Dear Mr Cochrane,

Re: Schedule 1B of the Workplace Relations Act 1996 (the RAO Schedule) Financial reports for year ended 30 June 2005 - FR 2005/318

Reference is made to the financial reports of the Victorian Authorities and Services Branch of the Australian Municipal, Administrative, Clerical and Services Union for the year ended 30 June 2005. The documents were lodged in the Industrial Registry on 29 December 2005.

The financial documents have been filed.

I direct your attention to the following comments concerning the above reports and the financial reporting obligations under the RAO Schedule. Please note that these matters are generally advised for assistance in the future preparation of financial reports, With the exception of the comments concerning item 3, no further action is required in respect of the subject documents.

1. Operating Report

(a) Principal activity and results of principal activities

I refer to the Operating Report, in particular to the "Principal Activities" and the "Operating Result". I note that s254(2)(a) of Schedule 1B requires the operating report to include a review of the reporting entities' principal activities, the results of those activities and any significant changes in the nature of those activities.

The "principal activity" as listed in the operating report may not fully meet the requirements of s254(2)(a). Such requirement may be satisfied by indicating the objects of the reporting unit, for example, "provide industrial, professional and managerial services to members consistent with the objects of the Union and particularly the object of protecting and improving the interests of the members".

Also, in relation to the "Operating Result", I suggest that this requirement contemplates reference in the operating report to results directly related to the principal activities as opposed to the reporting entities financial result, particularly as measured in dollar 'surplus' or 'loss' terms. Although this may not be stated explicitly in the text of the subsection, I think it is reasonable to infer this is what the legislators had in mind given that the subsection is referring primarily to the principal activities and secondly, the actual financial outcome is elaborated elsewhere in the financial documents, such as the Balance Sheet and/or the Profit and Loss statement.

(b) Membership of Committee of Management:

The operating report is required to contain the name of each person who has been a member of the committee of management of the reporting unit at any time during the reporting period, and the period for which he or she held such a position - refer regulation 159(c) of the RAO Regulations.

The operating report should have provided the positions which members of the committee of management held during the reporting unit.

2. Auditor's Report

It is not clear from the Report whether or not the Auditor is an approved auditor. In this regard I draw your attention to the definition of approved auditor in regulation 4 of the RAO Regulations. In all likelihood the Auditor is such a person however, it is our preference that this is made explicit in the Report. I recommend you draw this comment to the attention of your Auditors.

3. Statement of Financial Performance

Section 237(1) of Schedule 1B requires an organisation to lodge in the Industrial Registry within 90 days after the end of each financial year a statement showing the relevant particulars in relation to each

loan, grant or donation of an amount exceeding \$1,000 made by the organisation during the financial year.

Inspection of the statement of financial performance indicates a disclosure "Donations" of \$4,666.

If appropriate, would you please arrange lodgment in the Industrial Registry of a section 237(1) statement covering any donation exceeding \$1,000, setting out particulars of any donation in accordance with subsection 237(6).

4. Lodgement of financial documents

Please note that unless an extension is granted, financial documents must be lodged in the Industrial Registry within 14 days of the meeting at which they were presented - refer section 268.

It should be noted that the Industrial Registrar attaches importance to reporting units both fully satisfying the obligations under Schedule 1B and to those obligations being discharged within the requisite timeframes. Your reporting unit should therefore ensure that future financial returns <u>fully satisfy</u> the above obligations.

Electronic Lodgement

I encourage you to take advantage of the electronic lodgement service provided by the Registry for future lodgements. You may register as a user and then lodge your documents via the Electronic Lodgement page of the AIRC website at www.airc.gov.au. Alternatively, you may send an email with the documents attached to riateam3@air.gov.au.

Should you wish to discuss this letter or if you require further information on the financial reporting requirements of the Act, I may be contacted on (03) 8661 7993 or by email at larry.powell@air.gov.au.

Yours sincerely,

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE 2005

1 Statement of Significant Accounting Policies

This financial report is a general purpose financial report of the Victorian Authorities and Services Branch ("the Branch") of the Australian Municipal Administrative Clerical and Services Union ("Australian Services Union"), an organisation registered under the Workplace Relations Act 1996.

The accounts of the Branch have been prepared in accordance with Australian Accounting Standards, Urgent Issues Group Consensus Views and the reporting requirements of the Workplace Relations Act 1996.

