Mr Philip Woodcock Secretary, West Australian Branch ARTBIU 2/10 Nash Street PERTH WA 6000

Dear Mr Woodcock

Re: Lodgment of Financial Accounts and Statements – Australian Rail, Tram and Bus Industry Union, West Australian Branch – for year ending 31 December 2010 (FR2010/2918)

Thank you for lodging the above statements and accounts which were received by Fair Work Australia on 20 July 2010.

I draw your attention to two errors.

First, though the Branch Committee of Management statement refers correctly to the report as a general purpose financial report, at Note 1 on page 10, the opening sentence states that the report "is a special purpose financial report". Under s253 of the *Fair Work (Registered Organisations) Act 2009* ("the Commonwealth Act") reporting entities such as the West Australian Branch must prepare "general purpose financial reports".

Second, the auditor's opinion on page 20 simply states that the report presents fairly in accordance with "the accounting policies described in Note 1..." Section 257(5) of the Commonwealth Act requires an auditor to also state whether it presents fairly in accordance with "any other requirements of this Part", that is, Chapter 8, Part 3 of the Commonwealth Act.

I would appreciate it if you could bring these matters to the attention of your auditor for the purposes of future reports.

The documents have been filed.

Yours sincerely,

Stephen Kellett

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Organisation's constitution and rules. The trustees have determined that the Organisation is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Trust's constitution and rules and the recognition and measurement requirements of Australian equivalents to International Financial Reporting Standards (AIFRS) as follows:

AASB 101: Presentation of financial statements
AASB 110: Events After Balance Sheet Date

AASB 118: Revenue AASB 1031: Materiality

No Australian accounting standards, urgent issues group consensus views or other authoritative pronouncements of the Australian Accounting Standards Board have been used in the preparation of this financial report.

The financial report has been prepared on an accruals basis. It is based on the historical costs and does not take into account changing money values or, except where specifically stated, current calculation of non-current assets.

The following material accounting policies, which are consistent with the previous accounting period unless otherwise stated, have been adopted in the preparation of this financial report:

Accounting Policies

a. Income tax

The Australian Rail, Tram and Bus Industry Union and the grants and funds administered by the council are exempt from tax by virtue of section 50-15 of the Income Tax Assessment Act 1997.

b. Grant funding

Grant income is recognised as the grant funds are expended. Grants unexpended at the end of the year are shown as unexpended grants in the liability section of the balance sheet.

c. Comparative Figures

Where required, comparative figures have been adjusted to conform to changes in presentation for the current year.

d. Revenue recognition

Membership fees are recognised evenly over the duration of the membership period paid for.

Revenue is measured at the fair value of the consideration received or receivable.

e. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

f. Cash and cash equivalents

For the purpose of the statement of cash flows, the organisation considers cash to include cash on hand, at banks or financial institutions and on deposit.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

g. Plant & Equipment

Plant and equipment are measured on a cost basis less depreciation and impairment losses.

The depreciable amounts of the plant and equipment are depreciated on a diminishing value basis over the asset's useful life to the entity commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset

Depreciation Rate

Plant & Equipment Motor Vehicles

2.5% - 40% 22.5%

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Asset classes carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater that its estimated recoverable amount.

Gains and losses on disposal are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income.

h. Trade and other receivables

All trade and sundry debtors are recognised at the amounts receivable, as they are due for settlement no more than 30 days. Collectability of debtors is reviewed on an ongoing basis. Debts, which are known to be uncollectible, are written off.

i. Financial Assets

Shares in listed companies are classified as being held for trading. They are initially measured at cost and subsequently measured at fair value with changes in carrying value being included in profit or loss.

j. Trade and other payables

These amounts represent liabilities for goods and services provided to the Organisation prior to the end of the financial year and which are unpaid. These amounts are unsecured and are usually paid within 30 days of recognition.

k. Employee entitlements

Provision is made for the organisation's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year, together with entitlements arising from wages and salaries and annual leave, which will be settled after one year have been measured at their nominal amount.

Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Provision for employee entitlements have been measured to include salary on-costs including superannuation, payroll tax and workers compensation.

I. Superannuation

Contributions are made by the organisation to an employee superannuation fund and are charged as expenses when incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

If such an indication exists, the recoverable amount of an asset, being the higher of an assets fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

o. Adoption of New and Revised Accounting Standards

b) Net Fair Values

The aggregate net fair value of financial assets and financial liabilities at balance date is the same as or approximates the balance sheet carrying amount.

The fair values of financial assets and financial liabilities are determined as follows:

- The fair value of financial assets and financial liabilities traded on active liquid markets with standard terms and conditions are determined with reference to quoted market prices; and
- The fair value of other financial assets and financial liabilities are determined in accordance with generally accepted pricing models based on discounted cash flow analysis; and
- The fair value of derivative instruments, included in hedged assets and liabilities, are calculated using quoted prices. Where such prices are not available, use is made of discounted cash flow analysis using the applicable yield curve for the duration of the instruments.

c) Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognise financial asset is the recoverable amount as disclosed in the Balance Sheet and notes to the financial statements.

Australian Rail Tram & Bus Union – WA Branch does not have any material credit risk exposure to any single debtor or group of debtors under financial instrument entered into by the Union.

d) Liquidity Risk Management

Ultimate responsibility for liquidity risk management rests with the Branch Committee of Management. The Union manages liquidity risk by maintaining adequate reserves and banking facilities and by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

NOTE 13: SUBSEQUENT EVENTS

At the date of the Statement by the Committee, no matter or circumstances not otherwise dealt with in the financial statements has significantly or may significantly affect the operations of the Branch, the results of those operations or the state of affairs of the Branch in subsequent financial years.
