

29 June 2021

Dr Richard Singer
Secretary, Australian Capital Territory Branch
Australian Salaried Medical Officers Federation

cc. Douglas Farram, Auditor; Marika De Vecchis, Executive Officer

Dear Dr Richard Singer

Re: – Financial reporting – Australian Salaried Medical Officers Federation, Australian Capital Territory Branch - for year ending 31 December 2020 (FR2020/305)

I refer to the financial report of the Australian Capital Territory Branch of the Australian Salaried Medical Officers Federation in respect of the year ending 31 December 2020. The documents were lodged with the Registered Organisations Commission ('ROC') on 27 June 2021.

The financial report has been filed. The financial report was filed based on a primary review. This involved confirming whether the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements. Please note the report for year ending 31 December 2021 may be subject to an advanced compliance review.

You are not required to take any further action in relation to the 2020 report. However I make the following comments to assist when preparing the next report.

Reports must be provided to members within 5 months after end of financial year where report is presented to committee of management meeting

Under section 265(5)(b) of the RO Act, where the full report is presented to a committee of management meeting, the report must be provided to members within 5 months of the end of the financial year. In the Branch's case, this is 31 May.

The designated officer's certificate states that the financial report was presented, for the purposes of section 266, to a committee of management meeting and that the full report was provided to members on 3 June 2021. This was 3 days past the prescribed deadline.

The reporting unit should have applied for an extension of time to provide the full report to members in accordance with section 265(5) of the RO Act.

Please note that in future financial years if an extension of time to provide the full report later than 5 months is required, a written request, signed by a relevant officer, including any reason for the delay, must be made prior to the expiry of the 5 months.

Signing of documents

I noted that the committee of management statement, the section 255(2A) report and the officer declaration statement¹ were not effectively signed until 26 May 2021, after the holding of the first

¹ Also the Operating report

meeting on 28 April 2021, and after the financial statements were submitted to the auditor who signed the audit report on 6 May 2021.

I have noted the advice received as to circumstances for this and am satisfied that at the time he signed the audit report the auditor would have had regard to the fact that the committee of management had passed its resolution in relation to the statements and that the relevant financial statements submitted to him purported to have been signed and dated on 5 May 2021. However the branch should ensure in future years that the financial statements are properly signed and dated prior to or no later than the day the auditor signs the audit report.

You must rotate your registered auditor

Correspondence was provided to the reporting unit on 8 April 2021, which alerted you that your registered auditor is approaching their statutory limit on how many consecutive financial years they are permitted to audit your financial report. The financial report lodged identifies that Douglas Farram was the reporting unit's registered auditor for this financial year. Our records indicate that you have now used your current registered auditor for five consecutive financial years, which is the statutory limit under section 256A.

Please ensure that Douglas Farram is not assigned to audit the financial report of the reporting unit for at least the following two financial years. Further information on the rotation of registered auditor requirement can be found via [this link](#).

New Australian Accounting Standards

Australian Accounting Standards AASB 15 *Revenue from Contracts with Customers* and AASB 1058 *Income of Not-for-Profit Entities* became applicable to not-for-profit entities for annual periods beginning on or after 1 January 2019. It is not clear on the face of the statements that the reporting unit has adopted these standards. I also note that the Revenue policy disclosed on page 16 of the GPFR does not appear to have been updated to reflect these new standards.²

Please note that in future years the GPFR must include all relevant and required financial disclosures in accordance with AASB 15 and AASB 1058 as applicable.

Reporting Requirements

The ROC website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the s.253 reporting guidelines and a model set of financial statements. The ROC recommends that reporting units use these model financial statements to assist in complying with the RO Act, the s.253 Reporting Guidelines and Australian Accounting Standards. Access to this information is available via [this link](#).

Yours faithfully

Stephen Kellett

Report of the Audit of the Financial Report

Opinion

I have audited the financial report of Australian Salaried Medical Officers Federation (ACT Branch) (the Reporting Unit), which comprises the statement of financial position as at 31 December 2020, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended 31 December 2020, notes to the financial statements, including a summary of significant accounting policies; and the Committee of Management Statement, the subsection 255(2A) report and the Officer Declaration Statement.

In my opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of Australian Salaried Medical Officers Federation (ACT Branch) as at 31 December 2020, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

I declare that management's use of the going concern basis in the preparation of the financial statements of the Reporting Unit is appropriate.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the Reporting Unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of Management is responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

**INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION
(ACT BRANCH)
A.B.N 80 383 854 756**

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Committee of Management for the financial Report

The Committee of Management of the Reporting Unit is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Reporting Unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management either intend to liquidate the Reporting Unit or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.

**INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION
(ACT BRANCH)
A.B.N 80 383 854 756**

- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Reporting Unit's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.

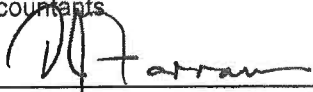

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the Reporting Unit audit. I remain solely responsible for my audit opinion.

I communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I declare that I am an auditor registered under the RO Act.

**COMMITTEE OF MANAGEMENT STATEMENT
FOR THE YEAR ENDED 31 DECEMBER 2020**

On the 28 / 04 / 2021 the committee of the Australian Salaried Medical Officers Federation (ACT Branch) passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 31 December 2020:

The committee of management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which GPFR relates and since the end of that year:
 - (i) meetings of the committee of the management were held in accordance with the rules of the organisation including the rules of the branch concerned; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of the branch concerned; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
 - (v) where information has been sought in any request by a member of the reporting unit or Commissioner duly made under section 272 of the RO Act, it has been provided to the member or Commissioner; and
 - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the Committee of Management.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

1 Summary of Significant Accounting Policies

Basis of Preparation of the Financial Statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisations) Act 2009. For the purpose of preparing the general purpose financial statements, the AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION (ACT BRANCH) is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

Comparative Amounts

When required by Accounting Standards, comparative figures have been adjusted to confirm to changes in presentation for the current financial year.

2 Significant Accounting Judgements and Estimates

The committee members evaluate estimates and accounting assumptions incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Branch. No significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period has been identified.

The accounting policies adopted are consistent with those of the previous year.

Future Australian Accounting Standards Requirements

No new standards, amendments to standards or interpretations that were issued prior to the sign-off date are applicable to the future reporting period that are expected to have a future financial impact on the Branch.

Cash

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash at bank, deposits held at call with bank.

Taxation

The Branch is exempt from Income Tax under Section 50-15 of the Income Tax Assessment Act 1997, however, it still has the obligation for the Goods and Services Tax (GST).

Revenues, expenses, and assets are recognised net of GST except: -

- where the amount of GST incurred is not recoverable from the Australian Taxation Office, and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

The Branch financial risk management policies are: -

(i) Interest rate risk

The Branch is not exposed to any interest rate risk, as it does not have any interest bearing financial instruments.

(ii) Foreign currency risk

The Branch is not exposed to fluctuations in foreign currencies.

(iii) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash to meet obligations when due. The Branch manages liquidity by regularly monitoring the cashflows. At the end of financial year, it held cash and deposits at call of \$245,685 (\$246,868 - 2019). The amount owing for trade and other payables is \$33,724 (\$63,734 - 2019) and will be paid when due. The Branch has no borrowings.

The Branch manages liquidity by regularly monitoring its cashflows.
