The Deputy Industrial Registrar,
Australian Industrial Registry,
Level 8 – Terrace Towers,
80 William Street,
EAST SYDNEY NSW 2000

RJ:ds

9th August, 2002

Dear Sir / Madam,

1. On behalf of the Australian Rail, Tram and Bus Union (R.T.B.U.) we make application for an election for all National and Branch Offices in the Union as provided in Section 214(1) of the Workplace Relations Act 1996.
2. As indicated earlier the prescribed information is set out on the assumption that the various rules we have before the Industrial Registrar are certified in their proposed form. Included in the materials relating to certification of rules is a draft of alterations to South Australian and Northern Territory Branch specific rules. We anticipate our rule altering processes in relation to these will be finalised and forwarded to you on 15th August, 2002.
3. A recent decision of the R.T.B.U. National Executive, acting as provided in R.71, deferred the R.T.B.U. election timetable, because of exceptional circumstances, by a period of up to three weeks. We have notified the Australian Electoral Commission (Mr. L. Jones) of this decision.
4. The reason for the election is to hold the quadrennial elections as provided in the R.T.B.U. rules. The voting system with respect to these elections will be a direct voting system as contained in Rules 70 to 74, an attendance ballot for the Tram and Bus Division elections only, as provided in Rule 75 and collegiate elections where specified in the rules as set out in Rule 76.
5. Please find enclosed, as Attachment "A" a list of National and Branch Offices which will be involved in the R.T.B.U. 2002 Elections. We have also included, as Attachment "B" where relevant, information on membership numbers to assist on determining delegate entitlements. This list is incomplete and the full details will be forwarded next week.

Yours faithfully,

A handwritten signature in black ink, appearing to read "R. Jowett". The signature is fluid and cursive, with the first name "R." and the last name "Jowett" clearly distinguishable.

R. Jowett

Acting National Secretary

REDFERN NSW 2016

Dear Mr Barden

Re: Arrangements for the conduct of an Election under s214 (E2002/136)

I refer to the letter by Mr Roger Jowett dated 9 August 2002, requesting an election under subsection 214(2) of the Workplace Relations Act 1996. In order to avoid any errors in the consideration of the above matter, I seek your advice and clarification regarding the following:

- National List of Offices

- (a) In relation to National Divisional Delegates from the New South Wales Branch, two (2) delegates are listed for the Infrastructure Division and two (2) delegates are listed for the "Workshops, etc" Division. The membership numbers for these Divisions as provided on "Attachment B" are 2018 and 716 respectively. By the operation of sub-rule 28(3), it would seem that three (3) delegates are required for the Infrastructure Division and only one (1) for the Fleet Manufacture Division. Can you advise whether you agree with this?

- South Australian Branch List of Offices

- (a) In relation to the Tram and Bus Division, the offices of Sub-Divisional President, Vice-President and Secretary for Mile End have been included but the note below states that there are no members of the Division located at Mile End. Does this mean that no election is sought for these positions and that these have been included on the prescribed information in error?
- (b) Also, in relation to the Rail Division, the offices of Sub-Divisional President, Vice-President and Secretary for both Port Lincoln and Port Pirie have been included for both the ASR and Transfield Districts, but these Sub-Divisions are not listed in rule 130. Does this mean that no election is sought for these positions and that these have been included on the prescribed information in error?

- Tasmanian Branch List of Offices

- (a) Four (4) "Divisional Delegates to Branch Council" are requested for the Tram and Bus Division. Do you agree that by operation of sub-rule 144(2), its membership of 275 would only entitle it to three (3)?
- (b) A "Branch Divisional Vice President" is requested for the Rail Division. I have been unable to identify the rule establishing this position. Rule 146(1) does not include a reference to a Branch Divisional Vice-President. Can you clarify the basis for this position?

