Attention: Bob Christison

Dear Bob

I refer to the election I am conducting on behalf of the Union under section 214 of the *Workplace Relations Act 1996* and acknowledge receipt of your letter dated 14 October 2002.

I also refer to our discussions on 27 September and 14 October 2002 regarding Branch Council's determination that the office of Branch Organiser no longer be a full time paid position.

You will recall that during our discussions I was concerned about the impact the Branch Council's determination would have, having regard to the Decision made by the Deputy Industrial Registrar on 5 September 2002 that an election was necessary for Branch Organiser as a full time paid position – E No. 136 of 2002 refers.

This is to advise you that I brought the determination to the Deputy Industrial Registrar's attention and that he agrees with the course of action you have outlined in your letter. He also agrees that an amending Decision is not necessary.

Yours sincerely

REPORT No 2 [Branch Secretary]

Appointment of National Organiser and Termination of WA Branch Organiser Position

As a result of the National Office decision to advertise and fill the position of National Organiser to Perth, Branch Council is required to determine the cancellation date of the employment of the WA Branch Organiser. [*the advertisement for National Organiser is attached as Appendix No 3*]

The Branch Council previously determined the position of Branch Organiser was casual and the rules were changed prior to the recent elections [2002] to reflect the decision. Termination of the position was to be determined by membership numbers at the end of June, [*minimum increase of 60 beyond the 925 in January and as late as this week it is 918*] and the National Executive appointment of a National Organiser to Perth for a two-year period.

The membership numbers have shown no sign of improvement, the National Executive has determined the appointment of a National Organiser to Perth, there are already a number of applicants for the position and applications do not close until the later part of April, and interviews will be conducted in early May.

In line with the financial restructure of the Branch outlined in Report No 1 of the 28th Branch Council and at the acceptance of the report, I seek the authority to give notice of termination of the position of Branch Organiser in line with a previous determination.

The position of National Organiser is an appointment by the National Office and is expected to bring skills to the position not previously required by rank and file members nominating for Branch positions and then elected by popular ballot.

The new appointee will have the onerous task to recruit new and former members who for varying reason allowed their membership to lapse.

The appointee will be expected to represent the members at Industrial conferences and hearings to a greater degree than in recent times.

REPORT No 1 [Branch Secretary]

APPOINTMENT OF NATIONAL ORGANISER – PERTH [Glenn Ferguson]

At the National Executive meeting held in Sydney [April 29th May 1st] it was resolved to appoint a National Organiser to Perth with a review at the end of two years from the date of initial appointment.

There were in excess of 20 applications, it was a high-class field with applicants from as far afield as Canada and New Zealand.

The applicants were short listed [5 from WA, 1 from Queensland and 2 from Victoria] by a selection panel comprising the National President and Secretary and the Secretary of the SA and WA Branches.

The National Secretary and the WA Branch Secretary interviewed the five short listed in WA and the final three were interviewed in Sydney by the National President and Secretary and the WA Branch Secretary.

It was an exhaustive process, the successful applicant Glenn Ferguson is here today and was offered the job on the 18th June with a commencement day of the 14th July 2003 with a probationary period of 6 months by mutual agreement.

Glenn Ferguson brings with him a vast amount of experience in the Union movement, a former Secretary of the Meat Industry Union in WA and more recently as Industrial Officer for the Transport Workers Union.

With the appointment and take-up of the National Organiser to Perth and the resolution to be found in Report No 2 at the April 2003 Branch Council meeting, I have given notice to the WA Branch Organiser as of the 14th July of one months notice of termination.

To ensure the National Organiser has knowledge of the geography of the WA Branch, he will visit various localities in the company of the WA Branch Organiser and during those visits is expected he meet as many members as possible, as well as attending Sub Branch meetings; I would expect Brian has discussed the itinerary with each Sub Branch Secretary other than Metropolitan and Perth Sub Branches.

I propose at the end of the one months notice, Mr Curran is re-employed on a casual weekly arrangement until a number of outstanding needs are cleared and at the discretion of the Branch Secretary.

