

FAIR WORK COMMISSION

9 May 2014

Ms Neroli Ellis Secretary, Tasmanian Branch Australian Nursing Federation 182 Macquarie Street HOBART TAS 7000

Dear Ms Ellis.

### Re: Lodgement of Financial Statements and Accounts - Australian Nursing Federation, Tasmanian Branch - for year ended 30 June 2013 (FR2013/170)

I refer to the above financial statements and accounts which were lodged with the Fair Work Commission ('FWC') on 29 November 2013. I also acknowledge receipt of an amended operating report, and an amended Designated Officer certificate following presentation of the report to a meeting of the Branch Council on 2 May 2014, as directed.

The financial report has now been filed. The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the Fair Work (Registered Organisations) Act 2009 (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2014 may be subject to an advanced compliance review.

I make the following comments to assist you when you next prepare a financial report. You are not required to take any further action in respect of the report lodged. The Fair Work Commission will confirm these concerns have been addressed prior to filing next year's report.

### Documents must be lodged with the Fair Work Commission within 14 days of Meeting under s266

Please note that section 268 of the RO Act requires that the full report and the designated officer's certificate must be lodged with the Fair Work Commission within 14 days of the second meeting held in accordance with section 266. Designated Officer's certificates must not be signed or made prior to the events to which they refer.

### Auditor's report: declaration regarding going concern

Paragraph 45 of the reporting guidelines requires an auditor to include in the auditor's statement a declaration that as part of the audit of the financial statement they have concluded that management's use of the going concern basis of accounting in the preparation of the reporting unit's financial statements is appropriate. This declaration was not included in the auditor's statement.

Disclosure of employee expenses/benefits to office holders and other employees

The Reporting Guidelines require reporting units to disclose in the statement of comprehensive income or in the notes to the financial statements specific categories of employee expenses to holders of office (item 17(f)) and employee expenses to other employees (item 17(g)).

I note that the statement of comprehensive income only discloses balances for the expense categories of salaries and superannuation for office-holders and for other employees. Balances (including any nil balances)<sup>1</sup> for all the prescribed categories must be disclosed or a statement that particular categories/activities did not occur must be included.<sup>2</sup>

The Reporting Guidelines also require either the statement of financial position or the notes to disclose specific categories of liability for employee benefits in respect of office holders and other employees (items 21(c) and 21 (d)). Note 8 only discloses these liabilities as current or noncurrent provisions. In future years please ensure that provisions for office holders and other employees are disclosed for all the prescribed categories, or a statement that particular categories/activities did not occur made.<sup>3</sup>

Should you wish to discuss the matters raised in this letter, or if you require further information on the financial reporting requirements of the Act, I may be contacted on (02) 6723 7237 or by email at stephen.kellett@fwc.gov.au

Yours sincerely

FAIR WORK COMMISSION

13 April 2014

Ms Neroli Ellis Secretary, Tasmanian Branch Australian Nursing Federation **182 Macquarie Street** HOBART TAS 7000

Dear Ms Ellis.

### Re: Lodgement of Financial Statements and Accounts - Australian Nursing Federation, Tasmanian Branch - for year ended 30 June 2013 (FR2013/170)

I refer to the above financial statements and accounts which were lodged with the Fair Work Commission ('FWC') on 29 November 2013. I draw your attention to the following, for action:

### Presentation of documents

The Designated Officer's certificate certified that the full report was presented to Branch Council on 1 November 2013 "in accordance with s266". I note however that the auditor did not sign her report until 7 November 2013. On the face this means that the full report (which includes the auditor's report<sup>1</sup>) could not have been presented on 1 November. Presentation may take place at the first meeting of the committee but only if the auditor has also signed her audit report at that time.

If the full report was presented after the auditor signed her report, please lodge an amended Designated Officer Certificate certifying the correct date as soon as practicable.

If the full report was not presented at any time after the auditor signed her report, I must ask you to take steps to present the full report to the next scheduled meeting of Branch Council, and to lodge an amended Designated Officer Certificate with FWC within 14 days of that meeting.