- Victorian Branch List of Offices

- (a) The prescribed information includes the offices of “Divisional Representative to Branch Executive” for each of the Divisions. Do you agree that an election would not be required for these offices because they are filled *ex officio* by the Branch Divisional President etc. by order of seniority, according to rule 158(3)?
- (b) Three “Divisional Representatives to Branch Council” are listed for the Tram and Bus Division. Do you agree that, by operation of rule 157(2), firstly, the membership of 1350 for that Division would entitle it to five (5) Delegates, and secondly, that an election would not be required because they are filled *ex officio* by the Branch Divisional President etc. by order of seniority?
- (c) Similarly, four “Divisional Representatives to Branch Council” are listed for the Locomotive Division. Do you agree that, by operation of rule 157(2), an election would not be required because they are filled *ex officio* by the Branch Divisional President etc. by order of seniority?
- (d) Similarly, two “Divisional Representatives to Branch Council” are listed for the Infrastructure Division. Do you agree that by operation of rule 157(2), firstly, the membership of 283 for that Division would entitle it to only one (1) Delegate, and secondly, that an election would not be required because it would be filled *ex officio* by the Branch Divisional President?
- (e) Similarly, one “Divisional Representative to Branch Council” is listed for the Administrative Division. Do you agree that, by operation of rule 157(2), an election would not be required because it would be filled *ex officio* by the Branch Divisional President?
- (f) Similarly, two “Divisional Representatives to Branch Council” are listed for the Workshops etc. (Fleet Manufacture) Division. Do you agree that by operation of rule 157(2), firstly, the membership of 206 for that Division would entitle it to only one (1) Delegate, and secondly, that an election would not be required because it would be filled *ex officio* by the Branch Divisional President?
- (g) The prescribed information for the Infrastructure Division indicates 13 Representatives to the Divisional Committee in the heading but lists the Sub-Divisions in accordance with sub-rule 159(7). Can you confirm that the figure “(13)” is a typographical or clerical error, and that only ten (10) Representatives are required to be elected?
- (h) The prescribed information for the Workshops etc. (Fleet Manufacture) Division indicates 9 Representatives to the Divisional Committee in the heading and indicates one (1) representative for each of the Sub-Divisions. Do you agree that the correct number of Representatives required to be elected is 13, and that the National Express, Freight Australia, Alstom and EDI Sub-Divisions all require two (2) representatives, in accordance with sub-rule 159(5)?
- (i) The prescribed information includes the office of Branch Divisional Organiser Infrastructure and Workshops Divisions in both the Workshops etc. (Fleet Manufacture) and Infrastructure Divisions lists. Do you agree that there is only one position for which an election is required in accordance with sub-rule 162(6)?

- New South Wales Branch List of Offices

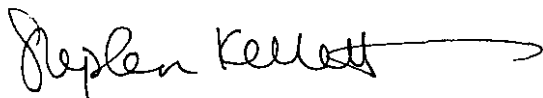

- (a) One Branch Organiser is sought for the Newcastle Office, and three Branch Organisers are sought for the Sydney Office. Were these offices determined under sub-rule 49(1)?
- (b) A note states that the Honorary Vice-Presidents for the Tram and Bus and the Locomotive Divisions will have four year terms in accordance with rule 101(3). Do you agree that both these offices are for two year terms according to that rule?
- (c) Three (3) Branch Divisional Delegates to Branch Council are sought for the Locomotive Division, Metropolitan District. Do you agree that by operation of rule 98(2), its membership of 1421 would only entitle it to two (2)?

- Queensland Branch List of Offices

- (a) Only one of the two Assistant Branch Secretary positions required by sub-rule 119(2) was listed. Was this an inadvertent clerical omission from the prescribed information?
- (b) The prescribed information includes a position of "Division Junior Vice President" for the Tram and Bus Division. I have been unable to identify the rule establishing this position. Can you clarify the basis for this position?
- (c) The prescribed information for the Rail Operations, Infrastructure, Fleet Manufacture and the Administrative, Supervisory, Technical and Professional Divisions does not include the positions of "Branch Divisional Secretary" for those Divisions required by sub-rule 116(1). Were these inadvertent clerical omissions?

I appreciate your comments and advice. If you agree that the prescribed information needs to be amended in any of the above respects, this should be lodged at your earliest convenience. Please do not hesitate to contact me on 8374-6607 if you have any queries regarding the above.

Yours sincerely,

Stephen Kellett

Dear Mr. Kellett ,

RE:- Arrangements for the conduct of an Election under s14 (E2002/136)

I refer to your correspondence on the above subject seeking advice and clarification on a series of issues and wish to advise the following:-

• National List of Offices

We agree to your query that the NSW Branch delegate numbers to the National Infrastructure Division are three (3) and that the NSW Branch delegate number to the Fleet Manufacture Division is one(1).

• South Australian Branch List of Offices.

