I acknowledge receipt of the above mentioned financial reports of the Australian Salaried Medical Officers' Federation Queensland Branch. These documents were lodged with the Fair Work Commission (FWC) on 27 August 2014. I also acknowledge the receipt of supplementary information, that is, an updated Committee of Management Statement for each of the above mentioned financial years, on 21 October 2014. This was in response to the letters sent to you by the FWC on 14 October 2014.

The financial reports have now been filed.

Please note that the filing of these financial reports does not release the Branch from any obligations or potential findings with the ongoing investigation. The issues surrounding the Branch's non compliance with the statutory timeframes for the preparation, presentation and lodgement of these reports will be further considered and examined within the current investigation.

**Reporting Requirements**

On the FWC website a number of factsheets in relation to the financial reporting process and associated timelines are available. The most recent copy of the Reporting Guidelines and a model set of financial statements can also be found. The FWC recommends reporting units use this model as it will assist in ensuring compliance with the *Fair Work (Registered Organisations) Act 2009*, the s.253 Reporting Guidelines and the Australian Accounting Standards. Access to this information may be obtained via [this link](#).

Should you wish to discuss this letter, or if you require further information on the financial reporting requirements of the Act, I may be contacted on (03) 8661 7886 or by email at [joanne.fenwick@fwc.gov.au](mailto:joanne.fenwick@fwc.gov.au).

Dear Dr Finn

**Re: Lodgement of Financial statements and Accounts - Australian Salaried Medical Officers' Federation, Queensland Branch - for years ended 31 December 2006 (FR2006/656), 31 December 2007 (FR2007/618), 31 December 2008 (FR2008/600)**

I acknowledge receipt of the financial reports of the Australian Salaried Medical Officers' Federation, Queensland Branch [‘the reporting unit’] for the above years. The documents were lodged with the Fair Work Commission on 27 August 2014. .

The reports were assessed against the requirements of Schedule 1 of the *Workplace Relations Act 1996* (‘the RAO Schedule’) and the Reporting Guidelines issued on 12 October 2004. The qualifications in the auditor’s statement in respect of each report are noted.

The Committee of Management Statements for the years 2007 and 2008 did not comply with paragraph 26(b) of the Reporting Guidelines because they did not specify the date of the passage of the resolution by the Committee. Please amend each Committee of Management Statement to include this date and resubmit to FWC.

The filing of the reports has been deferred until the above action has been completed.

If you have any queries regarding this, please contact me on (03) 8661 7886.

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the requirements of the *Workplace Relations Act, 1996* [the RAO schedules].

The financial report covers the Australian Salaried Medical Officers Federation, Queensland Branch ("ASMOF Queensland Branch") as a reporting unit. *Reporting Basis and Conventions*

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values, or except where stated, current valuations of non-current assets. Costs are based on the fair values of the consideration given in exchange for assets.

**Accounting Policies**

**a) Income Tax**

No provision for income tax has been raised as ASMOF operates solely as a trade union under the *Workplace Relations Act 1996* and accordingly is exempt from income tax under Section 50-15 of the Income Tax Assessment Act 1997.

**b) Interest rate risk and credit risk exposure**

The ASMOF Queensland Branch manages its exposure to interest rates risk through regular review of its investment held with its financial institution and does not engage in significant transactions, which are speculative in nature.

The maximum credit risk exposure of financial assets is represented by the carrying amounts of assets recognised in the Balance Sheet, net of any provisions for losses.

The ASMOF Queensland Branch does not have any significant concentration of credit risk.

**c) Comparative Figures**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

We have audited the accompanying financial report of the Australian Salaried Medical Officers Federation Queensland Branch ("ASMOF Queensland Branch"), which comprises the balance sheet as at 31 December 2006 and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the statement by the Committee of Management.

***Committee's Responsibility for the Financial Report***

The Committee of Management of ASMOF Queensland Branch are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the financial reporting requirements of the *Workplace Relations Act 1996* [the RAO Schedules]. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

***Auditor's Responsibility***

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Independence***

In conducting our audit, we have complied with the independence requirements of the Australian professional ethical pronouncements.

**Qualification**

In our opinion, in respect to the preparation of the financial records and preparation of the general purpose financial report, the ASMOF Queensland Branch has not complied with the requirements of Part 3 of Chapter 8 of the *Workplace Relations Act, 1996* in a timely manner.

**Emphasis of Matter**

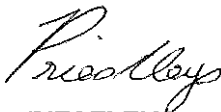

As described in the Committee of Management's Statement there is uncertainty if ASMOF Queensland Branch has complied with all of the requirements of the *Workplace Relations Act 1996*.

**Audit Opinion**

In our opinion, with the exception of the matters raised in the qualification paragraph and the emphasis of matter paragraph, above;

- (a)(i) there were kept by the organisation in relation to the year satisfactory accounting records, including:
- (A) records of the sources and nature of the income of the organisation (including income from members); and
  - (B) records of the nature and purposes of the expenditure of the organisation; and
- (ii) the accounts and statements prepared under section 253 in relation to the year were properly drawn up so as to present fairly:
- (A) the financial affairs of the organisation as at the end of the year; and
  - (B) the income and expenditure, and any surplus or deficit, of the organisation for the year; and
- (b) all the information and explanations that, under section 257 subsection (2), officers or employees of the organisation were required to provide were provided.

The general purpose financial statements presents fairly, in all material respects, in accordance with the requirements of the *Workplace Relations Act 1996* and the applicable Australian Accounting Standards including the Australian Accounting Interpretations, the financial position of Branch as at 31 December 2006, and of its performance and cash flows for the year then ended.
