Dear Ms Mohle,

**Australian Nursing and Midwifery Federation-QNU Branch
Financial Report for the year ended 30 June 2014 [FR2014/309]**

I acknowledge receipt of the financial report of the Australian Nursing and Midwifery Federation-QNU Branch. The documents were lodged with the Fair Work Commission on 4 December 2014.

The financial report has now been filed. You are not required to take any further action in respect of the report lodged.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and Reporting Guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2015 may be subject to an advanced compliance review.

Reporting Requirements

A number of factsheets in relation to the financial reporting process and associated timelines are available on the FWC website. The most recent copy of the Reporting Guidelines and a model set of financial statements can also be found. The FWC recommends reporting units use this model as it will assist in ensuring compliance with the *Fair Work (Registered Organisations) Act 2009*, the s.253 Reporting Guidelines and the Australian Accounting Standards. Access to this information may be obtained via [this link](#).

If you have any queries regarding this letter, please contact me on (03) 8661 7942 or via email at rebecca.lee@fwc.gov.au.

Yours sincerely,

Rebecca Lee

INDEPENDENT AUDITOR'S REPORT

To the Committee of Management of Australian Nursing & Midwifery Federation (QNU Branch)

Report on the Financial Report

We have audited the accompanying financial report of the Australian Nursing & Midwifery Federation (QNU Branch) which comprises the Statement of Committee of Management, Income Statement, Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes to Equity, Cash Flow Statement, Notes to the financial statements and the Statement of the Committee Management.

The Committee Managements' Responsibility for the Financial Report

The Committee of Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the Fair Work (Registered Organisations) Act 2009 and for such internal control as the Committee of Management determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

The financial report has been prepared for the distribution to members of the Association for the purpose of fulfilling the requirements of subsections 265(1) and 265(5) of the Fair Work (Registered Organisations) Act 2009 in relation to the financial report and independent auditors' report.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by The Committee of Management, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

Opinion

In our opinion the financial report presents fairly, in all material respects, the financial position of Australian Nursing & Midwifery Federation (QNU Branch) as at 30 June 2014, its financial performance and cash flows for the year then ended in accordance with Australian Accounting Standards and requirement imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009.

Report on Other Legal and Regulatory Requirements

In our opinion:

- Management's use of the going concern basis of accounting in the preparation of the reporting unit's financial statement is appropriate.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the requirements of subsections 265(1) and 265(5) of the Fair Work (Registered Organisations) Act 2009. As a result, the financial report may not be suitable for another purpose.

STATEMENT BY MEMBERS OF THE COMMITTEE

On the 17th.. day of October 2014 the Committee of Management of Australian Nursing and Midwifery Federation QNU Branch (ANMF QNU Branch) passed the following resolution in relation to the general-purpose financial report (GPFR) of the Branch for the financial year ended 30 June 2014.

The Committee of Management declares in relation to the GPFR that in its opinion:

- a) The financial statements and notes comply with the Australian Accounting Standards;
- b) The financial statements and notes comply with the reporting guidelines of the General Manager of Fair Work Australia;
- c) The financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- d) There are reasonable grounds to believe the reporting unit will be able to pay its debts as and when they become due and payable;
- e) During the financial year to which the GPFR relates and since the end of that year:
 - i. Meetings of the Committee of Management were held in accordance with the rules of the organisation including the rules of the branch concerned;
 - ii. The financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of the branch concerned;
 - iii. The financial records of the reporting unit have been kept and maintained in accordance with the Fair Work (Registered Organisations) Act 2009 and the Fair Work (Registered Organisations) Regulations 2009;
 - iv. The information sought in any request of a member of the reporting unit or the General Manager of Fair Work Australia duly made under section 272 of the Fair Work (Registered Organisations) Act 2009 has been furnished to the member or the General Manager of Fair Work Australia;
 - v. There has been compliance with any order for inspection of financial records made by the Commission under section 273 of the Fair Work (Registered Organisations) Act 2009.

f) In relation to recovery of wages activity:

- i. The financial report on recovery of wages activity was not prepared because wages were paid directly to workers. No revenue is derived from this activity; and
- ii. No fees or reimbursements of expenses in relation to recovery of wages activity or donations or other contributions were received from monies recovered from employers on behalf of workers.

Notes to the Financial Statements For the Year Ended 30 June 2014

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards and Australian Accounting Interpretations adopted by the Australian Accounting Standards Board and the requirements of the Fair Work (Registered Organisations) Act 2009. The financial report covers Australian Nursing and Midwifery Federation QNU Branch as an individual entity.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions to which they apply. Compliance with Australian Accounting Standards ensures that the financial policies adopted in the preparation of these financial statements as presented below and have been consistently applied unless otherwise stated. For the purpose of preparing these financial statements, the Australian Nursing and Midwifery Federation QNU Branch is a not-for-profit entity.

The financial report has been prepared on an accruals basis and is based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Accounting Policies

(a) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

The carrying amount of plant and equipment is reviewed annually by the committee of management to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to their present values in determining recoverable amounts.

