Dear Ms Stitt,

# Australian Municipal, Administrative, Clerical and Services Union, Victorian Private Sector Branch - Financial Report for the year ended 30 June 2014 [FR2014/306]

I acknowledge receipt of the financial report of the Australian Municipal, Administrative, Clerical and Services Union, Victorian Private Sector Branch. The documents were lodged with the Fair Work Commission on 14 November 2014.

The financial report has now been filed. You are not required to take any further action in respect of the report lodged.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and Reporting Guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2015 may be subject to an advanced compliance review.

#### **Reporting Requirements**

A number of factsheets in relation to the financial reporting process and associated timelines are available on the FWC website. The most recent copy of the Reporting Guidelines and a model set of financial statements can also be found. The FWC recommends reporting units use this model as it will assist in ensuring compliance with the *Fair Work (Registered Organisations) Act 2009*, the s.253 Reporting Guidelines and the Australian Accounting Standards. Access to this information may be obtained via <u>this link</u>.

Should you wish to discuss this letter, or if you require further information on the financial reporting requirements of the Act, I may be contacted on (03) 8661 7942 or via email at <a href="mailto:rebecca.lee@fwc.gov.au">rebecca.lee@fwc.gov.au</a>.

Yours sincerely,

#### 1. Summary of significant accounting policies

#### 1a Basis of preparation of the financial statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the *Fair Work (Registered Organisation) Act 2009.* For the purpose of preparing the general purpose financial statements, the Australian Services Union – Victorian Private Sector Branch is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

#### 1b Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

#### 1c Significant accounting judgements and estimates

The preparation of financial statements requires the Branch to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

#### 1d New Australian Accounting Standards

#### Adoption of New Australian Accounting Standard Requirements

No accounting standard has been adopted earlier than the application date stated in the standard.

The accounting policies adopted are consistent with those of the previous financial year.

#### Future Australian Accounting Standards Requirements

There were no new standards, amendments to standards or interpretations that were issued prior to the sign-off date and are applicable to the future reporting period that are expected to have a future financial impact on Australian Services Union – Victorian Private Sector Branch

#### 1e Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from subscriptions is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

Revenue from the sale of goods is recognised when, the risks and rewards of ownership have been transferred to the buyer, the entity retains no managerial involvement or effective control over the goods, the revenue and transaction costs incurred can be reliably measured, and it is probable that the economic benefits associated with the transaction will flow to the entity.

Interest revenue is recognised on an accrual basis using the effective interest method.

All revenue is stated net of the amount of goods and services tax (GST).

#### 1f Gains

#### Sale of assets

Gains and losses from disposal of assets are recognised when control of the asset has passed to the buyer.

#### 1g Capitation fees and levies

Capitation fees and levies are to be recognised on an accrual basis and recorded as a revenue and/or expense in the year to which it relates.

#### 1h Employee benefits

Provision is made for the Union's liability for employee benefits arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and long service leave which will be settled after one year have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at their expected present value of the estimated future cash outflows to be made for those entitlements.

Contributions made by the Union to employee superannuation funds are charged as expenses when incurred.

#### 1i Leases

Lease payments for operating leases, where substantially all the risks and rewards of ownership remain with the lessor, are charged as expenses in the period in which they are incurred.

#### 1j Cash and cash equivalents

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the consolidated statement of financial position.

#### 1k Financial instruments

Financial assets and financial liabilities are recognised when the Union becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

#### 11 Financial assets

Financial assets are classified into the following specified categories: financial assets at fair value through profit or loss, held-to-maturity investments, available-for-sale financial assets and loans and receivables. The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

#### Held-to-maturity investments

Financial assets with fixed or determinable payments and fixed maturity dates that the reporting unit has the positive intent and ability to hold to maturity are classified as held-to-maturity investments. Held-to-maturity investments are measured at amortised cost using the effective interest method less any impairment.

#### Loan and receivables

Trade receivables, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method less impairment. Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

#### 11 Financial assets (continued)

#### Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, or, when appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest rate basis except for debt instruments other than those financial assets that are recognised at fair value through profit or loss.

#### Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

For certain categories of financial asset, such as trade receivables, assets that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables could include the reporting units past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of 60 days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

#### Derecognition of financial assets

The Union derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss.

