Dear Mr King

**Financial report of the Australian Road Transport Industrial Organization ("ARTIO") -
Western Australian Branch for the financial years ended 30 June 2007 to 2012
(FR2007/309, FR2008/389, FR2009/10012, FR2010/2621, FR2011/2635, FR2012/320)**

Thank you for your letter of 4 March 2014 responding to our letter dated 5 February 2014 in providing further information for the six financial reports for years ended 30 June 2007 to 30 June 2012.

All six financial reports have now been filed.

Please note that there are new financial reporting guidelines issued under s.255 of the *Fair Work (Registered Organisations) Act 2009* which are applicable to each financial year that ends on or after 30 June 2013. The new reporting guidelines may be accessed on this link:
https://www.fwc.gov.au/documents/documents/organisations/reporting_guidelines/fr_guidelines_253.pdf

We advise that in future, ARTIO - Western Australian Branch ("the Branch") should provide a full description of the relationship between the Branch and the WA Road Transport Association ("WARTA") within the financial report lodged by the Branch. The description should include details of any agreed support that WARTA has provided to the Branch during the financial year.

If you have any questions regarding this letter please do not hesitate to contact me on (03) 8661 7915 or via email at cynthia.lobooth@fwc.gov.au I work part time from Wednesdays to Fridays.

Yours sincerely

Dear Ms Lo-Booth,

Financial Report ARTIO (WA Branch) 2007 - 2012

I refer to your letter dated 5th February, 2014, regarding the non-filing of the
aforementioned Financial Reports for the period 2007 - 2012.

The response to your letter is as follows:

1: Expenditure:

a. *Fees for payroll deductions:*

ARTIO (WA Branch) does not charge fees for payroll deductions.

b. *Contributions to other reporting units in the organisation including
capitation fees paid to the ARTIO National Office:*

ARTIO (WA Branch) does not pay any fees to any other unit or
Organisation other than to the National Office of ARTIO.

This fee to the National Office is based upon the ARTIO National
budget being approved by all of the Branches and a breakup of
charges per Branch is made.

c. *Affiliation to external parties:*

ARTIO (WA Branch) does not have any formal or informal affiliation
to any external parties.

Please note ARTIO (WA Branch) is operated by a Committee of
Management and the undersigned (Secretary / Treasurer) out of the
offices of the WA Road Transport Association (formerly the Transport
Forum WA Office).

As part of a National Body ARTIO (WA Branch) work closely with all
State Offices and the National Office.

d. *Compulsory Levies:*

ARTIO (WA Branch) does not have compulsory levies.

ARTIO (WA Branch) does not incur any legal fees.
- k. *Penalties imposed on the reporting unit under the RA Act or Regulations:*
ARTIO (WA Branch) does not incur any expenditure under the RA Act or Regulations.

Additional queries regarding Expenditure:

Descriptors:

- Other Expenses:
 - 2008 Report:
 - \$29,754 was expenses incurred in running ARTIO (WA Branch);
 - It relates to the affiliation fee we pay to ARTIO National Office;
 - It also covers fees to operate ARTIO (WA Branch);
 - NB: It could have been broken up with sub-headings rather than "Other Expenses"
- Director's Fee:
 - 2009 Report:
 - \$26,400 Director's Fees descriptor in Financial Report;
 - An incorrect choice of descriptor;
 - The Association (WARTA) receives a Director's Fee for the undersigned in his role as a Trustee Director of the TWUSuper Fund;
 - NO Director's Fees are received or paid by ARTIO (WA Branch);
 - The recording of the expense was monies received from WARTA (membership re-allocation, administration costs, etc) and provided to ARTIO;
 - Again, a poor choice of terminology and this was due to a new accountant being involved with both WARTA and ARTIO (WA Branch);

- \$42,960 Sponsorship Fees:
 - ARTIO (WA Branch) is not involved with any Sponsorship at all. The descriptor is a poor choice and really covers the areas that ARTIO (WA Branch) are involved with in the day-to-day operations;
 - Areas like general administration, providing information and advice and preparing documentation to members is a more appropriate descriptor.

