**Post-Election Report for : Australian Rail, Tram and Bus Industry Union – 2011 Re-call NSW Offices
E No. 2010/2643**

Dear Mr Claassens,

I refer to the above election for your organisation.

Section 197(1) of the Fair Work (Registered Organisations) Act 2009 (“the Act”) requires the AEC to provide a written report on the conduct of the election to Fair Work Australia and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of the Act requires that if an organisation or branch is given a post election report under Section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached Report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to ‘industrial.elections@aec.gov.au’ within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the post election report and the organisation’s response to the report (if applicable) available to members.

Further, Regulation 141(4) of the Fair Work (Registered Organisations) Regulations requires an organisation or branch to publish a notice on its web site advising members that a copy of the post election report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

Thanks

Regards Keith

Dear Returning Officer,

Please see attached a copy of a request for an Amending Decision, arising from the identification of an error in the Decision issued on 26 August 2010. The error consisted of the inclusion of NSW Locomotive Division, Sub-Divisional representative(Workplace Organiser) positions. Under rule 100(4), the election for these positions is to be conducted by the respective Sub-Divisions, not by the AEC.

Please see also attached the Amending Decision signed to day by Acting General Manager Terry Nassios.

AMENDING DECISION

Fair Work (Registered Organisations) Act 2009
s.189 – Arrangement for conduct of an election

Australian Rail, Tram and Bus Industry Union
(E2010/2643)

TERRY NASSIOS
ACTING GENERAL MANAGER

SYDNEY, 7 SEPTEMBER 2010

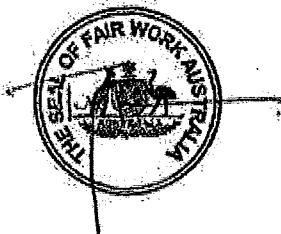

Arrangement for conduct of an election - amending decision.

[1] On 26 August 2010 I made arrangements for the conduct of elections for various offices and positions in the Australian Rail, Tram and Bus Industry Union.

[2] On 6 September 2010 the organisation notified Fair Work Australia that the election for certain positions listed in the Decision was required, under the rules of the organisation, to be conducted by the relevant Sub-divisions of the NSW Locomotive Division and not by the Australian Electoral Commission. Those positions are those set out in Attachment A1.

[3] I am satisfied that an election for the positions set out in Attachment A1 is required to be conducted, under the rules of the organisation, by the relevant Sub-divisions of the NSW Locomotive Division and not by the Australian Electoral Commission.

[4] Accordingly, my Decision of 26 August 2010 is amended by removing the positions set out in Attachment A1.

Mr Stephen Kellett
The General Manager
Fair Work Australia
GPO Box 1994
Melbourne,
VIC 3001

Dear Mr Kellett

**Election of Office-holders for the Australian Rail, Tram and Bus Industry Union –
variation of Election Decision**

I refer to the Election Decision made by Terry Nassios on 26 August 2010 for the election of offices and positions within the Australian Rail, Tram and Bus Industry Union (RTBU).

The decision included the calling for election for the positions within the New South Wales Branch, Locomotive Division, for Workplace Organisers.

Sub-rule 100(4) of the RTBU Rules states that "The election for Sub-Divisional Committee members (and a Workplace Organiser for workplaces of less than 20 financial members) shall be conducted by that sub-division". These elections are not conducted by the AEC. A copy of this Rule is attached.

I have had discussions with the Returning Officer, Mr Lee Jones, and in order for these elections to be conducted in accordance with the Rules, Mr Jones requires that Election Decision by Fair Work Australia be amended so that the relevant positions are no longer included.

We request that an amended decision be issued, removing the positions of Workplace Organiser, to allow for the efficient conduct of elections in accordance with the RTBU Rules.

Yours Sincerely,

Allan Barden
National Secretary
6 September 2010

SUPPLEMENTARY STATEMENT /APPLICATION FOR ELECTION UNDER s189

I, Allan Barden, National Secretary of the Australian Rail, Tram and Bus Industry Union, provide the following information in accordance with subsection 189(1) of the Fair Work (Registered Organisations) Act 2009. This information supplements the prescribed information contained in the statement made by me on 6 August 2010, as transmitted to Fair Work Australia on 8 August 2010.