### 1m Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities.

#### Other financial liabilities

Other financial liabilities, including borrowings and trade and other payables, are initially measured at fair value, net of transaction costs. Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

#### Derecognition of financial liabilities

The Union derecognises financial liabilities when, and only when, the Union's obligations are discharged, cancelled or they expire. The difference between the carrying amounts of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

#### 1n Plant and equipment

Plant and equipment are brought to account at cost less, where applicable, any accumulated depreciation or amortisation.

#### Depreciation

The depreciable amount of plant and equipment is depreciated on either a straight line or diminishing value basis over their useful lives commencing from the time the asset is held ready for use.

The depreciation rates used for each class of asset are:

| Class of Fixed Asset           | Depreciation Rate |
|--------------------------------|-------------------|
| Computer Equipment             | 15 - 66.67%       |
| Motor Vehicles                 | 18.75% - 25%      |
| Office Furniture and Equipment | 7.5% - 45%        |
| Leasehold Improvements         | 20%               |

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. Gains and losses on disposal are determined by comparing proceeds with the carrying amount. These gains and losses are included in the profit or loss in the statement of comprehensive income.

#### 10 Taxation

The Union is exempt from income tax under Section 50.1 of the Income Tax Assessment Act 1997 however still has obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables, in the statement of financial position are shown inclusive of GST.

#### 2. Events after the reporting period

There were no events that occurred after 30 June 2014, and/or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of Australian Services Union – Victorian Private Sector Branch.

As part of its tenancy agreement the ASU-Victorian & Tasmanian Authorities & Services Branch agreed to an interest free loan to the Branch for the cost of fitout for its new premises. This loan is to be repaid over a 60 month term.

#### Terms and conditions of transactions with related parties

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances for sales and purchases at the year end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 30 June 2014, the ASU Victorian Private Sector Branch has not recorded any impairment of receivables relating to amounts owed by related parties and declared person or body (2013: \$Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

### 16. Financial instruments

The Union's activities expose it to the primary financial risks of liquidity, credit and interest rate risk. The Union's overall risk management approach is to identify the risks and implement safeguards which seek to minimise potential adverse effects on the financial performance of the Union.

#### Liquidity Risk

Liquidity risk is the risk that the Union may not be able to meet its financial obligations as they fall due. The Union has both short term and long term investments which enable sufficient cash to be available to settle obligations as they fall due.

#### Credit Risk

Credit risk is the risk of financial loss to the Union if a member or counterparty to a financial instrument fails to meet its contractual obligations. The Union has exposure to credit risk through its receivables, investment in term deposits and deposits with banks. Credit risk for the Union is \$14,963 (2013: \$45,039) arising from total receivables (see note 6), \$998,454 (2013: \$958,209) arising from term deposits (see note 7), and \$557,737 (2013: \$392,974) arising from cash with banks (see note 5).

#### Interest Rate Risk

Interest rate risk is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates. The Union's interest rate risk arises from cash at bank and term deposits and at 30 June 2014 is \$1,556,191 (2013: \$1,351,003).

### INDEPENDENT AUDIT REPORT TO THE MEMBERS OF AUSTRALIAN SERVICES UNION VICTORIAN PRIVATE SECTOR BRANCH

We have audited the accompanying general purpose financial report of the Australian Services Union – Victorian Private Sector Branch for the year ended 30<sup>th</sup> June 2014 comprising Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Cash Flow Statement, Notes to and Forming Part of the Financial Statements and Committee of Management Statement.

### Committee of Management's Responsibility for the Financial Report

The Union's Committee of Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the Fair Work (Registered Organisations) Act 2009 and for such internal control as the Committee determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

Partners: David J. Eddy CPA Stephen J. Eedy CPA Suzanne J. Eddy CPA

Liability limited by a scheme approved under Professional Standards Legislation.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

#### **Audit Opinion**

In our opinion we have concluded that management's use of the going concern basis of accounting in the preparation of the Union's financial report is appropriate.

In our opinion the financial report presents fairly, in all material respects, the financial position as at 30 June 2014 and of its financial performance and cash flows for the year then ended and is in accordance with Australian Accounting Standards and the Fair Work (Registered Organisations) Act 2009.

Signed at Melbourne, this 16<sup>m</sup>

day of September 2014.
