Dear Dr Chapman,

**Australian Salaried Medical Officers Federation-Northern Territory Branch  
Financial Report for the year ended 31 December 2017 - [FR2017/328]**

I acknowledge receipt of the financial report of the Australian Salaried Medical Officers Federation-Northern Territory Branch (ASMOF NT). The documents were lodged with the Registered Organisations Commission (the ROC) on 13 June 2018. I also acknowledge an amended Designated Officer's Certificate was lodged on 26 July 2018 which included the correct date the full report was provided to the members of ASMOF NT.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 31 December 2018 may be subject to an advanced compliance review.

You are not required to take any further action in respect of the report lodged, however I make the following comments to assist you when you next prepare a financial report. The ROC will confirm these concerns have been addressed prior to filing next year's report.

**Loans, Grants and Donations**

Initial difference in figure reporting in LGD statement and financial report

A Loans, Grants and Donations statement for the reporting unit was lodged with the ROC as required under subsection 237(1) of the RO Act on 7 March 2018. A figure for donations that exceeded \$1,000 was also supplied in the financial report however that figure did not reconcile with the figure for donations in the Loans, Grants and Donations statement. I acknowledge an amended Loans, Grants and Donations statement was lodged on 20 August 2018 which reconciled with the figure for donations in the financial report.

**Committee of Management Statement**

Reference to s. 272 & 273

Following the enactment of the *Fair Work (Registered Organisations) Amendment Act 2016*, with effect from 1 May 2017, section 272 refers to Commissioner of the ROC instead of the General Manager, Fair Work Commission. However, section 273 continues to refer to the Fair Work Commission.

The ASMOF NT Committee of Management statement, at reference (e)(vi), refers to the 'Registered Organisations Commission'. In future, please ensure that this reference is to the 'Fair Work Commission'.

### **Reporting Requirements**

New Reporting Guidelines will apply to organisations and branches with financial years commencing on or after 1 July 2017. Updates and information on the new guidelines will be provided through the ROC website and the [subscription service](#).

On the ROC website is a number of factsheets in relation to the financial reporting process and associated timelines. The most recent copy of the Reporting Guidelines and a model set of financial statements can also be found. The ROC recommends reporting units use this model as it will assist in ensuring compliance with the RO Act, the s.253 Reporting Guidelines and the Australian Accounting Standards. Access to this information may be obtained via [this link](#).

If you have any queries regarding this letter, please contact me on (02) 8293 4654 or via email at [david.vale@roc.gov.au](mailto:david.vale@roc.gov.au).

Yours faithfully

**Report on the Audit of the Financial Report**

**Opinion**

I have audited the financial report of Australian Salaried Medical Officers' Federation Northern Territory (ASMOF NT) ( the Reporting Unit ), which comprises the statement of financial position as at 31 December 2017, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended 31 December 2017, notes to the financial statements, including a summary of significant accounting policies; and the Committee of Management Statement.

In my opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of ASMOF NT as at 31 December 2017, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work ( Registered Organisations ) Act 2009 ( the RO Act).

I declare that management's use of the going concern basis in the preparation of the financial statements of the Reporting Unit is appropriate.

**Basis for Opinion**

I conducted my my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the Reporting Unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants ( the Code ) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Information Other than the Financial Report and Auditor's Report Thereon**

The Committee of Management is responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF AUSTRALIAN SALARIED MEDICAL OFFICERS' FEDERATION  
(NORTHERN TERRITORY)  
A.B.N 21 976 890 225**

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

**Responsibilities of Committee of Management for the Financial Report**

The Committee of Management of the Reporting Unit is responsible for the preparation of the financial that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Reporting Unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management either intend to liquidate the Reporting Unit or to cease operations, or have no realistic alternative but to do so.

**Auditor's Responsibilities for the Audit of the Financial Report**

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.
  
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF AUSTRALIAN SALARIED MEDICAL OFFICERS' FEDERATION  
(NORTHERN TERRITORY)  
A.B.N 21 976 890 225**

- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Reporting Unit's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.