(a) We agree that no election is sought, in relation to the Tram and Bus Division, for the positions of Sub-Divisional President, Vice President and Secretary of Mile End, and that there was an error in the prescribed information.

(b) We agree that no election is sought for the offices of Sub Divisional President, Vice-President and Secretary for both Port Lincoln and Port Pirie ASR and Transfield Districts, and that there was an error in the prescribed information.

We have attached a memo from the SA/NT Branch Secretary on the membership by District (Attachment 1).

• Tasmanian Branch List of Offices.

(a) We agree that the Tram and Bus Division is entitled to only 3 representatives to Branch Council.

(b) The request for a Branch Divisional Vice-President for the Rail Division was a typographical error.

We have attached a revised prescribed list of officers. (Attachment 2)

• **Victorian Branch List of Offices.**

Firstly we would like to advise you to a correction to the number of financial members of the Victorian branch as at the end of the last financial quarter (30th June 2002) You were advised that the number of financial members were:-

Administrative, Supervisory, Technical and Professional Division- 306

Infrastructure Division- 283

Rail Operations Division- 692

Fleet Manufacture Division- 206

Locomotive Division- 919

Tram and Bus Division- 1350

However the correct number of financial members (as shown in attachment 3), as of the 30th June 2002, is as follows:-

Administrative, Supervisory, Technical and Professional Division- 426

Infrastructure Division- 338

Rail Operations Division- 948

Fleet Manufacture Division- 243

Locomotive Division- 1,069

Tram and Bus Division- 1,113

In respect to your queries:-

- (a) We agree that an election for the offices of "Divisional Representative to Branch Executive" for each of the Divisions are not required as they are filled *ex officio* according to rule 158(3).
- (b) We would state that the membership for the Tram and Bus Division (1,113) would entitle that Division to four(4) delegates to Branch Council, however, we do agree that an election is not required as they are filled *ex officio* according to rule 157(2).
- (c) We agree that the four Divisional Representatives to Branch Council listed for the Locomotive Division do not require an election as they are filled *ex officio* according to rule 157(2).
- (d) We would state that the membership for the Infrastructure Division (338) only entitles that Division to one(1) delegate to Branch Council, however we would state that rule 157(2), last paragraph, actually requires an election to be held for that position.
- (e) We would state that the membership for the Admin etc. Division (426) actually entitles that Division to two(2) delegates to Branch Council, and that rule 157(2), last paragraph, actually requires an election to be held for those positions.
- (f) We would state that the membership for the Fleet Manufacture Division (243) only entitles that Division to one(1) delegate to Branch Council, however we would state that rule 157(2), last paragraph, actually requires an election to be held for that position.
- (g) We can confirm that the prescribed information for 13 delegates to the Infrastructure Divisional Committee is a typographical or clerical error and that only ten(10) representatives are required to be elected.
- (h) We agree that the correct number of sub divisional representatives to the Fleet Manufacture Divisional Committee is thirteen(13) in accordance with rule 159(5).
- (i) We agree that, in accordance with sub rule 162(6) there is only one position for which an election is required.

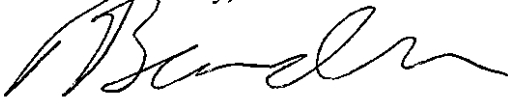

- **New South Wales Branch List of Offices.**

- (a) The offices of Branch Organisers as outlined in the New South Wales Branch list of Offices, were determined under sub-rule 49(1).
- (b) After reviewing the information that you have provided in relation to our discussions on Rule101(3) we accept that the offices of Honorary Vice President for the Tram and Bus and the Locomotive Divisions are for two year terms.
- (c) We agree that the Locomotive Division, Metropolitan District is entitled to two(2) delegates to Branch Council in accordance with rule98(2).

- **Queensland Branch List of Offices**

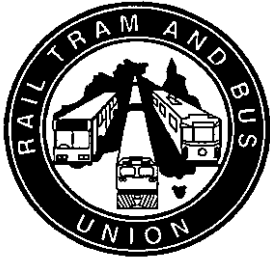

- (a) The recent rule change to sub-rule 119(2) outlines in the last paragraph :-
“Provide that the Office of Assistant Branch Secretary to be elected by a secret ballot of all financial members of the Branch Locomotive Division shall not be filled until the Branch general election to be held in 2006.”
We would state that there is a requirement for only one(1) Assistant Branch Secretary at this election.
- (b) The position of Branch Divisional Junior Vice President Tram and Bus Division is outlined in sub-rule 114(1).