### Non compliance with previous request

While I filed last year's financial report, I raised an issue for the reporting unit to address in the preparation of future financial reports. That issue concerned the review of the results of the principal activities required by subsection 254(2)(a) of the RO Act.<sup>2</sup> I explained that this review concerned results, of a non-financial nature, of the activities set out in the operating report. I note however that the 2013 operating report only refers to a financial operating result and omits any reference to results from "industrial advocacy and services" and/or the "activities and services that address the various objectives and targets set for them" at items 1(i) and 1(vi).

The Fair Work Commission aims to assist reporting units in complying with their obligations under the RO Act and Reporting Guidelines, by providing advice about errors or shortcomings

<sup>&</sup>lt;sup>1</sup> See sub-section 265(1) which defines the full report as *"consisting of (i) a copy of the report of the auditor....etc"* 

<sup>&</sup>lt;sup>2</sup> See sub-section 254(2) "The operating report must (a) contain a review of the reporting unit's principal activities during the year, the results of those activities and any significant changes in the nature of those activities during the year..." (emphasis added)

identified in financial reports. The financial report will be filed when the above mentioned issue has been addressed.

I request you therefore to lodge with FWC an amended Operating Report that includes a statement or any relevant information about any non-financial results or outcomes from the Branch's industrial advocacy and other services.

Should you wish to discuss the matters raised in this letter, or if you require further information on the financial reporting requirements of the Act, I may be contacted on (02) 6723 7237 or by email at <a href="mailto:stephen.kellett@fwc.gov.au">stephen.kellett@fwc.gov.au</a>

Yours sincerely

### Statement by the Branch Committee

On the  $\int N$  ovember 2013, the Committee of the Australian Nursing and Midwifery Federation Tasmanian Branch passed the following resolution in relation to the general purpose financial report (GPFR) of the reporting unit for the period ended 30 June 2013.

The Committee declares in relation to the GPFR that in its opinion:

- 1. The financial statements and notes comply with the Australian Accounting Standards;
- 2. The financial statements and notes comply with the reporting guidelines of the General Manager;
- 3. The financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- 4. There are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable;
- 5. During the financial year to which these GPFR relate and since the end of that year:
  - i) meetings of the Committee were held in accordance with the rules of the organisation including the rules of the Branch concerned; and
  - ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of the Branch concerned; and
  - iii) the financial records of the reporting unit have been kept and maintained in accordance with *Fair Work* (*Registered Organisations*) *Act* 2009 and the *Fair Work* (*Registered Organisations*) *Regulations* 2009; and
  - iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and
  - v) where information has been sought in any request of a member of the reporting unit or the General Manager duly made under section 272 of the *Fair Work (Registered Organisations) Act 2009* has been provided to the member or General Manager; and
  - vi) no orders have been made by the Fair Work Commission under section 273 of the Fair Work (Registered Organisations) Act 2009 during the period.
- 6. There was no recovery of wages activity for the financial year.

Signed in accordance with a resolution of the Members of the Committee:

### Notes to the Financial Statements

For the Year Ended 30 June 2013

### **1** Summary of Significant Accounting Policies

### (a) General information

The financial report covers the Australian Nursing and Midwifery Federation Tasmanian Branch and its controlled entity as an individual entity.

This financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, and other authoritative pronouncements of the Australian Accounting Standards Board and the Fair Work (Registered Organsiations) Act 2009. The Branch is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The following is a summary of the material accounting policies adopted by the Branch in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

### **Principles of Consolidation**

The consolidated financial report incorporates the assets, liabilities and results of entities controlled by the Australian Nursing and Midwifery Federation Tasmanian Branch at the end of the reporting period. A controlled entity is any entity over which the Australian Nursing and Midwifery Federation Tasmanian Branch has the power to govern the financial and operating policies so as to obtain benefits from the entity's activities. Control will generally exist when a parent owns, directly or indirectly, more than half of the voting power of an entity. In assessing the power to govern, the existence and effect of holdings of actual and potential voting rights are also considered. The Nurses Club Limited is a 100% controlled entity of the Australian Nursing and Midwifery Federation Tasmanian Branch.

In preparing the consolidated financial statements, all inter-group balances and transactions between entities in the group have been eliminated on consolidation. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with those adopted by the parent entity.