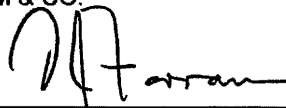

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a matter that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the Reporting Unit audit. I remain solely responsible for my audit opinion.

I communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I declare that I am an approved auditor, a member of Chartered Accountants Australia & New Zealand and hold a current Public Practice Certificate.

**1 Summary of Significant Accounting Policies**

**Basis of Preparation of the Financial Statements**

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisation) Act 2009. For the purpose of preparing the general purpose financial statements, the AUSTRALIAN SALARIED MEDICAL OFFICERS' FEDERATION (NORTHERN TERRITORY) is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities at measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

**Comparative Amounts**

When required by Accounting Standards, comparative figures have been adjusted to confirm to changes in presentation from the current financial year.

**Significant Accounting Judgements and Estimates**

The committee members evaluate estimates and accounting assumptions incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Branch. No significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period has been identified.

Dear Ms Thomson,

### **Lodgement of Financial Report - Reminder to lodge**

The Registered Organisations Commission's (the ROC) records disclose that the financial year of the Australian Salaried Medical Officers Federation-Northern Territory Branch (the reporting unit) ended on the 31 December 2017.

As you would be aware, the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires that a reporting unit prepare a financial report in accordance with the RO Act, make it available to the members and then must lodge the financial report within 14 days after the general meeting of members, or if the rules of the reporting unit allow, the Committee of Management meeting (s.268).

The maximum period of time allowed under the RO Act for the full financial report to be presented to a general meeting of members or a committee of management meeting is six months after the expiry date of its financial year (s.253, s254, s265, s.266, s.268). The full report must be lodged with the ROC within 14 days of that meeting.

The ROC encourages your reporting unit to lodge its financial report at the earliest opportunity in order to ensure compliance with its obligations. Failure of a reporting unit to lodge its financial report is a breach of a civil penalty provision of the RO Act. This can result in the Commissioner instituting an inquiry or investigation into a reporting unit's non-compliance under Chapter 11, Part 4 of the RO Act. The actions available to the Commissioner following an investigation include issuing Federal Court legal proceedings for breach of a civil penalty provision. The orders available to the Federal Court include imposition of a pecuniary penalty on the organisation or individual officer, whose conduct led to the contravention, of up to \$105,000 per contravention on the organisation and up to \$21,000 per contravention on an officer whose conduct led to the contravention.

Failure to lodge a financial report may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$105,000 for a body corporate and \$21,000 for an individual per contravention) being imposed upon your organisation and/or an officer whose conduct led to the contravention.

We encourage you to lodge the full financial report directly to [regorgs@roc.gov.au](mailto:regorgs@roc.gov.au). That is the official email address for electronic lodgements of material related to registered organisations matters.

Should you seek any clarification in relation to the above, please contact me on (03) 9954 2931 or via email at [Sam.Gallichio@roc.gov.au](mailto:Sam.Gallichio@roc.gov.au).

Yours faithfully,

Dear Ms Thomson,

**Re: Lodgement of Financial Report - [FR2017/328]  
*Fair Work (Registered Organisations) Act 2009 (the RO Act)***

The financial year of the Australian Salaried Medical Officers Federation-Northern Territory Branch (the reporting unit) ended on 31 December 2017. This is a courtesy letter to remind you of the reporting unit's obligations regarding financial reporting.

### **Loans Grants and Donations Statement**

The reporting unit is required to lodge a statement showing the relevant particulars in relation to each loan, grant or donation of an amount exceeding \$1,000 for the reporting unit during its financial year. Section 237 of the RO Act requires this statement to be lodged with Registered Organisations Commission (the ROC) within 90 days of the end of the reporting unit's financial year, that is on or before 31 March 2018.

The attached fact sheet *Loans Grants and Donations* (FS 009) summarises the requirements of the Loans Grants and Donations Statement. A sample statement of loans, grants or donations is available on our [website](#).

