Outstanding Annual Return of Information for Year 2002**

From the records held in the Industrial Registry it would seem that the Annual Return of Information for Year 2002 is outstanding in respect of the body specified above.

In accordance with subsection 268(3) of the *Workplace Relations Act 1996*, each organisation is required to lodge in the Industrial Registry certain information relating to records required to be kept by the organisation under subsection 268(1) of the Act and regulation 102 of the Workplace Relations Regulations. Such information must be lodged once in each year at any time during the period of three months commencing 1 January.

As there is a mandatory obligation on organisations to supply this information, you are requested to lodge the outstanding information under cover of a statutory declaration by *10 May, 2002*.

A summary of the information required to be lodged annually is set out in the accompanying document. Notifications of changes to the annual information required to be lodged under subsection 268(4) are also summarised in the accompanying document.

Should you wish to discuss this matter, please do not hesitate to contact me on (03) 8661 7822.
