**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION
(SOUTH AUSTRALIAN BRANCH)
A.B.N 23172174608**

Scope

The Financial Report and Committee's Responsibilities

The General Purpose Financial Report comprises the statement of financial position, statement of comprehensive income, statement of changes in equity, statement of cash flows and accompanying notes to the financial statements, and the committee of management's statement for AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION (SOUTH AUSTRALIAN BRANCH) for the year ended 31 December 2014.

The committee of the Branch is responsible for the preparation and true and fair presentation of the financial report. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

I conducted an independent audit in order to express an opinion to the members of the Branch. My audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

I performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the requirements imposed by Part 3 of Chapter 8 of Fairwork (Registered Organisations) Act 2009, including compliance with Australian Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with my understanding of the association's financial position, and of its performances represented by the results of its operations and cash flows.

I formed my audit opinion on the basis of these procedures, which included:

examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and

assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the committee.

While I considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, my audit was not designed to provide assurance on internal controls.

Independence

In conducting my audit, I followed applicable independence requirements of Australian professional ethical pronouncements and the Fair Work (Registered Organisations) Act 2009.

The general purpose financial report of AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION (SOUTH AUSTRALIAN BRANCH) presents fairly the financial position as at 31 December 2014, and the results of its operations and its cash flows for the year then ended and are in accordance with:

- (a) Australian Accounting Standards
- (b) The requirements imposed by the Fair Work (Registered Organisations) Act 2009 including Part 3 of Chapter 8 of the Act and
- (c) The Branch did not have any recovery of wages activity during the year.
- (d) The management's use of the going concern basis of accounting in the preparation of the Branch's financial report is appropriate.
