REF: Biennial Elections. No 263 of 2004.

Tuesday, 21 December 2004

Deputy Industrial Registrar,
Australian Industrial Registry,
Level 8, Terrace Towers,
80, William Street,
East Sydney, NSW 2011

Dear Sir,

Re: Election E No 263 of 2004.

I write in reference to the biennial elections for National and Branch positions within the Australian Rail Tram and Bus Industry Union (Election E No 263 of 2004). It has been drawn to my attention that there has been a shortfall in the number of vacancies advertised for positions related to the Branch Council in the case of South Australia/ Northern Territory Branch.

There were no Sub-divisional positions allocated to Port Lincoln or Whyalla as a result of Rule changes which became effective in February of 2003.

It is our opinion that in accordance with the rules, the TA/PTB District, and the Pacific National District respectively the call for nominations warranted two (2) positions and that in the case of the two Sub-Divisions vacancies existed for the positions of Secretary, President and Vice President at both Port Lincoln and Whyalla.

The RTBU rules in Part X11 – South Australian and Northern Territory Branch: Specific Provisions at Rule 131(1) describes the composition of the Branch Council, listing the elected officers “together with Delegates from Branch Districts determined in accordance with Sub rule 131 (2).

Sub Rule 131(2) provides that “each District shall be entitled to one Delegate for each two hundred members or part thereof provided that a District shall only be entitled to a Delegate if it has a minimum of twenty five members”.

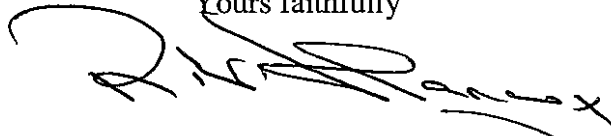

On this basis we contend that the TA/PTB District, which comprises some 300 members, and Pacific National District which comprises some 226 members are entitled to elect two Delegates to the Branch Council.

In 2002, the Branch Council determined to establish Sub Divisions at Whyalla and at Port Lincoln. These Sub Divisions comprise all members at each of these locations, and were established to enable participation in the affairs of the Union by the members in Whyalla and Port Lincoln.

The Union submitted the necessary declarations and concerning alterations to the rule on 14th January 2003 and the documentation is attached together with the certificate issued by the Deputy Industrial Registrar on 5th February 2003.

We would therefore request that consideration be given to the calling for nominations for these positions in the supplementary elections advice for which was received from the AEC Returning Officer on 15th December 2004.

Yours faithfully

Ray Hancox.

Subject: RTBU ELECTION E264 OF 2004 - RECALL OF NOMINATIONS

Dear Stephen

A recall of National and Tasmanian positions occurring from the above election will open on 21st February 2005 . Would it be possible for the following Tasmanian Branch position to be included in the above recall namely:-

Branch Divisional Delegate to the Branch Council, Tram & Bus Division (1)

The position has become vacant due to Leeandra Wilson recently resigning from Metro Tasmania. I am currently chasing up her resignation letter which I can forward to you as soon as I receive it.

Please let me know if you need any other info.

Yours sincerely

Dear Stephen,

re: RTBU SUPPLEMENTARY ELECTIONS

I refer to your correspondence of 11th January concerning shortfalls of Elected Officers for the South Australian and Northern Territory Branch and your e-mail of 13th January – a request by the Tasmanian Branch to include a Branch Divisional Delegate to the Branch Council, Tram and Bus Division due to a recent resignation.

In relation to the SA and NT Branch position, I am able to confirm that the Union did not include the District membership figures provided at the time. I have checked with our SA and NT Branch and confirm that the membership of TA/PTB District is 300 and the Pacific National District is 226, thus entitling both to elect two (2) delegates to Branch Council. They are the only Districts affected.

The other matter affecting the SA and NT Branch is the non-inclusion of the Sub-Division positions for Whyalla and Pt Lincoln. I believe both the Union and The Registry missed these positions as the rules were varied in January, 2003 and most likely the parties worked-off the Rule Book consolidation 139V. Certified 20/8/2002.

In respect of Tasmania, I am able to confirm the advice from the Branch about the recent resignation of Leeandra Wilson and support their request for the position to be included in the Supplementary Elections.

Your assistance in progressing these matters would be appreciated.

Yours sincerely,

Re: Elections

Dear Mr Jowett

I refer to your letter of 14 January 2005 concerning elections, which appear to be required for the following offices in the organisation.

South Australian & Northern Territory Branch - Rail Division - Branch District Representatives to Branch Divisional Committee - T.A/P. T.B. District and Pacific National District.

As the number of members in these Districts is sufficient to entitle members to two representatives and only one was called for in the Registrar's decision, an election is required to fill the remaining positions in each District.

Port Lincoln and Whyalla Sub- Divisions

As the rules provide for these Sub Divisions and no elections were called for, an election is required for the offices of President, Vice President and Secretary of both Sub-Divisions.

Tasmanian Branch

Following the resignation of a Branch Divisional Delegate to the Branch Council of the Tram and Bus Division, a casual vacancy has arisen for which an election is required.

Prescribed Information

Before elections can be arranged, the organisation must lodge prescribed information under s.189 of the RAG Schedule. A sample format for this information is attached.

If possible, the information for all offices could be lodged at once, under your signature avoiding the necessity for separate notices.

OF NOMINATIONS - INCLUSION OF ADDITIONAL POSITIONS.**

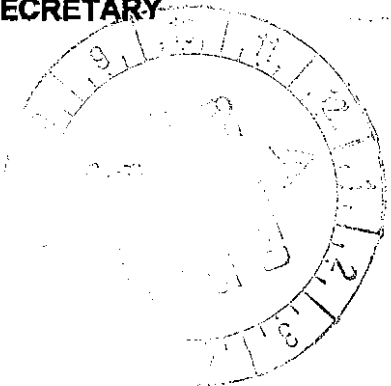

I refer to your correspondence of 18 January, 2005 and my response of 27 January, 2005. Unfortunately a mistake was made in relation to positions within the South Australian and Northern Territory Branch.

The RTBU lodged prescribed information referring to "Rail Division Branch District Representatives to Branch Divisional Committee TA/PTB District (1), Pacific National District (1)". In accordance with the RTBU rules the information should have referred to "Branch District Representatives to Branch Council : Pacific National District (1), TA/PTB District (1)".

Your assistance in rectifying the error would be appreciated.

OTHER MATTERS

Suggested to The Secretary RBTU SA/NT that far too many positions in structure for a union that has become much smaller in member numbers over past few years, and that this situation causes many positions to be unfilled, despite a "Recall Election" to once again be undertaken.
