This information was lodged with the Registered Organisations Commission (the ROC) pursuant to the notification requirements in section 233(2) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The table below outlines the changes notified and when they were lodged. Our records have been updated accordingly. The document can be viewed on the Website through the [list of Registered Organisations](#).

It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Dear Luba Grigorovitch,

Notification of Change - AR2018/98

On 23 May 2019, the Victorian Branch of the Australian Rail, Tram and Bus Industry Union lodged with the Registered Organisations Commission (the ROC) a Notification of Change to the records of the branch. The change related to a resignation in the office 'Locomotive Division - Metropolitan Sub-Divisional Representative on Branch Divisional Committee'. The declaration was signed by an Industrial Officer of the organisation.

Section 233(2) of the Fair Work (Registered Organisations) Act 2009 (the RO Act) requires that the declaration be signed by the Secretary or another office holder whose duties under the rules of the organisation or branch includes keeping records. It does not appear from the organisation's rules that the position of 'Industrial Officer' is an office for the purposes of s. 9 of the RO Act, and therefore an Industrial Officer is not able to lodge Notifications of Change on behalf of the organisation.

We request that the branch lodges an amended Notification of Change at regorgs@roc.gov.au, ensuring that it is signed by the Secretary or other prescribed officer so that the Notification of Change can be filed.

Please feel free to contact me on 03 9954 2931 or at sam.gallichio@roc.gov.au.

Yours faithfully

I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

Late notification

The notification lodged on 25 July 2018 from your organisation indicates that changes occurred more than 35 days prior to its lodgement. Please ensure that future notifications of change are lodged within 35 days of the change occurring.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe.

Thank you for your correspondence.

Yours faithfully,

Sam Gallichio
Registered Organisations Commission

Mr Allan Barden
Australian Rail, Tram and Bus Industry Union
By email: abarden@rtbu.org.au

Dear Mr Barden,

Notification of changes made to records [AR2018/98]

I acknowledge receipt of a Notification of Change to the office holders of the Australian Rail, Tram and Bus Industry Union.

This information was lodged with the Registered Organisations Commission (the ROC) pursuant to the notification requirements in section 233(2) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The table below outlines the changes notified and when they were lodged. Our records have been updated accordingly. The document can be viewed on the Website through the [list of Registered Organisations](#).

Date of lodgement	Branch	Change	Within prescribed period (Yes/No). If No, how many days late
26/06/2018	National Office	Assistant National Secretary – Rail Operations Division	No – 215 days late

Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

Late notification

The notification from your organisation indicates that change occurred more than 35 days prior to its lodgement. Please ensure that future notifications of change are lodged within 35 days of the change occurring.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Dear Mr Barden,

Notification of changes made to records [AR2018/98]

I acknowledge receipt of a Notification of Change to the office holders of the South Australian and Northern Territory Branch of the Australian Rail, Tram and Bus Industry Union.

This information was lodged with the Registered Organisations Commission (the ROC) pursuant to the notification requirements in section 233(2) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The table below outlines the changes notified and when they were lodged. Our records have been updated accordingly. The document can be viewed on the Website through the [list of Registered Organisations](#).

Date of lodgement	Branch	Change	Within prescribed period (Yes/No). If No, how many days late
21/06/2018	South Australian and Northern Territory Branch	Branch Vice-President	YES

Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe.

Thank you for your correspondence.

Mr Allan Barden
Australian Rail, Tram and Bus Industry Union
By email: abarden@rtbu.org.au

Dear Mr Barden,

Declaration and information lodged under subsection 233(1) [Annual Return] for [AR2018/98]

I acknowledge receipt by the Registered Organisations Commission (the ROC) on 20 March 2018 of your organisation's Annual Return which provides information under subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

Thank you for providing your Annual Return.

The documents lodged provide most of the required information for the Annual Return of the Australian Rail, Tram and Bus Industry Union.

The Annual Return has been filed and no further action is required. Annual Returns are publicly available on the website through the [List of Registered Organisations](#).

