Dear Paul,

Re: Resignation from ARTIO (Vic) Branch Committee Effective 4th July 2014

Due to my full time retirement from the Victorian Transport Association and industry involvement I think it is appropriate that I resign from the ARTIO (Vic) Branch Committee.

I have thoroughly enjoyed my time with ARTIO extending over 28 years. During that time the ARTIO Organisation has achieved a great deal for the Freight and Logistics industry. Many significant issues have been addressed during this long period, including:

- Industry Superannuation
- Enterprise Bargaining
- Rationalisation of the many different Awards and pay categories
- Support and clarification of sub-contractor issues
- Hume Highway blockade
- And most recently the Road Safety Remuneration Tribunal

ARTIO has and continues to "punch above its weight" in industry issues with little industry support or knowledge of ARTIO'S role.

I have always appreciated your support and the support of the other Committee members.

I have had a fantastic career and hope that the Industry continues to support ARTIO.

I also wish to acknowledge the professional and strong support to ARTIO by Paul Ryan. There is no doubt that ARTIO both nationally and in the State of Victoria has been successful mainly because of Paul's support to me and the ARTIO Organisation over many years.

Yours sincerely,

Philip N Lovel AM
