Dear Ms Mohle,

Annual return of information for the year 2013 - AR2013/135

I acknowledge receipt of your Declaration dated 25 February 2013 providing information in accordance with subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The documents lodged on 25 February 2013 cover the required information for the 2013 annual return of the Australian Nursing Federation - QNU Branch.

The annual return of information has now been filed and will be placed on a website maintained by the Fair Work Commission at <http://www.e-airc.gov.au/145vqld/>.

To assist with the preparation of annual returns in future years, I make the following comments.

'Correct statement' of information contained in records

Subsection 233(1)(b) of the RO Act provides that an organisation must lodge a copy of the records required to be kept under paragraphs 230(1)(b), (c) and (d) certified by declaration to be a correct statement of the information contained in those records. For future annual returns, please ensure that the declaration includes a paragraph that would satisfy the requirements.

Elections

Regulation 147(e) of the *Fair Work (Registered Organisations) Regulations 2009* provides that a record of each election that must be held during each year commencing 1 January be provided. I note that a record of the election held in the previous year, 2012, was provided. In future years, please ensure that you include a record of any elections which are required to be held from 1 January in the current year. If no elections are required to be held, please include a statement to such effect.

If you have any queries in relation to the above, please contact me by email at ingrid.fraser@fwc.gov.au or by telephone on (03) 8661 7944.

Yours sincerely