#### **Changes in Presentation of the Financial Statements**

Following amendment to AASB 101 - Presentation of Financial Statements and AASB 127 - Consolidation and Separate Financial Statements, effective from 1 July 2013 (or early adoption available from 1 July 2009), the financial reporting requirements of the Group have been reduced. As a result of the reduction in disclosure requirements, the Group is not required to provide both Consolidated and Parent financial statement. The information disclosed in these financial statements relates to the consolidated entity only, unless otherwise stated.

### (b) Basis of Preparation

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Notes to the Financial Statements

For the Year Ended 30 June 2013

### 1 Summary of Significant Accounting Policies continued

### (c) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

When the Branch applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements, a statement of financial position as at the beginning of the earliest comparative period will be presented.

### (d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities in the statement of financial position.

#### (e) Fixed Assets

Property, plant and equipment are depreciated using both the straight line basis and the diminishing value basis over the useful lives of the assets to the Branch commencing from the time the asset is held ready for use.

The depreciation rates used for Property, Plant & Equipment range between 13-40% Diminishing Value and 7.5%-27% Straight Line.

The carrying amount of property, plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount of those assets.

The recoverable amount is assessed on the basis of expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to their present values in determining the recoverable amounts.

### (f) Impairment of Assets

At the end of each reporting period, the Branch reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

### (g) Trade and other payables

Trade and other payables are stated at cost, which approximates fair value due to the short term nature of these liabilities.

#### (h) Employee Benefits

Provision is made for the Branch's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the Branch to an employee superannuation fund and are charged as expenses when incurred.

### (i) Financial Instruments

#### (i) Financial Assets

All investments are initially recognised at cost, being the fair value of the consideration given and the costs of acquisition.

#### Subsequent to initial recognition:

Investments classified as held for trading are measured at fair value. Gains or losses on investments held for trading are recognised in the income statement.

Investments classified as held for available for sale are measured at fair value. Gains or losses on investments available for sale are recognised as a separate component of equity until the investment is sold or is determined to be impaired, at which time the cumulative gain or loss previously recognised in equity is included in the income statement.

Investments classified as held to maturity are measured at amortised cost using the effective interest method. Amortised cost is calculated by considering any discount or premium on acquisition, over the period to maturity. Gains or losses on investments held to maturity are recognised in the income statement when the investments are derecognised or impaired.

Fair values of quoted investments are determined by reference to current bid prices on recognised stock exchanges.

#### (ii) Subject to fluctuations in interest rates

The financial risk is the risk to the Branch's earnings that arises from fluctuations in interest rates and the degree of volatility of these rates. The Branch does not use derivative instruments to reduce its exposure to interest rate fluctuations.

### (iii) Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in raising funds to meet cash flow commitments associated with financial instruments.

### Notes to the Financial Statements

For the Year Ended 30 June 2013

### 1 Summary of Significant Accounting Policies continued

### (i) Financial Instruments continued

### (iv) Commodity Price Risk

The Branch's operations are not exposed to fluctuations in commodity prices.

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is the equivalent to the date that the the Branch commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

The Branch does not designate any interests in subsidiaries, associates or joint venture entities as being subject to the requirements of accounting standards specifically applicable to financial instruments.

### (j) Critical Accounting Estimates and Judgments

The Branch evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Branch.

The Branch assesses impairment at the end of each reporting period by evaluating conditions specific to the Branch that may be indicative of impairment triggers. There are no indicators of impairment as at 30 June 2013.

#### (k) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership that are transferred to entities in the Branch are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight line basis over the life of the lease term.

### Notes to the Financial Statements

For the Year Ended 30 June 2013

### 1 Summary of Significant Accounting Policies continued

### (I) Revenue

Subscriptions income is recognised over the period to which the subscription relates.

Interest revenue is recognised over the period for which the funds are invested.

Revenue from the provision of services is recognised when the right to be compensated for the service has been attained.

Rental income is recognised over the the period to which the rent relates.

Revenue received in the form of capital grant funds is recognised as income when received, while the expenditure relating to the capital funds has been capitalised in the Statement of Financial Position for the purpose for which the funds were received.

All revenue is stated net of the amount of goods and services tax (GST).

### (m) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a net basis, and the net movement in GST for the period shown as a separate operating cash flow. The GST components of investing and financing activities are disclosed as operating cash flows.

