Dear Mr Lowe

#### Re: Schedule 1 of the Workplace Relations Act 1996 (RAO Schedule) Financial reports for year ended 30 June 2007 – FR2007/493

I acknowledge receipt of the financial reports of the Federal Branch of the Australian Trainers' Association for the year ended 30 June 2007. The documents were lodged in the Industrial Registry on 19 September 2008.

The documents have been filed and no further action is required with respect to these filed documents.

The following comments are made to assist you when you prepare future financial reports.

#### 1. Approved Auditor

It is not clear from the auditor's report whether or not the auditor is an approved auditor. Regulation 4 of the *Workplace Relations (Registration and Accountability of Organisations) Regulations 2003* (RAO Regulations) defines the meaning of an approved auditor as:

"(a) a person who:

(i)is a member of CPA Australia, The Institute of Chartered Accountants in Australia or the National Institute of Accountants; and
(ii)holds a current Public Practice Certificate..."

In all likelihood the auditor is such a person however, we require this to be made explicit in the auditor's report. Please forward this request to your auditor.

#### 2. Operating Report - Trustee or Director of Superannuation Entity

Subsection 254(2)(d) of the RAO Schedule requires the provision of details of any **officer or member** of the reporting unit who is a trustee or a director of a company that is a trustee of a superannuation entity or an exempt public sector superannuation scheme where the criterion for the officer or member being the trustee or director is that he is an officer or member of a registered organisation.

I note the operating report has addressed this issue in respect of the federal executives but it is a requirement that the reporting unit should also consider whether **any members** of the reporting unit is a trustee or a director of a company that is a trustee of a superannuation entity or exempt public sector superannuation scheme where the criterion is that he is an officer or member of a registered organisation. Please incorporate this issue of trustees or directors of a superannuation entity in relation to both officers and members of your reporting unit.

#### 3. References to RAO Schedule and Schedule 1

References to the RAO Schedule on pages 5 (auditor's report) and 16 (notes to the GPFR) were mistakenly referred to as the ROA Schedule.

Since 27 March 2006 references to Schedule 1B changed to Schedule 1.

If you have any matters you wish to discuss regarding this correspondence I may be contacted on (03) 8661 7989 (Wednesdays to Fridays) or by email at <u>cynthia.lobooth@airc.gov.au</u>.

Yours sincerely,

lyel Breel

#### INDEPENDENT AUDIT REPORT

#### Scope

#### The financial report and committee of management's responsibility

The financial report comprises the balance sheet, income statement, statement of changes in equity, statement of cash flows, accompanying notes to the financial statements and the statements by members of the committee for the Australian Trainers' Association – Federal Branch for the year ended 30 June 2007 as set out on pages 6 - 25.

The committee of management is responsible for the preparation and true and fair presentation of the financial statements in accordance with the Workplace Relations Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

#### Audit approach

We have conducted an independent audit in order to express an opinion to the members of the Association. Our audit has been conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the special purpose financial report presents fairly, in accordance with the Workplace Relations Act 1996 including compliance with Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the Association's financial position, and of its performance as represented by the results of its operations and cash flows.

We performed an opinion on the basis of these procedures, which included:

- examining on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the committee.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

#### Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

#### COMMITTEE OF MANAGEMENT STATEMENT

On 21<sup>st</sup> of September 2007 the Committee of Management of Australian Trainers' Association passed the following resolution in relation to the general purpose financial report (GPFR) of the reporting unit for the financial year ended 30 June 2007:

The Committee of Management declares in relation to the GPFR that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the Industrial Registrar;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable;
- (e) during the financial year to which the GPFR relates and since the end of that year: meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
  - (i) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
  - (ii) the financial records of the reporting unit have been kept and maintained in accordance with the RAO Schedule and the RAO Regulations; and
  - (iii) where the organisation consists of 2 or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and
  - (iv) the information sought in any request of a member of the reporting unit or a Registrar duly made under section 272 of the RAO Schedule has been furnished to the member or Registrar; and
  - (v) there has been compliance with any order for inspection of financial records made by the Commission under section 273 of the RAO Schedule.

Signed on behalf of the Committee of Management.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2007

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Urgent Issues Group Consensus Views, other authoritative pronouncements of the Australian Accounting Standards Board and fulfilling the requirements of Schedule 1B of the Workplace Relations Act 1996.

The financial report covers Australian Trainers' Association – Federal Branch as an individual entity. Australian Trainers' Association – Federal Branch is an Association domiciled in Australia and registered under the Workplace Relations Act 1996.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

#### **Basis of preparation**

First –time adoption of Australian Equivalents to International Financial Reporting Standards

Australian Trainers' Association – Federal Branch has prepared financial statements in accordance with the Australian equivalents to International Financial Reporting Standards (AIFRS) from 1 July 2005.