(b) Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised leased assets, but excluding freehold land, is depreciated using either the diminishing value method or on a straight line basis over their estimated useful lives to the organisation commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of assets are:

Buildings	2.5%
Plant and Equipment	10% - 37.5%

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

(c) **Operating Leases**

Lease payments for operating leases, where substantially all the risks and benefit remain with the lessor, are charged as expenses in the periods in which they are incurred.

(d) **Taxation**

The income of the ANMF QNU Branch is exempt from income tax.

(e) **Financial Instruments**

Recognition and Initial Measurement

Financial instruments, incorporating financial assets and financial liabilities, are recognised when the Branch becomes a party to the contractual provisions of the instrument. Financial instruments are initially measured at fair value plus transactions costs.

Classification and Subsequent Measurement

Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the Branch's intention to hold these investments to maturity. They are subsequently measured at amortised cost using the effective interest rate method.

Financial Liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost using the effective interest rate method.

Impairment

At each report date, the Branch assesses whether there is objective evidence that a financial instrument has been impaired. Impairment losses are recognised in the Statement of Comprehensive Income.

(f) **Key accounting estimates**

The Branch evaluates estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Branch.

Key estimates – Impairment

The Branch assesses impairment at each reporting date by evaluating conditions specific to the group that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

Australian Nursing and Midwifery Federation QNU Branch

Notes to the Financial Statements For the Year Ended 30 June 2014

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

(g) Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to confirm with changes in presentation for the current financial period (12 months).

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown exclusive of GST.

(i) Revenue

Capitation income is recognised when the Queensland Nurses' Union of Employees is invoiced.

(j) Accounting Standards for application in future periods

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have a mandatory application dates for future reporting periods, some of which may be relevant to the Branch. ANMF QNU Branch has decided not to early adopt any of the new and amended pronouncements. The assessment of the new and amended pronouncements that are relevant to the Branch but applicable in future reporting periods is set out below:

- AASB 13 Fair Value Measurement (effective annual reporting periods commencing on or after 1 January 2013):
Currently, fair value measurement requirements are included in several Accounting Standards. AASB 13 establishes a single framework for measuring fair value of financial and non-financial items recognised at fair value in the statement of financial position or disclosed in the notes in the financial statements.

Additional disclosures required for items measured at fair value in the statement of financial position, as well as items merely disclosed at fair value in the notes to the financial statements. Extensive additional disclosure requirements for items measured at fair value that are 'level 3' valuations in the fair value hierarchy that are not financial instruments, e.g. land and buildings, investment properties etc.

The union has yet to conduct a detailed analysis of the differences between the current fair valuation methodologies used and those required by AASB 13. However, when this standard is adopted for the first time for the year ended 30 June 2014, there is no impact on the financial statements because the revised fair value measurement requirements apply prospectively from 1 July 2013.

Australian Nursing and Midwifery Federation QNU Branch

Notes to the Financial Statements For the Year Ended 30 June 2014

(j) Accounting Standards for application in future periods (Cont'd)

- AASB 19 (effective annual reporting periods commencing on or after 1 January 2013):
Main changes include:
 - Elimination of the 'corridor' approach for deferring gains/losses for defined benefit plans
 - Actuarial gains/losses on remeasuring the defined benefit plan obligation/asset to be recognised in OCI rather than in profit or loss, and cannot be reclassified in subsequent periods
 - Subtle amendments to timing for recognition of liabilities for termination benefits
 - Employee benefits expected to be settled (as opposed to due to be settled under current standard) wholly within 12 months after the end of the reporting period are short-term benefits, and therefore not discounted when calculating leave liabilities. Annual leave not expected to be used wholly within 12 months of end of reporting period will in future be discounted when calculating leave liability.

The Union currently calculates its liability for annual leave employee benefits on the basis that it is due to be settled within 12 months of the end of the reporting period because employees are entitled to use this leave at any time. The amendments to AASB 19 require that such liabilities be calculated on the basis of when the leave is expected to be taken, i.e. expected settlement.

When this standard is first adopted for the 30 June 2014 year end, annual leave liabilities will be recalculated on 1 July 2012 as long-term benefits because they are not expected to be settled wholly within 12 months after the end of the reporting period. This will result in a reduction of the annual leave liabilities recognised on 1 July 2012, and a corresponding increase in retained earnings at that date.

Comparatives for the year ended 30 June 2013 will also be restated.

Notes to the Financial Statements For The Year Ended 30 June 2014

(a) Credit Risk

Credit is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

Credit risk arises on trade and other receivables. The objective of the ANMF QNU Branch is to minimise exposure to credit risk.

The ANMF QNU Branch does not have any material credit risk exposure to any single debtor or group of debtors.

	Year Ended 30 June 2014	Year Ended 30 June 2013
	\$	\$
<i>Financial assets – cash flows realisable</i>		
Trade Debtors		
– Within 12 months	-	-