1. An amended list of offices and positions for election in the Queensland and Tasmanian including those of delegates to National Council and/or National Executive are Attachments to this statement.
2. An amended list of offices and positions for election in the Victorian Branch that reflects the Rule changes certified by Fair Work Australian on 18 August 2010 is an Attachment to this statement.
3. The numbers of those offices or positions in Queensland, Tasmania and Victoria, where more than one is required to be elected are set out in the Attachments to this statement.
4. The electorates for each office or position in Queensland, Tasmania and Victoria are those set out in Attachments to this statement and as per the rules, being members of the respective and/or relevant branches, sub-branches and divisions and sub-divisions.
5. I am informed and believe to be true that, in accordance with Rule 49(1) the Queensland Branch Council resolved in 2006 that from 1 January 2007 the positions of Organiser would be filled by appointment, not by election. This resolution has not been rescinded since that time. As such, there are no positions of Organiser to be elected at this election.
6. I am informed and believe to be true that there are no Sub-Branch Committees of the Queensland Branch that require to be elected under Rule 57.
7. The membership figures for NSW Locomotive Sub-divisions, which determine whether there is to be an election for Depot Organiser or Workplace Organiser, is an attachment to this statement

I am an officer of the organisation authorised to make and sign the above statement.

I have also requested that the election for offices and positions in the West Australian Branch of the RTBU not be arranged at this time, due to Rule Changes that affect the structure, offices and positions of that Branch. I will write to you again, separately, regarding the West Australian Branch elections.

Please contact me on (02) 9310 3966 or by email abarden@rtbu-nat.asn.au if you have any queries.

Mr Stephen Kellett
The General Manager
Fair Work Australia
GPO Box 1994
Melbourne,
VIC 3001

Dear Mr Kellett

Election of Office-holders for the Australian Rail, Tram and Bus Industry Union.

In accordance with Section 189 of the *Fair Work (Registered Organisations) Act 2009*, I am requesting that you arrange for the conduct of the election of office-holders for the Australian Rail, Tram and Bus Industry Union (RTBU) for all National Offices and for offices in all State Branches of the RTBU, with the exception of the West Australian Branch.

Please find attached statement in accordance with Regulation 138 of the *Fair Work (Registered Organisations) Regulation 2009*, providing you with the prescribed information of the offices to be elected, the method of election (direct except where specified), the terms of office and whether the positions are paid or honorary.

Please note that some of the Offices in the Victorian Branch list are marked "subject to rule change". These positions are a result of a Rule Change that is about to be considered by the RTBU National Council on 16 August 2010. I will write to you immediately after that meeting to inform you of the outcome of this meeting and, if necessary, request the urgent approval of the Rule Changes by Fair Work Australia, to enable the elections to go ahead.

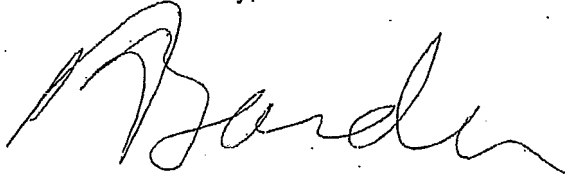

I have not provided any details of the West Australian Branch offices as its Branch Council has recently passed a number of Rule changes that change the structure of the Branch and, consequently, the offices for which elections must be held. These rule changes must be endorsed by National Council. As the RTBU Rules require that any motion for which notice has been given be considered for one month prior to any National Council meeting, the proposed Rule changes will not be put to National Council until after the date on which nominations are called for offices and the date on which nominations open.

As such, the West Australian Branch Council has also passed a motion to varying the timetable for the calling of nominations for West Australian Branch positions.

I will write to you separately, with details of the proposed changes to the West Australian Branch structure, and to request an election be held for offices in that new structure.

Can you please advise me of your decision regarding the election for all National Offices and all State Branches, with the exception of West Australian Branch, as soon as possible. I can be contacted on (02) 9310 3966 if you have any further queries.

Yours Sincerely,