The offer of casual employment would be at the current wage, with the 9% Superannuation Guarantee Levy. [no other provisions]

REPORT No 3 [Branch Secretary] Branch Industrial/Organiser Officer
[full time position]

Currently in the WA Branch there is only one full time elected official.
[Branch Secretary]

The National office employed a National Organiser last year to support the WA Branch to overcome problems including financial and recruitment of new members from within the ARG workforce. To supplement other needs of the WA Branch we, continued the casual employment of the WA Organiser [Brian Curran] who was employed on the major project of EBA negotiations with the PTA, that project has ceased.

The National office has determined it will discontinue with the National Organiser position in Perth and the incumbent in that position will cease employment with the National body as of the 15th October 2004.

I have indicated to both Brian and Glenn there is a need of a full time Industrial Officer/Organiser in WA, and have requested both make application for the position and this Branch Council will make a final determination. Our industrial section has a number of ongoing applications before both the State and Federal Commissions and other cases relating to Workers Compensation problems.

Brian and Glenn confirmed their respective applications for the position on Tuesday with a written application, I have not requested a resume, as each of you knows their respective skill.

The salary for the position was determined at the last Branch Council and includes the 9% Superannuation Guarantee Levy, five weeks annual leave and Long Service Leave after 7 years service.

The selected person will be responsible for Workers Compensation and Industrial Court/Commission matters, also Training and Organising of the membership.

Given a choice I would prefer both, each have differing skills of value to the branch and I have used those benefits to the good of the branch, unfortunately we have not the financial backing to support employment of both and we need to determine today on who we will employ, or determine a different direction.

The financial report for the last quarter shows we have improved our financial situation, as Branch Secretary I undertook the task to break

It appears that downward spiral has been broken based upon the financial summary reported to you of the last six months of trading. This is still not correct. It was not a case of just separating CONNEX / V/LINE PASSENGER to

CONNEX
V/LINE PASSENGER

followed by all the V/Line sub branches.

It is still not showing the Connex Metropolitan sub branch positions.

It should be as follows:

CONNEX
Connex Metropolitan Sub-Division
Branch Sub-Divisional President
Branch Sub-Divisional Vice-President
Branch Sub-Divisional Secretary
Committee Members (7)

V/LINE PASSENGER

And then show all the V/Line sub Divisions as they are already listed.

Please bring this to Bob Hayden's attention and have amended ASAP.

FURTHER AMENDING DECISION

On 30 August 2006 I issued a decision in relation to an election for offices and positions within the abovenamed organisation. On 1 September 2006 I issued an amending decision in relation to that election. It has come to my attention that the amending decision did not correct the error in relation to positions in the Locomotive Division Sub-Divisional Committees within the Victorian Branch. Accordingly my decisions of 30 August 2006 and 1 September 2006 are amended in the following manner:

- (1) In the Victorian Branch the insertion of the following immediately after the heading "CONNEX":
Connex Metropolitan Sub-Division

Branch Sub-Divisional Vice-President
Branch Sub-Divisional Secretary
Committee Members (7)

For the avoidance of doubt I have attached to this decision an amended page 13 of Attachment A to my decision of 30 August 2006.

I am satisfied that an election for the offices and positions as amended is required to be held under the rules of the organisation and, under subsection 189(3) of Schedule 1 of the *Workplace Relations Act 1996*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.

SYDNEY, 1 SEPTEMBER 2006

AMENDING DECISION

On 30 August 2006 I issued a decision in relation to an election for offices and positions within the abovenamed organisation. It has come to my attention that the decision contained errors in relation to the offices in the South Australian & Northern Territory Branch and in relation to a heading for the Locomotive Division Sub-Divisional Committees within the Victorian Branch. Accordingly my decision of 30 August 2006 is amended in the following manner:

- (1) In the South Australian & Northern Territory Branch the deletion of the positions of Branch Senior Vice President and Branch Junior Vice President and the insertion in lieu thereof of the positions of Branch Vice President and Branch Vice President (Women); and
- (2) In the Victorian Branch the deletion of the heading "CONNEX V/LINE PASSENGER SUB-DIVISIONS" and the insertion in lieu thereof of the heading as it appears at rule 156(3)(i) of the organisation's rules.

For the avoidance of doubt I have attached to this decision amended pages 7 and 13 of Attachment A to my decision of 30 August 2006.

I am satisfied that an election for the offices and positions as amended is required to be held under the rules of the organisation and, under subsection 189(3) of Schedule 1 of the *Workplace Relations Act 1996*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.

