Dear Mr Dobbyn,

**RE: AUSTRALIAN RAIL, TRAM AND BUS INDUSTRY UNION-VICTORIAN BRANCH  
- Annual Return Of Information Contained In Records Kept By Organisation**

The Registry has received your declaration dated 29 March 2005 providing information in accordance with subsection 233 of Schedule 1B of the *Workplace Relations Act 1996*. The documents were lodged in the Industrial Registry on 29 March 2005.

The documents lodged cover the following information for the year **2004**.

- Number of members and employees as at 31/12/2004 as provided by the National Office of the Australian Rail, Tram and Bus Industry Union.
- Declaration in respect of the register of members of the organisation.
- List of offices of the organisation and of the persons holding those offices.
- The addresses of the offices of the organisation as provided by the National Office of the Australian Rail, Tram and Bus Industry Union.

These documents meet the requirements of the *Workplace Relations Act 1996* and have now been filed.

You will be aware that the *Workplace Relations Act 1996* has been amended so that The Registration and Accountability of Organisations Schedule (Schedule 1B to the *Workplace Relations Act 1996*) [the **RAO Schedule** now contains most of the matters which relate to the registration and functioning of organisations of employers and employees under the Act. A statutory declaration is no longer required. A notification of information must be certified by a declaration signed by the secretary or other prescribed officer of the organisation to be a correct statement of the changes made [s233(2)and reg. 148].

You may wish to consider the preparing a declaration template for next year with the following additions.

- It is more appropriate to declare that the identified attached list of officers is a correct copy.
- a statement listing whether elections must be held according to your organisation's rules during the year commencing 1 January 2005.

Please do not hesitate to contact me on (02) 8374 6666 if you wish to discuss the reporting requirements.

Yours sincerely

Caroline Pryor