The ROC aims to help organisations comply with all the requirements of subsection 233(1) of the RO Act. I make the following comments to assist with future lodgements:

- The list of office holders for the National Office indicates in the title that it is the list of office holders of the National Office as at 31 December 2017. The ROC's interpretation of the requirement in s.233(1)(b) and 230(1)(b) and (c) of the RO Act is that it refers to the **current offices and office holders as at the date the declaration is signed**.
- The Tasmanian Branch declaration provides the number of **financial** members (as at 31 December 2017), but does not provide the **total number of members** (financial and unfinancial) as required. The total number of members was provided in the table of national membership figures at 'Annexure B' of the annual return, and for this reason an amended Tasmanian Branch declaration was not required in this instance. I take this opportunity to advise you that for the purpose of an annual return it is not necessary to separately itemise the number of financial members, although it is acceptable for the organisation to do so. Only the total number of members, as at 31 December of the previous year is required, as prescribed by regulation 147(f) of the *Fair Work (Registered Organisations) Regulations 2009 (the RO Regs)*.
- Regulation 147(b) of the RO Regs provides that the prescribed records to be kept and lodged by organisations include a record of the name of **each branch that commenced operation** in the previous 12 months. The national office declaration does not provide a statement that no branches commenced operation; only a statement that no branches ceased operation during 2017 (pursuant to reg. 147(c) of the RO Regs). The declaration is sufficient for filing this year, as the declaration states that the organisation has 7 branches and lists their names and addresses, and there was no discrepancy identified in

comparison with our records. However, please ensure that next year's annual return declaration includes all of the required statements.

- All of the Branch declarations, except the amended NSW Branch declaration, state that the statements made are required by "the FWA (RO) Schedule". **Any statements citing legislation should refer to the current relevant legislation.** In this case, the current relevant legislation is the *Fair Work (Registered Organisations) Act 2009*.

Other things to be mindful of:

- The Branch declarations, except the amended NSW Branch declaration, also state that "a copy of records required to be **kept** under paragraphs 230(1)(b)(c) and (d) is a correct statement of the information contained in those records". These statements lack meaningful substance, and do not meet the statutory requirement because they do not refer to the copy of the records **lodged** with the statement. The amended declaration from the NSW Branch provides an example of the correct wording, as does the ROC's annual return template declaration, which is available from the [fact-sheets](#) page of our website. I note that the National Office declaration is the overarching declaration in the annual return, and the statements it makes are sufficient for filing this year's annual return. Nevertheless, I recommend following the template wording for national and branch declarations that are lodged with next year's annual return.
- It is acceptable for an annual return to include separate declarations from each Branch Secretary (or other prescribed officer), along with a declaration from the national office about the total number of members, as you have done. If multiple declarations are provided, they must be lodged together, as one annual return for the organisation with component sections, as you have done. As an alternative, it is also acceptable for only one declaration to be made, by the prescribed officer of the National office, including the required statements about the entire organisation. Either way, the important thing is to ensure that the information provided in each declaration is correct and consistent.

The ROC will examine next year's Annual Return to confirm that the matters giving rise to these concerns are not repeated. In order to assist organisations to fully comply with the requirements of subsection 233(1) of the RO Act, a template Annual Return is available on the [fact-sheets](#) page of our website. The Australian Rail, Tram and Bus Industry Union is encouraged to use this template.

Notifications of Change

Any changes to these records must be notified to the ROC within 35 days of the change. A template Notification of Change Declaration is available on the [fact-sheets](#) page of our website. The Australian Rail, Tram and Bus Industry Union is encouraged to use this template if any changes occur.

The ROC will accept notifications of change from the relevant branches or from the national office. If the national office of the Australian Rail, Tram and Bus Industry Union does NOT intend to file notifications of change, please ensure that all branches are aware of their continuing obligation to notify changes and the requisite time frames within which that must happen.

If a branch lodges a notification of change with the ROC, the branch should also provide the information to the national body in order to ensure that the organisation is able to comply with its obligations under section 233 of the RO Act.

If you have any queries regarding this correspondence I can be contacted on 1300 341 665 or by email at regorgs@roc.gov.au

Yours faithfully

Dear Commissioner.

Please find attached an **amended** submission of documentation in accordance with ss.230-233 of the Fair Work (Registered Organisations) Act 2009 [the "RO Act"], and Regulations 149-151 of the Fair Work (Registered Organisations) Regulations 2009 [the "RO Regulations"] for the Australian Rail, Tram and Bus Union trading as THE RAIL, TRAM & BUS UNION covering:

1. Statement in respect of the register of members of the Organisation.
2. Address of the office of the Organisation.
3. Addresses of the New South Wales, Queensland, Victorian, South Australian & Northern Territory, Tasmanian and West Australian Branches.
4. List of the Offices in the Organisation and of the persons holding those Offices.

Mr Bob Nanva
National Secretary
Australian Rail, Tram and Bus Industry Union

Sent via email: bnanva@rtbu.org.au

Dear Mr Nanva,

**Australian Rail, Tram and Bus Industry Union
Annual Return of Information for 2018 [AR2018/98]**

I refer to our letter dated 1 February 2018 reminding you of the obligation to lodge an Annual Return of Information (Annual Return). Please ignore this letter if you have lodged the Annual Return in the last few days.

When must you lodge the Annual Return?