- Management Fee:
 - ARTIO (WA Branch) does not pay management fees;
 - Again it is a poor choice by our former accountant with the descriptor;
 - It relates to the operational costs of ARTIO (WA Branch) with the National Office of ARTIO;
 - It relates to the Western Australian budgeted fee made by National Office to this Branch;

Payments (Capitation Fees) made by ARTIO (WA Branch) to the ARTIO National Office:

- Financial Years ending:
 - 30th June, 2007; \$5,324.00 including GST
 - 30th June, 2008; \$6,050.00 including GST
 - 30th June, 2009; \$7,562.50 including GST
 - 30th June, 2010; \$7,975.00 including GST
 - 30th June, 2011; \$8,373.75 including GST
 - 30th June, 2012; \$9,547.00 including GST
 - 30th June, 2013; \$8,046.90 including GST

Audit Fees:

Audit Fees are paid to the WA Road Transport Association's Auditors who are the same Auditors as the ARTIO (WA Branch). As they form a very small part of the total financial accounts, WARTA covers the cost of the Audit.

2. Absence of Membership Subscription for year 30 June, 2007:
No Fees for membership were allocated to ARTIO (WA Branch) in the financial year 1st July, 2006 & the 30th June, 2007.

The allocation of membership subscriptions (*Transport Forum and ARTIO*) for the year ending 30th June, 2007 was charged by Transport Forum WA but not allocated to ARTIO (WA Branch) due to an oversight.

The nominated Subscription Fee in the June 2007 Report was monies received from Transport Forum WA to ARTIO (WA Branch) to cover expenses.

3. Fluctuation of Income whilst Membership Remains Steady:
Membership fluctuated from \$4,505 to \$69,360.
The reason why the fluctuation relates to the amount of time the CEO of the Association (*Transport Forum WA Inc. / WA Road Transport Association Inc.*) allocates to ARTIO (WA Branch).

The Association accepts that work undertaken under the ARTIO (WA Branch) banner is of direct benefit to members especially with the changing industrial workplace.

The Association has been involved with many projects that have an impact on members and this increase reflects the additional work undertaken by ARTIO (WA Branch).

4. Economic Dependency:

The relationship between the Association (WA Road Transport Association (WARTA), formerly Transport Forum WA) and ARTIO (WA Branch) is close as the Australian Road Transport Industrial Relations Organisation (ARTIO) is an integral part of the day-to-day business by the Association Members. It should be noted that Membership between both entities is strongly encouraged.

Communicating the relevant information to members of the Association is one key aspect of ARTIO (WA Branch).

No rent, staffing costs, overheads or any other expense is passed onto ARTIO (WA Branch).

ARTIO (WA Branch) has some members of their Committee of Management who also are members of the Committee of Management of WARTA.

The two operations are run totally independent, however WARTA ensure the costs are covered hence saving members additional membership money as the major part of their membership fee is towards Road Freight business then Industrial Relations.

The monies WARTA receives from Membership, Sponsorship, Marketing, Training, and Fees is part of the total financial fabric of the Association and having a Road Transport Industrial Organisation, as an integral partner, makes a simple process become even better for members of both entities.

ARTIO (WA Branch), whilst sharing premises and administration, is managed totally separately from WARTA and, in theory, not economically dependent on the WA Road Transport Association.

5: Inconsistency with figures in the Balance Sheet & Cash Flow Statement:
I have requested our Accountant and Auditor to go through the various "inconsistencies" and advise me as soon as possible.

Upon receipt I will ensure the information is passed onto you immediately.

Conclusion:

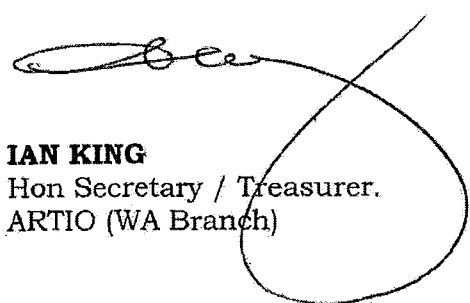

- ✦ The Expenditure (1) evaluation has highlighted the “descriptors” are not clear, and are not an accurate record of the movement of funds;
- ✦ The comments regarding key areas has been summarised and again it highlights incorrect use of the descriptor;
- ✦ The Economic Dependency is something that has been highlighted and my Association (WARTA) does offer ARTIO (WA Branch) an entry or introduction to our members, who are in need of Industrial Matters information;
- ✦ I am awaiting a face-to-face meeting with our Auditors – our normal Auditor will not be available until next week, when I will be able to discuss your comments about differing amounts etc, and I will then be communicating with you then;
- ✦ The terminology is acknowledged is an issue and requires clarification and my suggestion is that I get the Auditors to undertake a total review and provide clarification as part of the Audit Report. This will guarantee clarity and a total understanding as to what’s what!