The following is a summary of the material accounting policies adopted by the Branch in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Basis of Accounting

The accounts have been prepared on the basis of historical cost and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

Revenue Recognition

Membership income from subscriptions is received evenly throughout the period and is accounted for on a cash basis as and when received in accordance with Section 252 of the RAO Schedule.

Bank interest and rent is brought to account on an accruals basis as and when the Branch becomes entitled to such income.

Other revenue from the rendering of services or the provision of goods is recognised upon the delivery of those services or goods.

Income Tax

The Branch is exempt from tax on all income under Sec 50-15 of the Income Tax Assessment Act 1997 and, accordingly, does not have a liability for income tax.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at historical cost or fair value less, where applicable, any accumulated depreciation.

The carrying amount of property, plant and equipment is reviewed annually by the Branch to ensure it is not in excess of the recoverable amount of those assets. The recoverable amount is assessed on the basis of expected net cash flows which will be received from the employment and subsequent disposal or sale of those assets.

Depreciation

Property plant and equipment (other than freehold land and property held for investment purposes) are depreciated over their estimated effective lives at the following average rates -

Buildings 2.5% F

Motor Vehicles purchased pre 1st July 2002 22.5% DV, post this date 18.75% DV

Furniture & Equipment various

Property held for investment purposes is not subject to a depreciation charge.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE 2005

Provisions

Provision is made in the accounts for the liability of the Branch for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from annual leave, long service leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured based upon their estimated future cash outflows. Contributions are made by the Branch to an employee superannuation fund and are brought to account as and when incurred.

Cash

For the purposes of the statement of cash flows, cash includes cash on hand, cash at bank and cash on deposit with a bank or other financial institution and readily convertible to cash.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the assets or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Comparatives

Where necessary, comparative information has been reclassified to achieve consistency in disclosure with current financial year information and other disclosures.

Workplace Relations Act 1996

In accordance with the requirements of the Workplace Relations Act 1996, the attention of members is drawn to the provisions of sub-sections (1), (2) and (3) of Section 272, which reads -

- (1) A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

b) Remuneration

The aggregate amount of remuneration paid by the Branch to office-holders during the financial year was the amount as set out in Note 7 of these accounts. In addition, allowances of \$900 were paid to office-holders for attending National Conference and this appears under Delegates Expenses in the Statement of Financial Performance.

There were no other transactions between the Branch and officers during the year other than those related to their membership of or employment with the Branch and on terms no more favourable than those for which it would be reasonable to expect would have been adopted by the parties dealing at arms-length.

(c) Other Transactions

The Victorian Authorities and Services Branch is a branch of the Australian Municipal Administrative Clerical and Services Union and paid capitation fees and interest on borrowings (including repayment of \$650,000 on the loan principal) to the ASU National Office as shown in the accounts together with its respective share of building outgoings and other re-charges incurred by the Union, all on terms for which it would be reasonable to expect would have been adopted by the parties dealing at arms-length.

The Victorian Government response

This advert was placed in all daily and regional press. It speaks for itself.

ASU Branch Executive
President Russell Atwood
welcomed the State
Government's views, "I
represent the ASU on
the joint union/Victorian
Government Public Sector
Committee. We have been
pressing the Victorian
Government to make a
stand.

"We hope that the State Government will do whatever is in its power to ensure public sector worker conditions and rates of pay are protected from the Howard Government extreme changes to Federal Workplace Laws".

Want to work longer hours for less pay?

The Federal Government's proposed changes to the industrial relations system will have a devastating impact on the future security of Victorian working families.

The changes will mean:

- > Wages can be cut, with no fair minimum wage;
- > Nearly one million Victorian workers will no longer have access to unfair dismissal protections;
- > Overtime rates, annual leave loading, redundancy pay and penalty rates for weekends, night shifts and public holidays will all be up for graps; and
- > Breaks during our between shifts will not be guaranteed.

New workers could be offered a contract inferior to the relevant award and told to take it or leave it.

If you don't know what your current employment arrangements are, you should contact your union, Federal WageLine (1300 363 264) or Job Watch (03 9662 1933 or regional 1800 331 617) for advice.

If you're concerned about Canberra's workplace changes, contact your local Federal Member of Parliament.