In accordance with the requirements of AASB 1: First-time Adoption of Australian Equivalents to International Financial Reporting Standards, adjustments to the accounts resulting from the introduction of AIFRS have been applied retrospectively to 2005 comparatives figures excluding cases where optional exemptions available under AASB 1 have been applied.

The accounting policies set out below have been consistently applied to all years presented. The entity has however elected to adopt the exemptions available under AASB1 relating to AASB132: Financial Instruments: Disclosure and Presentation, and AASB139: Financial Instruments: Recognition and Measurement. Refer Note 21 Change in Accounting Policy for further details.

Reconciliations of the transition from previous Australian GAAP to AIFRS have been included in Note 2 First-time Adoption to AIFRS to this report.

#### Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, and financial assets and financial liabilities for which the fair value basis of accounting has been applied.

#### a. Income Tax

No provision for income tax is made as the Association, being an organisation of employers registered under the Workplace Relations Act 1996, is exempt from income tax under Section 50-15 Item 3.1 (b) of the Income Tax Assessment Act 1997.

#### ABN 86 182 142 206

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2007

#### b. **Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

#### Property

Land and buildings are measured on the cost basis less depreciation and impairment losses.

The carrying amount of land and buildings is reviewed annually by committee members to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

#### Plant and equipment

Plant and equipment is measured on the cost basis.

The carrying amount of plant and equipment is reviewed annually by committee members to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows, which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

#### Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a diminishing cost method or straight line basis over their estimated useful lives to the Association commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to a depreciation charge. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of assets are:

| Class of Fixed Asset         | Depreciation Rate |
|------------------------------|-------------------|
| Motor Vehicles               | 22.5%             |
| Office Furniture & Equipment | 1.8-30%           |
| Computer Hardware            | 40%               |
| Computer Software            | 40%               |

#### c. Investment Property

Investment property, comprising a retail site, is held to generate long-term rental yields. The lease is to the controlled entity, Racing Supplies Pty Ltd on an arm's length basis. Investment property is carried at fair value, determined annually by independent valuers. Changes to fair value are recorded in the income statement as other income.

#### d. Financial Instruments

#### Recognition

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

#### ABN 86 182 142 206

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2007

#### Available-for-sale financial assets

Available-for-sale financial assets include any financial assets not included in the above categories. Available-for-sale financial assets are reflected at fair value. Unrealised gains and losses arising from changes in fair value are taken directly to equity.

#### **Financial Liabilities**

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

#### Impairment

At each reporting date, the committee assess whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the income statement.

#### e. Impairment of Assets

At each reporting date, the association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

Where it is not possible to estimate the recoverable amount of an individual asset, the association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

#### f. Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages and salaries, annual leave and long service leave which will be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on-costs. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the association to an employee superannuation fund and are charged as expenses when incurred. The association has no legal obligation to provide benefits to employees on retirement.

#### g. Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand and at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months and net of bank overdrafts.

#### h. Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Revenue from the rendering of a service is recognised upon the delivery of the service to the customers. All revenue is stated net of the amount of goods and services tax (GST).

#### ABN 86 182 142 206

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2007

#### i. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

#### j. Comparatives

Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

#### NOTE 2: FIRST-TIME ADOPTION OF AUSTRALIAN EQUIVALENTS TO INTERNATIONAL FINANCIAL

#### **REPORTING STANDARDS**

On transition to AIFRS, there are no adjustments to equity or profit or loss between previous Australian GAAP and AIFRS.

#### NOTE 3: INFORMATION TO BE PROVIDED TO MEMBERS OR REGISTRAR

In accordance with the requirements of the ROA Schedule, the attention of Members is drawn to the provisions of Sub-Sections (1), (2) and (3) of Section 272, which read as follows:

- " (1) A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
  - (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
  - (3) A reporting unit must comply with an application made under subsection (1)."

#### **NOTE 20: FINANCIAL INSTRUMENTS**

#### a. Interest Rate Risk

The economic entity's exposure to interest rate risk, which is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on those financial assets, is as follows:

#### b. Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount of those assets, net of any provisions for doubtful debts, as disclosed in the statement of financial position and notes the financial statements.

The economic entity does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the economic entity.

#### c. Net Fair Values

The net fair values of listed investments have been valued at the quoted market bid price at balance date adjusted for transaction costs expected to be incurred. For other assets and other liabilities the net fair value approximates their carrying value. No financial assets and financial liabilities are readily traded on organised markets in standardised form other than listed investments. Financial assets where the carrying amount exceeds net fair values have not been written down as the economic entity intends to hold these assets to maturity.

The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed in the statement of financial position and in the notes to the financial statements.
