Dear Sir

**Re: Australian Nursing and Midwifery Federation – New South Wales Branch
Notification of Changes [s233(2) of the Act]**

Section 233(2) of the *Fair Work (Registered Organisations) Act 2009* requires organisations to advise the General Manager of changes to office and office holders.

In accordance with the organisation's rules, an election (E2016/129) was conducted in September 2016 for the positions of Branch Secretary, Branch Assistant Secretary, Branch President, Branch Vice President, Branch Executive Members (4) and Branch Councillors (15). The terms of office for those elected commenced on 30 November 2016.

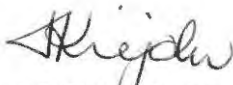

Documents detailing the full election results were prepared to forward to the Fair Work Commission, and to the New South Wales Industrial Registrar. Due to an administrative oversight they were not forwarded to the Fair Work Commission. We regret this omission.

Attached find:

- A statutory declaration detailing the outcome of election E2016/129, which incorporates the single change of office holders (Lee Taylor elected to Branch Council); and
- A copy of the letter and statutory declaration re: election E2016/129 forwarded to the NSW Industrial Registrar in December 2016.

If you have any queries, please contact Tony O'Grady, Manager Projects and Compliance, on 02 8595 2118.

Yours sincerely

Dear Ms Thomas,

Notification of changes made to records [AR2016/60]

I refer to correspondence I sent to you earlier today, which acknowledged the notification of changes to office holders of the ACT Branch that was lodged on 2 December 2016. Further information has now come to my attention and as a result **I now confirm that the notification of changes was lodged within 35 days of the date the changes took place, as required.** The particulars of the relevant notification are shown in the table below.

Date of lodgement	Branch	Change

The further information that came to my attention in relation to this matter was that advice was previously provided by James Hall of the Regulatory Compliance Branch of the Fair Work Commission to Jenny Miragaya of the ACT Branch of the Australian Nursing and Midwifery Federation. The advice was in response to a request by Ms Miragaya for clarification of when the changes took effect, for the purposes of ensuring that she was complying with the timeline requirement. Dear Jenny

Thanks for your query and your interest in your branch's compliance with its statutory obligations.

The required notification in this instance would be to indicate a *change* of office holders.

Rule 83.3 of the rules of the ANMF provides:

The Branch President, Branch Vice President, Branch Secretary and Branch Assistant Secretary (if any) and each of the four Branch Executive members and Branch Councillors shall assume office on the 30th November in the year of their election provided that where the result of the election for any or all of the said offices has not been declared before 30th November the successful candidate or candidates shall when the result is declared assume office forthwith.

A candidate elected to any of the aforesaid offices shall hold it in accordance with the Rules until the successor duly assumes the office pursuant to the Rules.

Therefore, any change of office holders will not occur until 30 November 2016 and the required notification will need to be made within 35 days of that date.

I have attached a template declaration which can be found at <https://www.fwc.gov.au/registered-organisations/fact-sheets-templates-webinars>

Please edit the declaration to suit your circumstances. Annexure A should be completed given your circumstances. The template includes some example text to use.

I hope this answers your query.

Regards

James

Subject: FW: ANMF ACT Branch - Declaration of Results for Uncontested Offices [DLM=For-Official-Use-Only] Reporting requirements

Dear James

I am unsure to whom to address this information and if I am required to attach to a formal letter notifying the Commission of the results of the recent, uncontested election, held in respect of the ANMF ACT Branch, or if I need to wait for the Post Election Report from the AEC.

Although the information you provided me on 4 April indicated that under section 233 (2) of the *Fair Work (Registered Organisations) Act 2009* I was required to notify changes to officers as a result of elections within 35 days, I have been unable to locate the required template on the website, and it is not clear to me if the 35 days relates to the information attached and received on 14 September, or from when the Post Election Report is received from the AEC, or from when the new Branch Council assumes office on 1 December 2016.

Your assistance in clarifying my responsibilities would be appreciated.

Kind regards

Dear Ms Miragaya

**Post-Election Report For: Australian Nursing and Midwifery Federation
ACT Branch – E2016/111**

I refer to the above election for your organisation.

Section 197(1) of the Fair Work (Registered Organisations) Act 2009 requires the AEC to provide a written report on the conduct of the election to the Delegate of the General Manager, Fair Work Commission and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of the Act requires that if an organisation or branch is given a post election report under section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached Report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to 'industrial.elections@aec.gov.au' within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the post election report and the organisation's response to the report (if applicable) available to members.

Further, Regulation 141(4) of the Fair Work (Registered Organisations) Regulations 2009 requires an organisation or branch to publish a notice on its web site advising members that a copy of the post election report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.
