**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF
AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION
(SOUTH AUSTRALIAN BRANCH)**

Scope

The financial report and committee of managements' responsibility.

The financial report comprises balance sheet, detailed statement of income and expenditure, statement of cash flows and accompanying notes to the financial statements and the committee of management statement for the Australian Salaried Medical Officers Federation – South Australian Branch for the year ended 31 December 2009.

The committee of management of the union are responsible for the preparation and true and fair presentation of the financial report in accordance with the Workplace Relations Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

We conducted an independent audit in order to express an opinion to the members of the union. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the accounting policies described in Note 1, so as to present a view which is consistent with our understanding of the unions' financial position, and of their performance as represented by the results of their operations and their cash flows. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia. No opinion is expressed as to whether the accounting policies used and described in Note 1, are appropriate for the needs of the members.

We formed our audit opinion in the basis of these procedures, which included:

- examining, on test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the committee of management.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In our opinion, the general purpose financial report of the Australian Salaried Medical Officers Federation – South Australian Branch is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of chapter 8 of the RAO Schedule of the Workplace Regulations Act 1996.

The Committee of Management statement dated 18 February 2010 has been taken into consideration as part of the audit process.
