Agreement) with the Tax Office. We developed our log of claims in consultation with our members; we consulted with our members during the course of negotiations and about whether to make the final agreement. The CPSU and MEAA refused to make the Agreement with us. The Agreement was endorsed by a majority vote of all ATO employees covered by the Agreement. The Agreement improved salaries, many conditions, maintained most conditions, although we had to negotiate some small reductions in conditions to meet the business needs of the Tax Office. The consultative arrangements for our union improved. The CPSU did not co-operate with the ASU during the course of the negotiations; their attitude to us was most disappointing.
- We made an agreement with the United Service Union, a Branch of the Australian Services Union to access their Newcastle Organiser, Robert Potter, to service the Newcastle Tax Office. We recruited almost 50 members over subsequent months as a result. However, this initiative was used by the CPSU to justify a refusal to continue discussions with us about how we might co-operate in the making of the 2009 ATO (General Employees) Agreement.
- In February 2009, the Tax Office denied it intended reducing the number of ongoing full time employees in its Operations Sub-Plan by 3,000 as part of its Operations Business Model despite it releasing a document to the unions which strongly suggested otherwise.
- We identified a serious deficiency in the Tax Office's Whistleblower Policy in that it maintained the Policy did not apply to employees if they were personally affected or linked to the bad conduct. The Tax Office refused to correct this error, so we took it up with the Public Service Commissioner (PSC), along with proposals for other improvements in the Policy. The PSC required the Tax Office make the correction we identified, but not the improvements we proposed. The Tax Office amended its Policy in January 2009.
- The Tax Office Union Access Protocol for the ASU remained an ongoing issue during the year. The Tax Office sought the assistance of the Industrial Relations Commission in resolving the dispute. We decided to accept a Protocol, despite it being inferior in two respects to the Protocol the Tax Office had with the CPSU. However we decided we would prosecute the Tax Office because of this difference if our legal advice recommended we had reasonable grounds for success. The Tax Office then withdrew its offered Protocol.
- We consulted with ATO management about its intended operations.
- We represented members on ATO Health Safety and Wellbeing Committees.

- We represented and resolved the employment concerns of individual members in conferences with ATO management
- We continued to assist members with misconduct cases initiated by the ATO.
- We advised members about their rights and options to further their career interests, particularly with regard to health and workers compensation issues, disciplinary issues, their working environment and other employment concerns.
- We maintained guides on working in the ATO for ASU Tax members on subjects such as: Misconduct, Health, Workers Compensation, Decision Making, Leave, Resolving Disputes and the Public Service Act.
- We kept the Union Shopper discount buying service available to members.
- We maintained journey insurance to provide safety net insurance for our financial members against accidents when traveling to and from work and home and when outside ATO premises during morning and afternoon tea and lunch breaks. There is a minimum threshold of two weeks off work to qualify for assistance. There is no requirement to exhaust sick leave to be eligible.
- The ASU e-Shop continues to provide discount movie tickets and other ASU and union merchandise for ASU members to purchase.
- We continued our support for members with workers compensation and/or rehabilitation members through the work of our Honorary Industrial Officer. Tony Cianciosi.
- Our members agreed to a proposal to increase our membership fees from 1 July 2009 by 3.25% for full timers, with pro-rata increases for part timers.

Operating Result

.

The operating result of the organisation for the year ended 30th June 2009 was a surplus of \$10,403. The final result was positively affected by the fact that we no longer employed the Assistant Branch Secretary; a 5% increase in membership fees over the previous financial year; the fact that the employer of our members did not require those who paid their membership subscriptions to continue to confirm annually that they wished to continue to do so; and a continued small increase in net membership numbers. The surplus was despite recognising a provision for long service leave for the Branch Secretary and bringing into the profit and loss account the estimated audit fee and payroll tax for the 2009 year. We were able to reverse our small negative equity situation into a positive equity situation as a result of the surplus.

We are able to pay our debts as they fall due. No provision for tax was necessary as the organisation is considered exempt.

Significant Changes

There was no significant change in the financial affairs of the organisation during the year, other than those referred to in the note on the Operating Result above. They are also referred to in Note 10 to the Notes to the Financial Statements.

Right of Members

All members have the right to resign from the Union in accordance with Rule 32 of the Australian Services Union National Rules (and Section 174 of the Fair Work (Registered Organisations) Act 2009; namely, by providing 14 days notice in writing addressed and delivered to the Secretary of the Taxation Officers' Branch, 116 Queensberry Street, Carlton South, Victoria, 3053. .

We have audited the accompanying financial report of Australian Municipal, Administrative, Clerical and Services Union Taxation Officers' Branch (the Union) which comprises the balance sheet as at 30th June 2009 and the profit and loss statement and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the statement by members of the committee of management.

Committee's Responsibility for the Financial Report

The Committee of the Union is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Fair Work (Registered Organisations) Act 2009. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessment, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirement of Australian professional ethical pronouncements.
