To whom it may concern,

Re: New President – Australian Principals Federation (Victorian Branch)

I am writing to advise that consistent with the certified rules of the *Australian Principals Federation*, September 2007 and specifically the provisions of Section 47, clause 23 (b) I have assumed the role of President of the Victorian Branch of the Australian Principals Federation, effective 28th January 2015.

The office of Branch President, Victoria has become available as a result of the resignation of Mr Chris Cotching.

The Australian Principals Federation is a fully registered industrial organisation with *Fair Work Australia* with Branches in both Victoria and Western Australia. Furthermore, since the granting of full registration in January 2006 there has been increasing interest from other states, as our organisation seeks, in the future, to represent Principal Class Officers across the country.

Membership is currently open to Principal Class Officers in the Government School sector of the two constituent states. We have a legal fund to support members in employment related matters and much of our activity is in industrial representation. The APF provides advocacy, advice and support dealing with issues such as remuneration and classification, superannuation, contract renewal, workcover, complaints, discipline and performance matters. Additionally, given the School Improvement agenda of the current Government in Victoria we are very aware of the emergent and burgeoning demands placed upon Principal Class Officers and the related issues that challenge them on a daily and ongoing basis.

In the times ahead I look forward to engaging with you regarding matters of mutual interest and in relation to the support and welfare of Principal Class Officers across Victoria, as they continue to commit themselves to the development of Government Schools and improved student outcomes.

Please feel free to contact me if I can assist with progressing our mutual interests.

Yours sincerely,