### (n) Income Tax

No provision for income tax has been raised as the Branch is exempt from income tax under Section 50-15 of the *Income Tax Assessment Act 1997.* 

#### (o) Notes to be provided to Members or the General Manager of Fair Work Australia

- i) A member of a reporting unit, or the General Manager of Fair Work Australia, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- ii) The application must be in writing and must specify the period within which, and the manner in which the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- iii) A reporting unit must comply with an application made under subsection (1).

### (p) Adoption of new and revised accounting standards

During the current year, the Branch adopted all of the new and revised Australian Accounting Standards and Interpretations applicable to its operations which became mandatory.

The adoption of these Standards has impacted the recognition, measurement and disclosure of certain transactions. The following is an explanation of the impact the adoption of these Standards and Interpretations has had on the financial statements of Australian Nursing and Midwifery Federation Tasmanian Branch.

Standard Name	Impact
AASB 2011-9 Amendments to Australian Accounting Standards - Presentation of Items of Other Comprehensive Income	The adoption of this standard has not change the reported financial position and performance of the entity, however the presentation of items in other comprehensive income has changed.
AASB 112 Income Taxes	There has been no impact on the reported financial position and performance.
AASB 2011-3 Amendments to Australian Accounting Standards - Orderly Adoption of Changes to the ABS GFS Manual and Related Amendments	There has been no impact due the entity not being a government department.

### (q) New accounting standards for application in future periods

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Branch has decided against early adoption of these standards. The following table summarises those future requirements, and their impact on the Branch:

Standard Name	Effective date for entity	Requirements	Impact
AASB 9 Financial Instruments and amending standards AASB 2010-7 / AASB 2012-6		financial assets and financial liabilities	The impact of AASB 9 has not yet been determined as the entire standard has not been released.

#### Specific Financial Risk Exposures and Management

The main risks the reporting unit is exposed to through its financial instruments are credit risk, liquidity risk and market risk consisting of interest rate risk, foreign currency risk and commodity and equity price risk.

# (a) Credit risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counter parties of contract obligations that could lead to a financial loss to the reporting unit. The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets, is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the Statement of Financial Position and notes to the financial statements.

The Australian Nursing and Midwifery Federation Tasmanian Branch does not have any material credit risk exposure to any single receivable or group of receivables under financial instruments entered into by the reporting unit.

# Notes to the Financial Statements

For the Year Ended 30 June 2013

## 10 Financial Risk Management continued

### (b) Liquidity risk

Liquidity risk arises from the possibility that the reporting unit might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The reporting unit manages risk through the following mechanisms:

- preparing forward looking cash flow analysis in relation to its operational, investing and financial activities;
- monitoring credit facilities;
- obtaining funding from a variety of sources; and
- maintaining a reputable credit risk profile.

#### (c) Interest rate risk

The Branch is not exposed to any significant interest rate risk.

#### (d) Foreign exchange risk

The Branch is not exposed to fluctuations in foreign currencies.

### (e) Price Risk

The Branch is not exposed to any material commodity price risk.

#### Sensitivity Analysis

The Committee has performed an assessment of its exposure to interest rate risk, liquidity risk and credit risk at balance date. Australian Nursing and Midwifery Federation Tasmanian Branch is not currently subject to any interest rate risk on its financial liabilities and has assessed that there is no exposure to liquidity risk required to meet its financial obligations. Australian Nursing and Midwifery Federation Tasmanian Branch's exposure to credit risk has been assessed as not material, due to the nature, collectability and recoverability of amounts owed.

As a result of the risk assessment performed, any positive or negative changes in the interest rate risk, liquidity risk or credit risk would not have a material effect on the financial statements. Hence quantitative disclosures are not required.

# 11 Key Management Personnel Compensation

The totals of remuneration paid to key management personnel of the Branch during the year are as follows:

	2013	2012	
	\$	\$	
Short term employee benefits	154,749	145,601	
Post-employment benefits - superannuation	20,982	19,928	
	175,731	165,529	

### (a) Compensation Practices

The Committee's policy for determining the nature and amount of compensation of key management for Australian Nursing and Midwifery Federation Tasmanian Branch is as follows:

The compensation structure for key management personnel is based on a number of factors, including length of service, particular experience of the individual concerned, and overall performance of the Branch. The contracts for service between the Branch and key management personnel are on a continuing basis, the terms of which are not expected to change in the immediate future. Upon retirement key management personnel are paid employee benefit entitlements accrued to date of retirement.

