Mr Andrew Holland Executive Director, New South Wales Branch Australian Salaried Medical Officers Federation

By email: Andrewh@asmof.org.au

CC: Auditor, Mr Douglas John Farram

Dear Mr Holland,

Australian Salaried Medical Officers Federation, New South Wales Branch - Financial Report for the year ended 31 December 2016 - [FR2016/401]

I acknowledge receipt of the financial report of the New South Wales Branch of the Australian Salaried Medical Officers Federation. The documents were lodged with the Registered Organisations Commission ('the ROC') on 21 June 2017.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming whether the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the period ending 31 December 2017 may be subject to an advanced compliance review.

You are not required to take any further action in respect of the report lodged. However I make the following comments to assist you when you next prepare a financial report. The ROC will confirm this issue has been addressed prior to filing next year's report.

New Format for Auditor's Statement

The Auditing and Assurance Standards Board (AUASB) has released new requirements for auditor reports effective for financial reporting periods ending on or after 15 December 2016. The Auditor's Statement for the organisation/branch was not prepared in accordance with the new format required by ASA 700 *Forming an Opinion and Reporting on a Financial Report*.

Please ensure that the auditor's statement in relation to next year's financial report is prepared in accordance with ASA 700.

Reporting Requirements

On the ROC website is a number of factsheets in relation to the financial reporting process and associated timelines. The most recent copy of the Reporting Guidelines and a model set of financial statements can also be found. The ROC recommends reporting units use this model as it will assist in ensuring compliance with the RO Act, the s.253 Reporting Guidelines and the Australian Accounting Standards. Access to this information may be obtained via this link.

Please note that new Reporting Guidelines will apply to organisations and branches with financial years commencing on or after 1 July 2017. Updates and information on the new guidelines will be provided through the ROC website and the <u>subscription service</u>.

If you have any queries regarding this letter, please contact me via email at <u>stephen.kellett@roc.gov.au</u>.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION (NEW SOUTH WALES BRANCH) A.B.N 34 115 887 098

Scope

The Financial Report and Committee's Responsibilities

The General Purpose Financial Report comprises the statement of financial position, statement of comprehensive income, statement of changes in equity, statement of cash flows and accompanying notes to the financial statements, and the committee of management's statement for AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION (NEW SOUTH WALES BRANCH) for the year ended 31 December 2016.

The committee of the Branch is responsible for the preparation and true and fair presentation of the financial report. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

I conducted an independent audit in order to express an opinion to the members of the Branch. My audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

I performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the requirements imposed by Part 3 of Chapter 8 of Fairwork (Registered Organisations) Act 2009, including compliance with Australian Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with my understanding of the association's financial position, and of its performance as represented by the results of its operations and cash flows.

I formed my audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the.

While I considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, my audit was not designed to provide assurance on internal controls.

Independence

In conducting my audit, I followed applicable independence requirements of Australian professional ethical pronouncements and the Fair Work (Registered Organisations) Act 2009.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION (NEW SOUTH WALES BRANCH) A.B.N 34 115 887 098

Audit Opinion

In my opinion:

The general purpose financial report of AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION (NEW SOUTH WALES BRANCH) presents fairly the financial position as at 31 December 2016, and the results of its operations and its cash flows for the year then ended and are in accordance with:

- (a) Australian Accounting Standards
- (b) The requirements imposed by the Fair Work (Registered Organisations) Act 2009 including Part 3 of Chapter 8 of the Act and
- (c) The Branch did not have any recovery of wages activity during the year.
- (d) The management's use of the going concern basis of accounting in the preparation of the Branch's financial report is appropriate.