The Annual Return 2018 must be lodged no later than **31 March 2018**.

What must you lodge?

Two signed declarations certifying matters prescribed in the Fair Work (Registered Organisations) Act 2009 (the RO Act) must be lodged along with copies of some of your records. The required declarations and records are set out in the table that follows this letter.

Please refer to our previous correspondence which provides information about maintaining the register of members, a recommendation that private information not be provided and which explains who must sign the declarations.

Consider using the ROC's template

The ROC provides a template Annual Return for an organisation without branches and a template Annual Return for an organisation with branches on our [Factsheets, templates and webinars](#) page. We recommend that you use this template to ensure that you make the correct declarations and include all the required information.

Failure to comply

Failure to comply with these obligations exposes your organisation to financial penalties (up to \$63 000 for a body corporate and \$12 600 for an individual per contravention), under s.305 of the RO Act.

Need more information?

If you require further information about an Annual Return you can refer to the [Annual returns](#) page on our website and, in particular, our Webinar slides. You can also contact the ROC by phone on 1300 341 665 or by e-mail at regorgs@roc.gov.au.

Yours sincerely

Sam Gallichio
Adviser
Registered Organisations Commission

Obligation to lodge Annual Return of Information by 31 March

For full details see ss.230-233 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act), and rr.147-151 of the *Fair Work (Registered Organisations) Regulations 2009* (the RO Regulations).

The following declarations and a copy of each of the following records must be lodged with the ROC between 1 January and 31 March each year.

Requirement	Details of requirement
Declaration regarding maintenance of Register of Members	A declaration by the Secretary or other prescribed officer certifying that the register of members has, during the immediately preceding calendar year, been kept and maintained as required by ss.230(1)(a) and (2) [s.233(1)(a)] Note: In maintaining the register of members, your attention is drawn to ss.171A and 230(2)(b) of the RO Act which sets out certain circumstances where membership ceases to exist and when their names must be removed from the register, and s.172 which sets out when unfinancial members must be removed from the register

Dear Mr Nanva,

**Australian Rail, Tram and Bus Industry Union
Annual Return of Information for 2018 [AR2018/98]**

This is a courtesy letter to remind you of the obligation to lodge an Annual Return of Information for 2018 in respect of the Australian Rail, Tram and Bus Industry Union by **31 March 2018**.

What must be lodged?

A signed and dated declaration certifying matters prescribed in the *Fair Work (Registered Organisations) Act 2009* (the RO Act) must be lodged with the Registered Organisations Commission (the Commission). The matters to be included in the declaration are set out in the attached checklist.

In maintaining the register of members, your attention is drawn to the circumstances where membership ceases to exist (s.230(2)(b) and s.171A of the RO Act).

Once an Annual Return has been lodged, a copy will be posted on our website at [List of Registered Organisations](#). Therefore, to protect the privacy of the relevant office holders listed in the declarations, it is recommended that officers list their official mailing address rather than personal home address.

Who must sign the declaration?

The declaration must be signed by the Secretary, or where applicable, such other elected official who is required under the rules or by resolution of the organisation, to keep the relevant records (other prescribed officer). A declaration signed by a non-elected person does not meet this requirement.

Who lodges the Annual Return of information?

Section 233 places the onus of lodgement on the organisation and not on each individual branch. It is therefore the national body that is obliged to collate and lodge all of the required information. Annual Return templates are available on the Commission website at [Registered Organisations fact sheets](#), one for an [organisation with branches](#) and one for an [organisation without branches](#).

What happens if the information changes?

The Secretary, or other prescribed officer, must notify the Commission within 35 days of any changes to such records that may occur throughout the year.

Failure to comply with these obligations is subject to a civil penalty provision (up to \$63,000 for a body corporate and \$12,600 for an individual per contravention), under s.305 of the RO Act.

Please do not hesitate to contact the Commission by phone on 1300 341 665 or by e-mail at regorgs@roc.gov.au if you wish to discuss the requirements outlined in this correspondence.

Yours faithfully,

Sam Gallichio
Adviser
Registered Organisations Commission

Obligation to lodge Annual Return of Information by 31 March

For full details see ss.230-233 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act), and rr.147-151 of the *Fair Work (Registered Organisations) Regulations 2009* (the RO Regulations).

A copy of each of the following records must be lodged with the Fair Work Commission (the Commission) between 1 January and 31 March each year. They must be certified by a declaration stating that it is a correct statement of the information contained in that record, signed by the Secretary or such other elected official who is required under the rules, or by resolution of the organisation, to keep the relevant records (**other prescribed officer** see r.150 of the RO Regulations).

Failure to comply with these obligations is subject to a civil penalty provision – see s.305 of the RO Act.