#### 12 Related Party Transactions

These transactions are in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties, and which in management's opinion is comparable to amounts that would have been paid to non related parties.

# Report on the Financial Statements

We have audited the accompanying financial report of Australian Nursing and Midwifery Federation Tasmanian Branch (the Association), which comprises the statement of financial position as at 30 June 2013, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the statement by Branch Committee.

### Branch Committees' Responsibility for the Financial Report

The Branch Committee of the reporting unit is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Fair Work (Registered Organisations) Act 2009.* This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Branch Committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Dear Ms Ellis,

# Re: Lodgement of Financial Report - [FR2013/170]

# Fair Work (Registered Organisations) Act 2009 (the RO Act)

The financial year of the Australian Nursing Federation-Tasmanian Branch (the reporting unit) ended on 30 June 2013.

This is a courtesy letter to remind you of the obligation to prepare and lodge the financial report for the reporting unit by the due date, namely 15 January 2014 (that is the period within 6 months and 14 days of the end of the financial year) under s.268 of the RO Act.

The RO Act sets out a particular chronological order in which financial documents and statements must be prepared, audited, provided to members and presented to a meeting. For your assistance, the attached *Timeline/Planner* summarises these requirements.

Fact sheets regarding financial reporting under the RO Act are provided on the Fair Work Commission website at: <u>Financial Reporting Fact Sheets</u>.

The documents can be emailed to <u>orgs@fwc.gov.au</u>. If it is envisaged that the financial report cannot be lodged by the due date you are requested to contact this office <u>prior</u> to the due date to discuss the issue.

It should be noted that s.268 is a civil penalty provision. Failure to lodge a financial report may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$33,000 for a body corporate and \$6,600 for an individual per contravention) being imposed upon an officer whose conduct led to the contravention and/or your organisation.

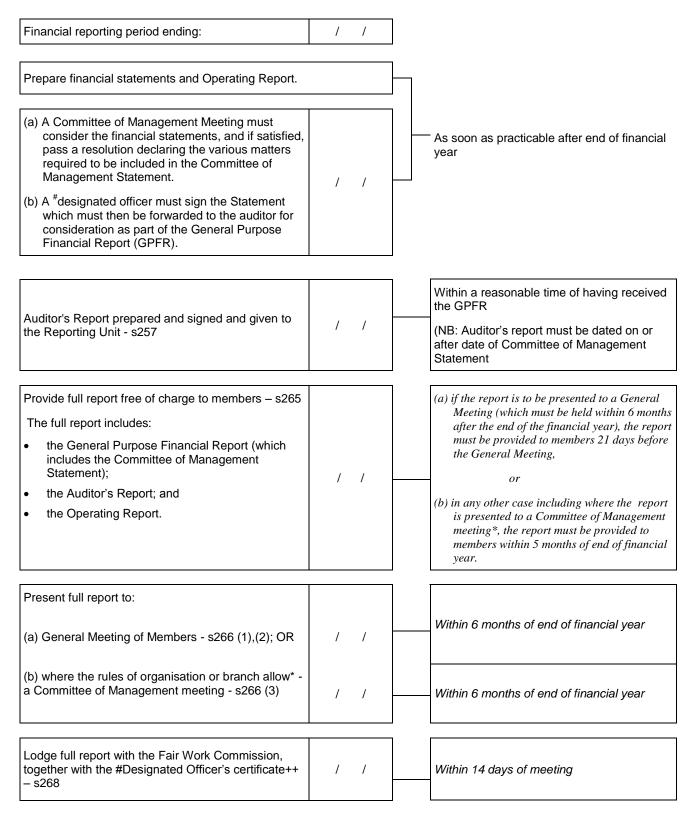

Should you seek any clarification in relation to the above, please contact me on (03) 8661 7936 or via email at <u>robert.pfeiffer@fwc.gov.au</u>.

Yours sincerely,

Robert Pfeiffer Senior Adviser Regulatory Compliance Branch