Yours Sincerely,

ALLAN BARDEN

Dear Mr. Kellett,

RE:- Arrangements for the conduct of an Election under s14 (E2002/136)

I refer to your correspondence on the above subject seeking advice and clarification on a series of issues and wish to advise the following:-

• **National List of Offices**

We agree to your query that the NSW Branch delegate numbers to the National Infrastructure Division are three (3) and that the NSW Branch delegate number to the Fleet Manufacture Division is one(1).

• **South Australian Branch List of Offices**

(a) We agree that no election is sought, in relation to the Tram and Bus Division, for the positions of Sub-Divisional President, Vice President and Secretary of Mile End, and that there was an error in the prescribed information.

(b) We agree that no election is sought for the offices of Sub Divisional President, Vice-President and Secretary for both Port Lincoln and Port Pirie ASR and Transfield Districts, and that there was an error in the prescribed information.

We have attached a memo from the SA/NT Branch Secretary on the membership by District (Attachment 1)

• **Tasmanian Branch List of Offices.**

(a) We agree that the Tram and Bus Division is entitled to only 3 representatives to Branch Council.

(b) The request for a Branch Divisional Vice-President for the Rail Division was a typographical error.

We have attached a revised prescribed list of officers. (Attachment 2)

• **Victorian Branch List of Offices.**

Firstly we would like to advise you to a correction to the number of financial members of the Victorian branch as at the end of the last financial quarter (30th June 2002) You were advised that the number of financial members were:-

Administrative, Supervisory, Technical and Professional Division- 306

Infrastructure Division- 283

Rail Operations Division- 692

Fleet Manufacture Division- 206

Locomotive Division- 919

Tram and Bus Division- 1350

However the correct number of financial members (as shown in attachment 3), as of the 30th June 2002, is as follows:-

Administrative, Supervisory, Technical and Professional Division- 426

Infrastructure Division- 338

Rail Operations Division- 948

Fleet Manufacture Division- 243

Locomotive Division- 1,069

Tram and Bus Division- 1,113

In respect to your queries:-

- (a) We agree that an election for the offices of "Divisional Representative to Branch Executive" for each of the Divisions are not required as they are filled *ex officio* according to rule 158(3).
- (b) We would state that the membership for the Tram and Bus Division (1,113) would entitle that Division to four(4) delegates to Branch Council, however, we do agree that an election is not required as they are filled *ex officio* according to rule 157(2).
- (c) We agree that the four Divisional Representatives to Branch Council listed for the Locomotive Division do not require an election as they are filled *ex officio* according to rule 157(2).
- (d) We would state that the membership for the Infrastructure Division (338) only entitles that Division to one(1) delegate to Branch Council, however we would state that rule 157(2), last paragraph, actually requires an election to be held for that position.
- (e) We would state that the membership for the Admin etc. Division (426) actually entitles that Division to two(2) delegates to Branch Council, and that rule 157(2), last paragraph, actually requires an election to be held for those positions.
- (f) We would state that the membership for the Fleet Manufacture Division (243) only entitles that Division to one(1) delegate to Branch Council, however we would state that rule 157(2), last paragraph, actually requires an election to be held for that position.
- (g) We can confirm that the prescribed information for 13 delegates to the Infrastructure Divisional Committee is a typographical or clerical error and that only ten(10) representatives are required to be elected.
- (h) We agree that the correct number of sub divisional representatives to the Fleet Manufacture Divisional Committee is thirteen(13) in accordance with rule 159(5).
- (i) We agree that, in accordance with sub rule 162(6) there is only one position for which an election is required.

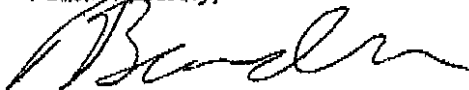

- **New South Wales Branch List of Offices.**

- (a) The offices of Branch Organisers as outlined in the New South Wales Branch list of Offices, were determined under sub-rule 49(1).
- (b) After reviewing the information that you have provided in relation to our discussions on Rule101(3) we accept that the offices of Honorary Vice President for the Tram and Bus and the Locomotive Divisions are for two year terms.
- (c) We agree that the Locomotive Division, Metropolitan District is entitled to two(2) delegates to Branch Council in accordance with rule98(2).