This would ensure FWC are then totally aware of the explanations and the end result as per their Report.

I have spoken at length with the Association’s Treasurer and our Accountant for both entities.

In conclusion, I would welcome your comments and clarification on any matters.

Yours faithfully

IAN KING
Hon Secretary / Treasurer.

Dear Mr King

**Financial report of the Australian Road Transport Industrial Organization (“ARTIO”) -
Western Australian Branch for the financial years ended 30 June 2007 to 2012
(FR2007/309, FR2008/389, FR2009/10012, FR2010/2621, FR2011/2635, FR2012/320)**

ARTIO - Western Australian Branch (“the Branch”) financial reports for the years ended 30 June 2007, 2008, 2009, 2010, 2011 and 2012 were lodged with the Fair Work Commission (“FWC”) on 27 March 2013. I apologise for the delay in responding to these financial reports.

The financial reports have not been filed.

Further information is required to be provided before these reports can be finalised. Please provide the following requested information in writing to FWC by **Wednesday, 5 March 2014**. The information must be signed off by an office holder such as you.

1. Expenditure

The ARTIO branches and the national office are defined as reporting units under the RO Act. The Reporting Guidelines issued by the General Manager of FWC under s.255 of the *Fair Work (Registered Organisations) Act 2009* (“RO Act”) require mandatory disclosure of particular expenditure items incurred by a reporting unit.¹ The following expense items must be disclosed:

- a) Fees for payroll deductions;
- b) Contributions to other reporting units in the organisation including capitation fees paid to the ARTIO National office;
- c) Affiliation fees to external parties;
- d) Compulsory levies;
- e) Grants and donations;
- f) Employee benefits to office holders;
- g) Employee benefits to employees other than office holders;
- h) Conference and meeting allowances;
- i) Conference and meeting expenses;
- j) Legal fees; and
- k) Penalties imposed on the reporting unit under the RO Act or Regulations.

¹ The Reporting Guidelines have changed and will apply to each financial year that ends on or after 30 June 2013. The new Reporting Guidelines require more disclosures. See here for new Reporting Guidelines http://www.fwc.gov.au/documents/organisations/reporting_guidelines/fr_guidelines_253.pdf

Additionally, the Australian Accounting Standards Board requires the disclosure of the audit fees (AASB 1054(1)).

An examination of a number of profit and loss statements of the Branch lodged with FWC present brief expenditure descriptions such as 'other expenses' (FR2008/389), 'director's fee' (FR2009/10012), 'sponsorship fee' (FR2009/10012) and 'management fee' (FR2012/320). Can you please provide further information to explain these descriptors? What expenses does 'other expenses' include? Who is the director that is paid a fee? Who is receiving the sponsorship fee? What does the management fee cover and who is it paid to?

In addition, please provide separate figures for the expense items that are required to be disclosed according to the Reporting Guidelines for each of the 6 years. An examination of the ARTIO national office financial reports and the ARTIO organisation rules shows that ARTIO branches are required to pay the national office *capitation fees*. Also the *audit fees* for each year must be disclosed.

2. Absence of membership subscription for year ended 30 June 2007

Rule 15 of the ARTIO rules require each ARTIO branch to collect membership subscriptions on behalf of the organisation. I note from an examination of other (Victoria, Queensland, New South Wales and Tasmania) ARTIO Branches' financial reports, membership subscriptions were collected on behalf of the organisation in the year ended 30 June 2007.

Can you please provide an explanation as to why no membership subscription was collected for the Branch for the financial year ended 30 June 2007 and how it was possible for the Branch not to incur any expenses for that same financial year?

3. Fluctuation of income but membership remains steady

The income which is derived from membership subscriptions fluctuate from \$4,505 to \$69,360 whilst the membership numbers have remained between 116 to 144 members. Can you please explain the reason for this expansive fluctuation? How is the annual subscription amount determined to explain this great variance?

4. Economic Dependency

It appears that there is some economic relationship between the Branch and Western Australian Road Transport Association ("WARTA") previously known as Transport Forum Western Australia Inc.

