## **INDEPENDENT AUDIT REPORT**

### **Scope**

#### The financial report and committee of management's responsibility

The financial report comprises the balance sheet, income statement, statement of changes in equity, statement of cash flows, accompanying notes to the financial statements and the statements by members of the committee for the Australian Trainers' Association South Australia Branch for the year ended 30 June 2007 as set out on pages 6 to 19.

The committee of management is responsible for the preparation and true and fair presentation of the financial statements in accordance with the Workplace Relations Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

#### Audit approach

We have conducted an independent audit in order to express an opinion to the members of the Association. Our audit has been conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the special purpose financial report presents fairly, in accordance with the Workplace Relations Act 1996 including compliance with Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the Association's financial position, and of its performance as represented by the results of its operations and cash flows.

We performed an opinion on the basis of these procedures, which included:

- examining on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the committee.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

### **Independence**

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2007**

**NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Urgent Issues Group Consensus Views, other authoritative pronouncements of the Australian Accounting Standards Board and fulfilling the requirements of Schedule 1B of the Workplace Relations Act 1996.

The financial report covers Australian Trainers' Association – South Australia Branch as an individual entity. Australian Trainers' Association – South Australia Branch is an Association domiciled in Australia and registered under the Workplace Relations Act 1996.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

**Basis of preparation**

First-time adoption of Australian Equivalents to International Financial Reporting Standards

Australian Trainers' Association – South Australia Branch has prepared financial statements in accordance with the Australian equivalents to International Financial Reporting Standards (AIFRS) from 1 July 2005.

In accordance with the requirements of AASB 1: First-time Adoption of Australian Equivalents to International Financial Reporting Standards, adjustments to the accounts resulting from the introduction of AIFRS have been applied retrospectively to 2005 comparative figures excluding cases where optional exemptions available under AASB 1 have been applied.

The accounting policies set out below have been consistently applied to all years presented. The entity has however elected to adopt the exemptions available under AASB 1 relating to AASB 132: Financial Instruments: Disclosure and Presentation, and AASB 139: Financial Instruments: Recognition and Measurement. Refer Note 15 Change in Accounting Policy for further details.

Reconciliations of the transition from previous Australian GAAP to AIFRS have been included in Note 2 First-time Adoption to AIFRS to this report.

*Reporting Basis and Conventions*

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, and financial assets and financial liabilities for which the fair value basis of accounting has been applied.

**AUSTRALIAN TRAINERS' ASSOCIATION  
SOUTH AUSTRALIA BRANCH**

**ABN 25 865 893 016**

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2007**

**a. Income Tax**

No provision for income tax is made as the Association, being an organisation of employers registered under the Workplace Relations Act 1996, is exempt from income tax under Section 50-15 Item 3.1 (b) of the Income Tax Assessment Act 1997.

**b. Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

**Plant and equipment**

Plant and equipment is measured on the cost basis.

The carrying amount of plant and equipment is reviewed annually by committee members to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows, which will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

**Depreciation**

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a diminishing cost method and straight line basis over their estimated useful lives to the Association commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to a depreciation charge. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of assets are:

<b>Class of Fixed Asset</b>	<b>Depreciation Rate</b>
Office Furniture & Equipment	<b>15-25%</b>

**c. Employee Benefits**

Contributions are made by the association to an employee superannuation fund and are charged as expenses when incurred. The association has no legal obligation to provide benefits to employees on retirement.

**d. Cash**

For the purposes of the statement of cash flows, cash includes cash on hand and at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months and net of bank overdrafts.

**e. Revenue**

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

**AUSTRALIAN TRAINERS' ASSOCIATION  
SOUTH AUSTRALIA BRANCH**

**ABN 25 865 893 016**

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2007**

**f. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

**g. Comparatives**

Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

**h. Going Concern**

The accounts have been prepared on the basis that the Australian Trainers' Association South Australia Branch is a going concern. The appropriateness of adopting this basis is dependent on the Association being able to generate sufficient funds through membership, sponsorship and other sources to meet its debts as and when they become due and payable and to continue to fund its ongoing operations.

At balance date, the Association has accumulated losses of \$10,055 and a deficiency of net assets of liabilities of \$10,055. Liabilities include an outstanding loan to the Australian Trainers' Association Federal Branch of \$20,246. The Association has the continuing support of the Federal Branch who have agreed not to demand repayments of the loan until such time as the Association is in a position to make repayments. The Committee of Management is confident that the current strategies in place will be successful in allowing the Association to continue to pay its debts as and when they fall due.

**NOTE 2: FIRST-TIME ADOPTION OF AUSTRALIAN EQUIVALENTS TO INTERNATIONAL FINANCIAL REPORTING STANDARDS**

On transition to AIFRS, there are no adjustments to equity or profit or loss between previous Australian GAAP and AIFRS.

**NOTE 3: INFORMATION TO BE PROVIDED TO MEMBERS OR REGISTRAR**

In accordance with the requirements of the ROA Schedule, the attention of Members is drawn to the provisions of Sub-Sections (1), (2) and (3) of Section 272, which read as follows:

- “ (1) A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.

**b. Credit Risk**

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount of those assets, net of any provisions for doubtful debts, as disclosed in the statement of financial position and notes the financial statements.

The economic entity does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the economic entity.

**c. Net Fair Values**

The net fair values of listed investments have been valued at the quoted market bid price at balance date adjusted for transaction costs expected to be incurred. For other assets and other liabilities the net fair value approximates their carrying value. No financial assets and financial liabilities are readily traded on organised markets in standardised form other than listed investments. Financial assets where the carrying amount exceeds net fair values have not been written down as the economic entity intends to hold these assets to maturity.

The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed in the statement of financial position and in the notes to the financial statements.