- **Queensland Branch List of Offices**

- (a) The recent rule change to sub-rule 119(2) outlines in the last paragraph :-
"Provide that the Office of Assistant Branch Secretary to be elected by a secret ballot of all financial members of the Branch Locomotive Division shall not be filled until the Branch general election to be held in 2006."
We would state that there is a requirement for only one(1) Assistant Branch Secretary at this election.
- (b) The position of Branch Divisional Junior Vice President Tram and Bus Division is outlined in sub-rule 114(1).

Yours Sincerely,

**ALLAN BARDEN

Dear Mr Barden

Re: Arrangements for the conduct of an Election under s214 (E2002/136)

Thank you for your letter dated 30 August 2002 in response to my letter dated 23 August 2002.

I have noted your advice and comments in relation to the various points I queried in my letter. However you did not include any comments on paragraph (c) regarding the information provided for the Queensland Branch, namely, why the prescribed information did not include the positions of "Branch Divisional Secretary" for the Rail Operations, Infrastructure, Fleet Manufacture and the Administrative, Supervisory, Technical and Professional Divisions required by sub-rule 116(1).

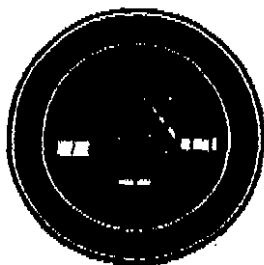

I look forward to hearing from you. Please do not hesitate to contact me on 8374-6607 if you have any queries regarding the above.

Yours sincerely,

Stephen Kellett

Mr. Stephen Kellett
For Deputy Industrial Registrar
Australian Industrial Registry

Dear Sir

**RE:- Arrangements for the Conduct of an Election under S214
(E2002/136)**

I refer to your correspondence of the 23 August 2002 in respect of the above and the response of Mr. Barden of 30 August 2002.

My understanding is that the only remaining issue concerns item (c) of the Queensland Branch List of Offices. In respect of this issue we wish to advise that elections for these positions have not been previously included within prescribed information for the 94, 96, 98 and 2000 RTBU elections and we believe the previous practice adopted should continue.

The Union is able to indicate that in future elections these positions should be included with prescribed information.

Yours faithfully,

R. Jowett

Dear Mr Jowett

Re: Arrangements for the conduct of an Election under s214 (E2002/136)

Thank you for your letter dated 3 September 2002 in response to my letter to Mr Allan Barden dated 30 August 2002.

I have noted your comments in relation to paragraph (c) regarding the information provided for the Queensland Branch, namely, why the prescribed information did not include the positions of "Branch Divisional Secretary" for the Rail Operations, Infrastructure, Fleet Manufacture and the Administrative, Supervisory, Technical and Professional Divisions required by sub-rule 116(1).

A Decision is being prepared for signature on the basis of your comments. Whilst a Registrar's decision under section 214 is primarily concerned with the information that has actually been lodged, I should draw your attention, if you have not already considered it, to section 310 of the *Workplace Relations Act 1996*, given the approach that the organisation prefers to adopt for the above offices in this election.

I will notify you as soon as a Decision has been made.

Yours sincerely,

Stephen Kellett

Receipt is acknowledged of your letter dated 11 September 2002 regarding omissions of several offices from the Registrar's Decision in the above matter on 5 September 2002.

I also confirm my discussion with Messrs Allan Barden and Bob Hayden in which they advised me that several Sub-Divisions have become defunct due to changes within the industry and that consequently elections for offices within those Sub-Divisions will not be requested.

Upon receipt of your advice effectively amending the information previously lodged on 9 August 2002 I will prepare the necessary Amending Decision for signature.

(E No. 2002/136)

TERRY NASSIOS
DEPUTY INDUSTRIAL REGISTRAR

MELBOURNE, 13 SEPTEMBER 2002

AMENDING DECISION

On 5 September 2002, I made arrangements under section 214(2) of the Act for the conduct of elections for various offices in the abovenamed organisation.

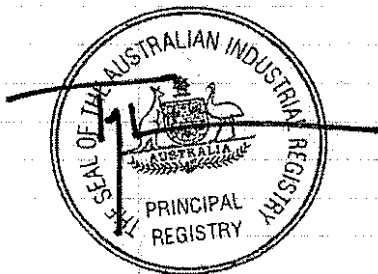

It has come to my attention that several offices contained in the prescribed information originally lodged were omitted from the Decision and that the Sub-Divisional Committee offices for the Locomotive Division in the New South Wales and Victorian Branches, and a Regional representative to the Rail Divisional Committee for the Tasmanian Branch, were incorrectly described.