It should be noted that s.237 is a civil penalty provision. If a loan, grant or donation over \$1000 has been made, failure to lodge a statement of loans, grants and donations (including failure to lodge on time) may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$105,000 for each contravention for a body corporate and up to \$21,000 for each contravention for an individual) being imposed upon your organisation and/or an officer whose conduct led to the contravention.

### **Financial report**

The RO Act sets out a particular chronological order in which your financial report must be prepared, audited, provided to members, presented to a meeting and then lodged with the ROC. The attached document *Summary of Financial Reporting timelines* (FS 008) summarises these requirements.

We emphasise that the reporting unit is required to present its audited financial report to a meeting (either of members or of the committee of management, depending on your rules) no later than 30 June 2018 (s.266). The full financial report must be lodged with the ROC within 14 days of that meeting (s.268).

When assessing your financial report, we will continue to focus closely on timelines as well as how loans, grants and donations are reported. The financial report must break down the amounts of grants and donations and these figures will be compared to the loans, grants and donations statement (see attached *Loans Grants and Donations* fact sheet FS 009).

You can visit our website for more information regarding [financial reporting](#), and fact sheets regarding [financial reporting processes and requirements](#). A model set of financial statements developed by the ROC is also available on our website. It is not obligatory to use this model but it is a useful resource to ensure compliance with the RO Act, the Reporting Guidelines and the Australian Accounting Standards.

It should be noted that s.268 of the RO Act is a civil penalty provision. Failure to lodge the full financial report (including failure to lodge on time) may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$105,000 for each contravention for a body corporate and up to \$21,000 for each contravention for an individual) being imposed upon your organisation and/or an officer whose conduct led to the contravention (s.268).

### **Auditor's report**

When assessing the financial report we will also focus on the structure and content of the auditor's report to ensure that it complies with the revisions made to the Auditing Standards which came into effect from 15 December 2016. Please find [here](#) a link to guidance note *Illustrative Auditor's Report* (GN 004) relating to these requirements (which can also be located on our website).

## **REMINDER**

### **YOUR AUDITOR MUST BE REGISTERED (s.256)**

You must ensure that your auditor is registered by the Registered Organisations Commissioner. A list of registered auditors is available on our [website](#).

Should you require any clarification in relation to the above, please email [regorgs@roc.gov.au](mailto:regorgs@roc.gov.au).

