Mr Allan Barden  
Assistant National Secretary  
Australian Rail, Tram and Bus Industry Union

(02) 9319 2096

Dear Mr Barden,

### **Reminder of actions required when persons elected to office**

The Australian Electoral Commission has provided the Commission a declaration of results for the election [E2014/172]. This letter is a reminder of certain obligations imposed on organisations and persons elected to office.

Section 154D(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires the rules of organisations (and branches of organisations) to require each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe.

Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which should be provided for in your organisation's rules.

Also, section 233(2) of the RO Act requires that an organisation must notify the Fair Work Commission (the Commission) within 35 days of any changes to the holders of office in the organisation. If the election has resulted in any changes to the holders of office, the Australian Rail, Tram and Bus Industry Union must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
  - the name of the office vacated;
  - the date of the change of office holder; and
  - the name of the person vacating the office.
2. Person(s) who have commenced to hold office:
  - the name of the office now held;
  - the date of the change of office holder;
  - the name of the person now holding the office;
  - the postal address of the person (generally the postal address of the organisation); and
  - the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. I have attached a template notification of changes which may assist you. If any change does not apply until a specific date, you don't need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

Regards

Debbie Ball

#### **POST ELECTION REPORT Australian Rail, Tram and Bus Industry Union Election E2014/172**

I refer to the above election for your organisation.

Section 197(1) of the *Fair Work (Registered Organisations) Act 2009* ("the Act") requires the AEC to provide a written report on the conduct of the election to the Fair Work Commission and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of the Act requires that if an organisation or branch is given a Post Election Report under Section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to 'industrial.elections@aec.gov.au' within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the Post Election Report and the organisation's response to the report (if applicable) available to members.

Further, Regulation 141(4) of the *Fair Work (Registered Organisations) Regulations 2009* requires an organisation or branch to publish a notice on its website advising members that a copy of the Post Election Report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

## **CORRECTION TO DECISION**

*Fair Work (Registered Organisations) Act 2009*  
s.189—Arrangement for conduct of an election

### **Australian Rail, Tram and Bus Industry Union** (E2014/172)

MR ENRIGHT

MELBOURNE, 19 AUGUST 2014

*Arrangement for conduct of an election - correction to decision.*

[1] On 8 July 2014 I made arrangements for the conduct of elections for various offices and positions in the Australian Rail, Tram and Bus Industry Union.

[2] On 18 August 2014 the organisation notified the Fair Work Commission that the election for certain positions listed in the Decision was required, under the rules of the organisation, to be conducted by the relevant Sub-divisions of the NSW Locomotive Division and not by the Australian Electoral Commission. Those positions are those set out in Attachment A1 of this decision.

[3] I am satisfied that an election for the positions set out in Attachment A1 is required to be conducted, under the rules of the organisation, by the relevant Sub-divisions of the NSW Locomotive Division and not by the Australian Electoral Commission.

[4] Accordingly, my Decision of 8 July 2014 ([2014] FWCD 4460, PR552754) is corrected by removing the positions set out in Attachment A1 of this decision.

RAIL, TRAM & BUS UNION AUSTRALIA

Mr Stephen Kellett  
Regulatory Compliance Branch  
Fair Work Commission  
80 William St.  
Sydney,  
NSW 2011

Dear Mr Kellett

**Election of Office-holders for the Australian Rail, Tram and Bus Industry Union –  
variation of Election Decision**

I refer to the Election Decision made by Mr Enright (E2014/172) on 8<sup>th</sup> July 2014 for the election of offices and positions within the Australian Rail, Tram and Bus Industry Union (RTBU).

The decision included the calling for election for the positions within the New South Wales Branch, Locomotive Division, for Workplace Organisers.

Sub-rule 100(7) of the RTBU Rules states that "The election for Sub-Divisional Committee members (and a Workplace Organiser for workplaces of less than 20 financial members) shall be conducted by that sub-division". These elections are not conducted by the AEC. A copy of this Rule is attached.

I have had discussions with the Returning Officer, Ms Noopur Madan, and in order for these elections to be conducted in accordance with the Rules, Ms Madan requires that Election Decision by Fair Work Australia be amended so that the relevant positions are no longer included.

We request that an amended decision be issued, removing the positions of Workplace Organiser, to allow for the efficient conduct of elections in accordance with the RTBU Rules.

The current decision refers to the location for elections of workplace organisers on pages 6, 7 and 8 (see attached).

Yours Sincerely,

Allan Barden  
Assistant National Secretary  
18<sup>th</sup> August 2014.

**Importance:** High

Hi Stephen,

The WA, PTA WA , VIC and SA/NT branches have now also reported that everything is in order.

The NSW Branch found only a minor clerical error on page 8 under Rail Operations Division where it states Sub Divisional Representatives on Branch Divisional Committee (as follows) it currently states Transit Officers Wages Sub Division, should be Transport Officers Sub Division.

This should be the last issue.

Dear Stephen,

This is the definitive list from the Queensland Branch, I have requested all Branches to advise me if they have found any issues by no later than COB today.

So far, apart from the Queensland Branch, the Tasmanian Branch have confirmed everything is in order. The National Offices are also in order.

The six issues in the Queensland Branch list are highlighted in yellow with explanations next to them.

To Mr David Vale and Mr Lee Jones,

As per this email, Once again I have just been advised of a clerical error, this time in the Victorian Branch Administrative, Supervisory, Technical and Professional Division Prescribed List of Officers and Positions.

There had been an omission in the Sub Divisional Representative on Divisional Committee, for the V/Line Passenger and V/Line Infrastructure positions (one of each)

Once again our sincerest apologies, and hopefully this will be the last correction.

Allan

I'm not sure I sent this updated version through to you.

As I'm sure bob has told you we have had a few things cooking down here at the minute.

Attached is the cleared list for Rail Divs and Tram and Bus Divs. There was just some wording changes and you missed some v/Line subdivisions in one spot.

I understand that Loco Div are speaking to you directly about their details.