Further, on 12 September 2002 the organisation lodged information amending the prescribed information previously lodged in respect of some of the offices omitted or incorrectly described in the Decision.

The offices omitted from the Decision are, in accordance with the information lodged, as set out in Attachment A. The offices incorrectly described are as set out in Attachment B.

I am satisfied that elections for the offices set out in Attachment A are required to be held under the rules of the organisation.

Accordingly, my Decision of 5 September 2002 is amended by the inclusion of the offices set out in Attachment A and by the deletion of the offices set out in Attachment B, and, under subsection 214(2) of the Act, I am making arrangements for the conduct of the election by the Australian Electoral Commission.

CORRECTING DECISION

On 5 September 2002, I made arrangements under section 214(2) of the Act for the conduct of elections for various offices in the abovenamed organisation.

It has come to my attention that the Decision contained an error in that the number of offices for election for the Branch Divisional Delegates to Branch Council for the Rail Operations Division in the Victorian Branch was incorrectly listed as (3) instead of (4).

Accordingly, my Decision of 5 September 2002 is corrected by altering the number for Branch Divisional Delegates to Branch Council for the Rail Operations Division in the Victorian Branch from (3) to (4).

Dear Mr Jowett

**Re: Arrangements for the conduct of an Election - Correcting Decision -
Australian Rail, Tram and Bus Industry Union - (E2002/136)**

On 30 August 2002, in reply to my letter dated 23 August 2002, Mr Allen Barden, then Acting National Secretary, wrote to me advising, amongst other things, the correct membership figures for the various Divisions of the Victorian Branch. The corrected figure for the membership of the Rail Operations Division was 948 which entitles the Division to four (4) Delegates to Branch Council not three (3) as listed in the original Decision of 5 September 2002. Accordingly, a Correcting Decision has been made and I enclose a copy of the Registrar's Correcting Decision.

In addition, the corrected figure for the membership of the Tram and Bus Division was 1,113 which entitles the Division to four (4) Delegates to Branch Council, not the three (3) indicated in the information originally lodged on 9 August 2002. Please note however, that, as these offices are filled *ex officio* pursuant to sub-rule 157(2), they have not been included in the list of offices for election attached to the Registrar's Decisions. I point out the correct entitlement for the record.

Yours sincerely

Dear Mr Panegyres

ELECTION FOR WEST AUSTRALIAN BRANCH OFFICES BRANCH ORGANISER

The Branch Council at its quarterly meeting on the 11th October 2002 determined pursuant to its powers under Rule 47(4) of the Rules, the office of paid organiser in the Western Australian Branch, be a casual position not a full time position as previously determined. Branch Council noted the position opened for nomination on the 10th October 2002 in accordance with the election timetable.

As the Acting Branch Secretary I have been directed to make such arrangements as will bring to the attention of any nominee for the position that this decision has been made. Branch Council made the decision in light of concerns about the continued financial position of the Branch and the recommendations of the Organising Works report on Branch finances and activities.

The Branch will send notices to the workplaces indicating the change from that previously advertised and request the Returning Officer contact those members who have or will lodge nominations of the changed circumstance.

Yours Sincerely

Bob Christison

Mr E M Panegyres
Returning Officer
Australian Electoral Commission

Level 3
111 St. Georges Terrace.
Perth WA.

Dear Mr Panegyres

ELECTION FOR WEST AUSTRALIAN BRANCH OFFICES BRANCH ORGANISER

The Branch Council at its quarterly meeting on the 11th October 2002 determined pursuant to its powers under Rule 47(4) of the Rules, the office of paid organiser in the Western Australian Branch, be a casual position not a full time position as previously determined. Branch Council noted the position opened for nomination on the 10th October 2002 in accordance with the election timetable.

As the Acting Branch Secretary I have been directed to make such arrangements as will bring to the attention of any nominee for the position that this decision has been made. Branch Council made the decision in light of concerns about the continued financial position of the Branch and the recommendations of the Organising Works report on Branch finances and activities.

