Dear Mr Somerville,

**Re: Annual Return of information contained in records kept by organisation
(AR2004/161)**

I have received your letter dated 10 May 2004 and declaration of 5 May 2004 providing information in accordance with subsection 233(1) of Schedule 1B of the *Workplace Relations Act 1996*. The documents were lodged in the Industrial Registry on 24 May 2004.

The documents lodged cover the required information for the **2004** Annual Returns of the organisation:

The documents have been filed.

Documents on website

The Registry has created an electronic file for each registered organisation and branch which is accessible through the AIRC web site. The documents lodged will be placed on the AIRC Website at www.e-airc.gov.au/132n.

Electronic lodgment

I encourage you to take advantage of the electronic lodgment service provided by the Registry for future lodgments. You may register as a user and then lodge your documents via the Electronic Lodgment page of the AIRC website at www.airc.gov.au. Alternatively, you may send an email with the documents attached to riateam3@air.gov.au.

Please note that the Rules of the Commission allow for electronic signatures to be used, other than for statutory declarations (see subrule 74A(1)). As you would be aware, documents lodged under RAO section 233 are no longer required to be certified by "statutory declaration". A "declaration" will suffice. Where documents are lodged electronically, there will be no need to forward hard copies of the documents to the Registry.

Yours sincerely,

Dimitra Doukas