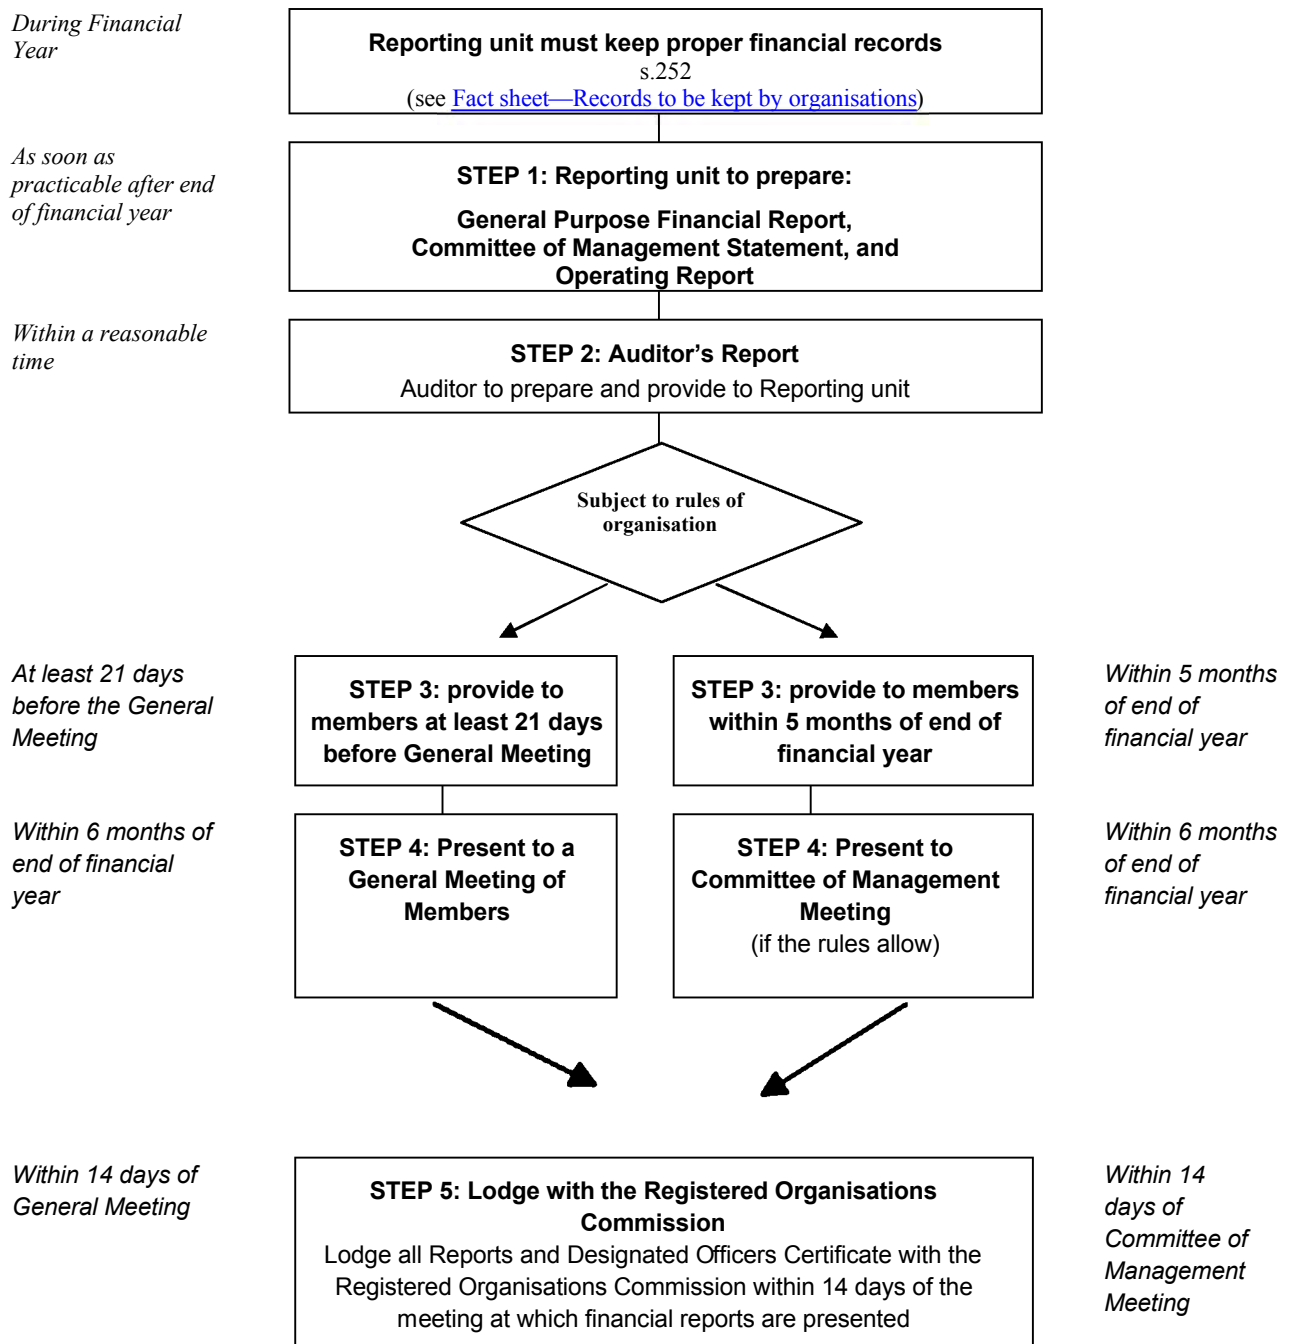

Yours faithfully,

## Fact sheet

### Loans, Grants & Donations

#### The Loans, Grants & Donations Requirements

The *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires an organisation or branch to lodge a loans, grants and donations statement (the statement) within **90 days** of the ending of the financial year.

