Dear Nigel Schuurin,

Section 271 application for certificate of exemption from the requirements of Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act) (FR2019/101)

I refer to the application lodged pursuant to section 271(1) of the Act by the Australian Trainers' Association-Tasmanian Branch (**the reporting unit**) for the financial year ended 30 June 2019. The application was lodged with the Registered Organisations Commission (**ROC**) on 11 July 2019.

The application has been granted. The certificate is attached.

I make the following comment to assist you when you next prepare the section 271 application for the certificate of exemption from requirements of Part 3 of Chapter 8 of the RO Act

Following the enactment of the *Fair Work (Registered Organisations) Amendment Act 2016*, the ROC is the new regulator for registered organisations, with effect from 1 May 2017. All references to the Fair Work Commission and General Manager must be changed to the Registered Organisations Commission and Commissioner.

I note that the section 271 application for exemption lodged on 11 July 2019 was addressed to the General Manager instead of the Commissioner.

If you wish to discuss this matter, please contact me on 1300 341 665 or by email at regorgs@roc.gov.au.

Yours faithfully

Dear Sir/Madam,

RE: AUSTRALIAN TRAINERS' ASSOCIATION - TASMANIAN BRANCH

We make the following representations with respect to the application for exemption pursuant to s271(1) of the *Fair Work (Registered Organisations) Act 2009* for the above-mentioned branch for the financial year ended 30 June 2019.

The branch did not hold an interest in any real property or personal property for the financial year ended 30 June 2019.

The branch did not have any financial affairs in the financial year.

The branch does not act as trustee in any form.

The branch does not have any funds under rule 42 of the Association's Constitution.

The members of the branch pay levies under the rules of the organisation to the central body Australian Trainers' Association – Federal Branch (ATA Federal).

The branch has elected to allow ATA Federal to retain the total of subscription fees collected by the Federal Office. Therefore, the Federal Office retains the total of fees received for the branch, due to the branch not operating a bank account and relies on the Federal Office to complete administrative and/or secretarial duties.

The branch has not secured any funds to discharge its obligations.

The branch did not produce financial accounts for the last financial year.

It can be concluded that ATA Federal has effective control over the funds of the branch with respect to the management of funds.

Signed by and on behalf of the ATA - Tasmanian Branch Committee:

Nigel Schuurin, President
