Australian Salaried Medical Officers Federation

Dear Lara Giddings

Re: – Financial reporting – Australian Salaried Medical Officers Federation, Tasmania Branch - for year ending 31 December 2020 (FR2020/306)

I refer to the financial report of the Tasmania Branch of the Australian Salaried Medical Officers Federation in respect of the year ending 31 December 2020. The documents were lodged with the Registered Organisations Commission ('ROC') on 16 June 2021.

The financial report has been filed. The financial report was filed based on a primary review. This involved confirming whether the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements. Please note the report for year ending 31 December 2021 may be subject to an advanced compliance review.

You are not required to take any further action in relation to the 2020 report. However I make the following comments to assist when preparing the next report.

Documents must be lodged with ROC within 14 days after presentation [to general meeting or meeting of the committee of management]

Section 268 of the RO Act requires a copy of the full report and the designated officer's certificate to be lodged with the ROC within 14 days after the general meeting of members [or meeting of the committee of management] referred to in section 266.

The designated officer's certificate indicates that the full report was presented to a meeting of the committee of management on 19 May 2021. This means the documents should have been lodged with the ROC by 2 June 2021.

Please note that in future financial years if the branch cannot lodge within the 14 day period prescribed, a written request for an extension of time, signed by a relevant officer, including any reason for the delay, must be made *prior to* the expiry of the 14 day period.

New Australian Accounting Standards

Australian Accounting Standards AASB 15 *Revenue from Contracts with Customers* and AASB 1058 *Income of Not-for-Profit Entities* became applicable to not-for-profit entities for annual periods beginning on or after 1 January 2019. It is not clear that the reporting unit has adopted these standards, although I note the disaggregation under the headings "Revenue" and "Other Income" in

the statement of Comprehensive Income. I also note that the Revenue policy disclosed on page 15 of the GPFR does not appear to have been updated to reflect these new standards.¹

Please note that in future years the GPFR must include all relevant and required financial disclosures in accordance with AASB 15 and AASB 1058 as applicable.

Reporting Requirements

The ROC website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the s.253 reporting guidelines and a model set of financial statements. The ROC recommends that reporting units use these model financial statements to assist in complying with the RO Act, the s.253 Reporting Guidelines and Australian Accounting Standards. Access to this information is available via [this link](#).

Yours faithfully

Report on the Audit of the Financial Report

Opinion

I have audited the financial report of Australian Salaried Medical Officers Federation (Tasmania Branch) (the Reporting Unit), which comprises the statement of financial position as at 31 December 2020, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended 31 December 2020, notes to the financial statements, including a summary of significant accounting policies; and the Committee of Management Statement, the subsection 255(2A) report and the Officer Declaration Statement.

In my opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of Australian Salaried Medical Officers Federation (Tasmania Branch) as at 31 December 2020, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

I declare that management's use of the going concern basis in the preparation of the financial statements of the Reporting Unit is appropriate.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the Reporting Unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of Management is responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

**INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION
(TASMANIA BRANCH)
A.B.N 22 748 082 892**

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Committee of Management for the financial Report

The Committee of Management of the Reporting Unit is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Reporting Unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management either intend to liquidate the Reporting Unit or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.

**INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION
(TASMANIA BRANCH)
A.B.N 22 748 082 892**

- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Reporting Unit's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

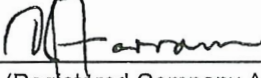

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the Reporting Unit audit. I remain solely responsible for my audit opinion.

I communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I declare that I am an auditor registered under the RO Act.