Can you please explain the relationship between the two bodies and advise whether the Branch is economically dependent on WARTA?

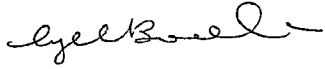

5. Inconsistency with figures in balance sheet and figures in cash flow statement

It appears that in each financial year the current assets and current liabilities for each year is the same figure. The current asset is made up of the 'sundry debtor' and the current liabilities are made up of 'other creditors'. The balance sheet shows that these amounts have not been paid or received as at the 30 June of each respective year. They are *due to be paid* and *due to be received* by the Branch as at the date of 30 June of each year.

However, it appears that the statement of cash flow provides that these identical amounts have been received and have been paid by the Branch during the financial year. The information contained in the statements of cash flows appears to be inconsistent to the information in the corresponding balance sheets. Can you please provide further information to explain this inconsistency?

If you have any questions regarding this letter please do not hesitate to contact me on (03) 8661 7915 or via email at cynthia.lobooth@fwc.gov.au I work part time from Wednesdays to Fridays and I will be on annual leave from 20 February to 4 March inclusive.

Yours sincerely

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report covers Australian Road Transport Industrial Organisation Western Australian Branch as an individual entity. Australian Road Transport Industrial Organisation Western Australian Branch as an association incorporated in WA under the Associations Incorporation Act 1981.

Basis of Preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations and the Associations Incorporations Act 1981.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions to which they apply. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of this financial report are presented below and have been consistently applied unless otherwise stated.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

(a) Revenue and Other Income

Revenue from the provision of membership subscriptions is recognised on a straight line basis over the financial year.

All revenue is stated net of the amount of goods and services tax (GST).

(b) Trade and Other Payables

Trade and other payables represent the liabilities at the end of the reporting period for goods and services received by the association that remain unpaid.

(c) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year. Where the association has retrospectively applied an accounting policy, made a retrospective restatement of items in the financial statements or reclassified items in its financial statements, an additional statement of financial position as at the beginning of the earliest comparative period will be disclosed.

(d) **Critical Accounting Estimates and Judgments**

The committee members evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the association.

Key Estimates - Impairment

The association assesses impairment at the end of each reporting period by evaluation of conditions and events specific to the association that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

(e) **New Accounting Standards for Application in Future Periods**

The Australian Accounting Standards Board has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods and which the association has decided not to early adopt. The association does not anticipate early adoption of any of the reporting requirements would have any material effect on the association's financial statements.

**Australian Road Transport Industrial Organisation Western Australian Branch
Independent Audit Report
to the Members of
Australian Road Transport Industrial Organisation Western Australian Branch**

Report on the Financial Report

We have audited the accompanying general purpose financial report of Australian Road Transport Industrial Organisation Western Australian Branch (the association) which comprises the balance sheet as at 30 June 2007 and the profit and loss report and cash flow statement for the year ended on that date. The executive committee is responsible for the financial report and has determined that the accounting policies used are appropriate to meet the needs of the Workplace Relations Act 1996 (ROA) and the needs of the members. We have conducted an independent audit of this financial report in order to express an opinion on it to the members. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of the Workplace Relations Act 1996 (ROA) and for distribution to the organisation's members. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it is prepared.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the organisation's financial position, and performance as represented by the results of its operations and its cash flows. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In our opinion, in relation to Section 257 (5) of the Workplace Relations Act 1996 (ROA), the organisation has during the financial year:

- (i) kept satisfactory accounting records including:
 - (a) records of the sources and nature of the income of the organisation (including income from members); and
 - (b) records of the nature and purpose of the expenditure;

**Australian Road Transport Industrial Organisation Western Australian Branch
Independent Audit Report
to the Members of
Australian Road Transport Industrial Organisation Western Australian Branch**

- (ii) the accounts and statements prepared under Section 273 in relation to the year were properly drawn up to give a true and fair view of
 - (a) the financial affairs of the organisation as at the end of the year; and
 - (b) the income and expenditure, and deficit of the organisation for the year; and
- (iii) all information and explanations sought under Section 276 (2) from officers and employees of the organisation were provided.

In our opinion the general purpose financial report presents fairly in accordance with applicable Australian Accounting Standards and other mandatory professional reporting requirements in Australia and the requirements of the Fair Work (Registered Organisations) Act 2009.