Under the Commissioner's Reporting Guidelines, a reporting unit's General Purpose Financial Report (the financial report) must break down the amounts of grants and donations (see below). The figures in the financial report will be compared to the loans, grants and donations statement.

#### The Loans, Grants & Donations Statement

Section 237 of the RO Act applies to every loan, grant and donation made by an organisation or branch during the financial year that exceeds \$1000. The following information must be supplied to the Registered Organisations Commission (the ROC) for each relevant loan, grant or donation:

- the amount,
- the purpose,
- the security (if it is a loan),
- the name and address of the person to whom it was made,\* and
- the arrangements for repaying the loan.\*

\*The last two items are not required if the loan, grant or donation was made to relieve a member of the organisation (or their dependent) from severe financial hardship.

The statement must be lodged within 90 days of the end of the financial year and the ROC has a [Template Loans, Grants and Donations Statement](#) on its website. The ROC encourages branches and organisations to lodge the statement even if all of the figures are NIL.

#### Common misconceptions

Over the years, staff of the Commission have noted that there are some common misunderstandings made in relation to the Statement. They include:

Misconception	Requirement
<p><b>X</b> Only reporting units must lodge the Statement.</p>	<p><b>✓</b> All branches and organisations, regardless of whether they lodge a financial report, must lodge the statement within 90 days of the end of the financial year. An organisation cannot lodge a single statement to cover all of its branches.</p>
<p><b>X</b> Employees can sign the Statement.</p>	<p><b>✓</b> The statement must be signed by an elected officer of the relevant branch.</p>

	Statements can be lodged with the financial report.		The deadline for the statement is much shorter (90 days) and if it is lodged with the financial report it is likely to be late.
---	---	--	---

### Grants & Donations within the Financial Report

Item 16(e) of the Commissioner's Reporting Guidelines requires the reporting unit to separate the line items relating to grants and donations into grants or donations that were \$1000 or less and those that exceeded \$1000.

As such, the note in the financial report relating to grants and donations will have four lines. In the [ROC's Model Statements](#) the note appears as follows:

#### Note 4E: Grants ~~OR~~ donations\*

Grants:	[Current year]	[Previous year]
Total paid that were \$1,000 or less	-	-
Total paid that exceeded \$1,000	-	-
Donations:		
Total paid that were \$1,000 or less	-	-
Total paid that exceeded \$1,000	-	-
<b>Total grants or donations</b>	-	-

The Commissioner's Reporting Guidelines requires that these line items appear in the financial report even if the figures are NIL.

### Implications for filing the Financial Report

During their review of the financial report staff of the ROC may confirm that the figures in the financial report match the disclosures made in the statement. Any inconsistencies in these figures will be raised with the organisation or branch for explanation and action.

This may involve lodging an amended loans, grants or donations statement. Any failure to lodge a loans, grants or donations statement or lodging a statement that is false or misleading can attract civil penalties under the RO Act.

If a reporting unit did not fully comply with these requirements in their last financial report, its filing letter will have included a statement reminding the reporting unit of its obligations.

It is strongly recommended that all reporting units review their filing letters from the previous financial year to ensure any targeted concerns are addressed in their latest financial report.

Failure to address these individual concerns may mean that a financial report cannot be filed.

Previous financial reports and filing letters are available from the website.

### Further information

If you have any further questions relating to the loan, grant and donation disclosure requirements in the statement or the financial report, please contact the ROC on [regorgs@roc.gov.au](mailto:regorgs@roc.gov.au)