The Branch will send notices to the workplaces indicating the change from that previously advertised and request the Returning Officer contact those members who have or will lodge nominations of the changed circumstance.

Yours Sincerely

Bob Christison

Dear Sir,

RAIL, TRAM & BUS INDUSTRY UNION ELECTIONS NEW SOUTH WALES BRANCH 2002

The above elections have now been concluded and Mr Lee Jones, Returning Officer of the Australian Electoral Commission has issued a Declaration of Results for Contested Offices dated 23rd December 2002.

At the time of calling of nominations there were a number of Branch Organiser positions (three Sydney based and one Newcastle based). At the close of nominations on 31st October 2002, Mr Lee Jones ruled that the person who had nominated and was uncontested for the Newcastle Organiser position was ineligible to hold the position on the basis that he had also nominated for the Assistant Secretary's position.

The person affected determined that he would contest the Assistant Secretary's position. The result was that the Newcastle Organisers position became vacant.

In accordance with the rules of the RTBU I conducted a postal ballot of Branch Council (see attached correspondence) to determine the Newcastle Organisers position to become a Branch employee. Ballot papers were posted and the majority of Branch Councillors voted to support the resolution.

Under these circumstances I request that the Returning Officer, Mr Lee Jones, be advised that elections in February 2003 for positions which no nominations received not include the Newcastle Organisers position.

Yours faithfully,

N LEWOCKI
SECRETARY

Dear Councillor,

POSTAL BALLOT OF BRANCH COUNCIL (RULE 44) FOR NEWCASTLE ORGANISERS
POSITION TO BE A BRANCH EMPLOYEE

In accordance with Rule 44 – Ballot of the Branch Council and the Branch Executive I am conducting a postal ballot of Branch Councillors to consider the following resolution.

**RESOLUTION OF THE NEW SOUTH WALES BRANCH OF THE
AUSTRALIAN RAIL, TRAM & BUS INDUSTRY UNION**

It is hereby determined that from the date of this resolution, any vacancy in the position of Newcastle Organiser, shall be filled by the engagement of a person as a Branch employee, and shall not be filled as an office under the rules.

The above resolution, if supported, by Branch Council will reverse the September 1997 Branch Council decision that the Organisers position at Newcastle will be an elected office of the Union.

At the determination for contested and uncontested positions by the Returning Officer for the November 2002 NSW Branch Election the Organisers position at Newcastle did not have a valid nomination and is therefore unoccupied.

I have attached a copy of Rule 49 Branch Organisers and Branch Divisional Organisers. In accordance with this rule Branch Council is able to determine the Organisers position at Newcastle becoming an appointed position of Branch employee.

Yours fraternally,

N LEWOCKI
SECRETARY

Dear Sir,

AUSTRALIAN RAIL, TRAM AND BUS INDUSTRY UNION
RESULT OF ELECTION – E NO. 136 of 2002
CONTESTED OFFICES

Notice of the result of the elections for uncontested offices is attached. A copy will be sent to each candidate.

In accordance with ARTBIU Rule 73(xxiii), a fresh election will be conducted recalling nominations for all vacancies remaining after the first round of elections.

You do not need to make contact with the Industrial Registrar for the next round of elections. The recall is part of E No 136 of 2002.

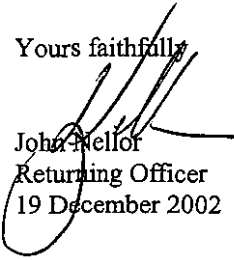

The dates for the next election are proposed as follows. These are yet to be confirmed:

Nominations open	7 February 2003
Nominations close	28 February 2003
Ballot open	15 April 2003
Ballot close	6 May 2003

I will need from you a list of the vacancies remaining. This will consist of the following categories:

1. Positions which did not receive any nominations in the first election. (I have provided you with a list of these positions.)
2. Positions which have become vacant as a result of a candidate who was elected to incompatible positions resigning from one. (Example a candidate elected to Sub Branch Secretary and Sub Branch Committee would need to resign from one of those positions thereby creating a vacancy.)
3. Positions in which the first election resulted in a tied vote. (Rule 73(xix) provides that the candidates may agree to a draw or have a fresh ballot. This applies to the office of President in the Seymour V Line Passenger Sub Division and the office of Representative on Divisional Committee in Rail Operations Division, Connex Sub Division.)
4. Positions which have become vacant for any other reason.

Yours faithfully