Queensland:

Following my telephone conversation with Mr Stephen Kellett this morning I write to confirm that "Light Street/Mayne Depot" no longer exists and has been renamed "Bowen Hills Depot" and "Bracken Ridge/Richlands/Tram Depots" no longer exists and has been renamed "Richlands Depot". A rule change should have occurred with our recent rule changes but was mistakenly left out of the information received from the Qld Branch.

I understand after speaking to Mr Kellett that the proposed rule change will be allowed as the Geographic location and eligible members have not changed in either location.

Victoria:

1st dot point: I agree that an election for this Office is not required by operation of rule 158(3), and as such has been deleted.

2nd dot point: I agree with your position in relation to Branch Divisional Organisers (If Any), and as such has been deleted.

3rd dot point: Amended prescribed information attached.

4th dot point: Agree – Amended Prescribed information attached.

Following my conversation with Mr Stephen Kellett this morning in regards to the above matter I advise that "Colin Rees Transport (CRT)" and "GrainCorp" no longer operate within Victoria and as such should be deleted. A rule change to delete such will occur early next year.

I understand that the 2 mentioned locations will be deleted for this election.

I hope this satisfies your requirements in response to the above and do not hesitate to contact me if further information is required.

Yours sincerely,

Robert Hayden

Dear Mr Davis,

RE: ELECTIONS FOR POSITIONS OTHER THAN OFFICES

As per Section 187 of Schedule 1 of the Workplace Relations Act 1996 I write to request that the Australian Electoral Commission conduct elections for positions as provided in the RTBU rules which do not meet the definition of "Offices" defined in the Workplace Relations Act 1996.

This election to be conducted concurrently with the quadrennial elections currently in process of being conducted for the Australian Rail, Tram & Bus Industry Union.

A copy of this correspondence will be forwarded to Mr. Barry Jenkins of the Australian Industrial Registry for his dealing.

I hope this meets your requirements in regard to the above matter, do not hesitate to contact myself if clarification or further information is required.

Dear Mr Hayden

Re: Prescribed Information - Election (E2006/199)

I refer to the above election and to my letter of 28 August 2006 seeking clarification of various issues.

There was a further issue which I failed to raise in my letter and I apologise for this oversight. The prescribed information included a large number of positions that are not "offices" as defined in the *Workplace Relations Act 1996*. In order for me to make arrangements for the conduct of the election for those positions it will be necessary for you to request the Australian Electoral Commission to conduct the election for "positions" (see s187 of Schedule 1 of the Act). Please provide me with a copy of the request so that I may finalise the decision as soon as possible.

Yours sincerely

**Post Election Report For: Australian Rail, Tram and Bus Industry Union – Victorian Branch
Election E No 2006/199**

I refer to the above election for your organisation.

Section 197(1) of Schedule 1 of the Workplace Relations Act 1996 requires the AEC to provide a written report on the conduct of the election to the Industrial Registrar and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of Schedule 1 requires that if an organisation or branch is given a post election report under section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached Report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to 'industrial.elections@aec.gov.au' within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the post election report and the organisation's response to the report (if applicable) available to members. Further, Regulation 141(4) of the Workplace Relations (RAO) Regulations requires an organisation or branch to publish a notice on its web site advising members that a copy of the post election report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

IRREGULARITIES

Details of written allegations of irregularities, and action taken by AEC:

Qld Branch – Claim that a number of voters from other districts were incorrectly included in the roll of voters for Southern District. Requested, pursuant to the provisions of the WR Act, that an inquiry be conducted. The AEC decided that the result of the election had not been affected by an irregularity and, accordingly, decided that an application to the Federal Court for an inquiry was not warranted.

Other irregularities identified, and action taken:

NSW Branch – initial data supplied by the union, for the roll of voters for an election in the Rail Operations Division, was discovered to be corrupted. Ballot aborted and fresh ballot commenced.

Qld Branch – Returning Officer became aware of an irregularity in relation to the union's rule relating to multiple nominations (rule 77). Legal advice was sought and, as a result, the AEC wrote to affected multiple nominees (under rule 77) giving them the opportunity to indicate which office they preferred to nominate for. As a result, the AEC decided it was required to conduct two additional ballots in the Qld Branch.
