# INDEPENDENT AUDIT REPORT

# Scope

# The financial report and committee of management's responsibility

The financial report comprises the balance sheet, income statement, statement of recognised income and expenditure, cash flow statement, accompanying notes to the financial statements and the statements by members of the committee for the Australian Trainers' Association Western Australia Branch ("branch") for the year ended 30 June 2009 as set out on pages 6 to 19.

The committee of management is responsible for the preparation and true and fair presentation of the financial statements in accordance with the Workplace Relations Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

## Audit approach

We have conducted an independent audit in order to express an opinion to the members of the branch. Our audit has been conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the special purpose financial report presents fairly, in accordance with the Workplace Relations Act 1996 including compliance with Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the branch's financial position, and of its performance as represented by the results of its operations and cash flows.

We performed an opinion on the basis of these procedures, which included:

- examining on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the committee.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

## Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

ABN 90 084 088 926

# INDEPENDENT AUDIT REPORT

# (continued)

# **Audit Opinion**

In our opinion the general purpose financial report is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of Schedule 1 of the Workplace Relations Act 1996.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2009

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Urgent Issues Group Consensus Views, other authoritative pronouncements of the Australian Accounting Standards Board and fulfilling the requirements of Schedule 1 of the Workplace Relations Act 1996.

The financial report covers Australian Trainers' Association – Western Australia Branch as an individual entity. Australian Trainers' Association is an Association domiciled in Australia and registered under the Workplace Relations Act 1996.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

#### a. Income Tax

No provision for income tax is made as the Association, being an organisation of employers registered under the Workplace Relations Act 1996, is exempt from income tax under Section 50-15 Item 3.1 (b) of the Income Tax Assessment Act 1997.

## b. **Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

#### Plant and equipment

Plant and equipment is measured on the cost basis.

The carrying amount of plant and equipment is reviewed annually by committee members to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows, which will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

## Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a diminishing cost method and straight line basis over their estimated useful lives to the Association commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to a depreciation charge. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of assets are:

Class of Fixed Asset	Depreciation Rate
Office Furniture & Equipment	7.5-25%

# ABN 90 084 088 926

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2009

C. Cash

For the purposes of the statement of cash flows, cash includes cash on hand and at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months and net of bank overdrafts.

#### d. Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

## e. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

## f. Comparatives

Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

## g. New Accounting Standards for Application in Future Periods

The AASB has issued new, revised and amended Standards and Interpretations that have mandatory application dates for future reporting periods and which the association has decided not to early adopt. A discussion of those future requirements and their impact on the association is as follows:

- AASB 3: Business Combinations, AASB 127: Consolidated and Separate Financial Statements, AASB 2008–3: Amendments to Australian Accounting Standards arising from AASB 3 and AASB 127 [AASB Standards 1, 2, 4, 5, 7, 101, 107, 112, 114, 116, 121, 128, 131, 132, 133, 134, 136, 137, 138 and 139 and Interpretations 9 and 107] (applicable for annual reporting periods commencing from 1 July 2009) and AASB 2008–7: Amendments to Australian Accounting Standards Cost of an Investment in a Subsidiary, Jointly Controlled Entity or Associate [AASB 1, AASB 118, AASB 121, AASB 127 and AASB 136] (applicable for annual reporting periods commencing from 1 January 2009). These Standards are applicable prospectively and so will only affect relevant transactions and consolidations occurring from the date of application. Neither of these Standards are currently applicable to the association.
- AASB 8: Operating Segments and AASB 2007–3: Amendments to Australian Accounting Standards arising from AASB 8 [AASB 5, AASB 6, AASB 102, AASB 107, AASB 119, AASB 127, AASB 134, AASB 136, AASB 1023 and AASB 1038] (applicable for annual reporting periods commencing from 1 January 2009). This Standard replaces AASB 114 and requires identification of operating segments on the basis of internal reports that are regularly reviewed by the group's board for the purposes of decision making. While the impact of this Standard cannot be assessed at this stage, there is the potential for more segments to be identified. Given the lower economic level at which segments may be defined, and the fact that cash generating units cannot be bigger than operating segments, impairment calculations may be affected. Management presently do not believe impairment will result however.

# ABN 90 084 088 926

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2009

- AASB 101: Presentation of Financial Statements, AASB 2007–8: Amendments to Australian Accounting Standards arising from AASB 101, and AASB 2007–10: Further Amendments to Australian Accounting Standards arising from AASB 101 (all applicable to annual reporting periods commencing from 1 January 2009). The revised AASB 101 and amendments supersede the previous AASB 101 and redefine the composition of financial statements including the inclusion of a statement of comprehensive income. There will be no measurement or recognition impact on the association. If an entity has made a prior period adjustment or reclassification, a third balance sheet as at the beginning of the comparative period will be required.
- AASB 123: Borrowing Costs and AASB 2007–6: Amendments to Australian Accounting Standards arising from AASB 123 [AASB 1, AASB 101, AASB 107, AASB 111, AASB 116 and AASB 138 and Interpretations 1 and 12] (applicable for annual reporting periods commencing from 1 January 2009). The revised AASB 123 has removed the option to expense all borrowing costs and will therefore require the capitalisation of all borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset. Management has determined that there will be no effect on the association as a policy of capitalising qualifying borrowing costs has been maintained by the association.
- AASB 2008–1: Amendments to Australian Accounting Standard Share-based Payments: Vesting Conditions and Cancellations [AASB 2] (applicable for annual reporting periods commencing from 1 January 2009). This amendment to AASB 2 clarifies that vesting conditions consist of service and performance conditions only. Other elements of a sharebased payment transaction should therefore be considered for the purposes of determining fair value. Cancellations are also required to be treated in the same manner whether cancelled by the entity or by another party. This Standard is not currently applicable to the association.
- AASB 2008–2: Amendments to Australian Accounting Standards Puttable Financial Instruments and Obligations arising on Liquidation [AASB 7, AASB 101, AASB 132 and AASB 139 and Interpretation 2] (applicable for annual reporting periods commencing from 1 January 2009). These amendments introduce an exception to the definition of a financial liability, to classify as equity instruments certain puttable financial instruments and certain other financial instruments that impose an obligation to deliver a pro rata share of net assets only upon liquidation.
- AASB 2008–5: Amendments to Australian Accounting Standards arising from the Annual Improvements Project (July 2008) and AASB 2008–6: Further Amendments to Australian Accounting Standards arising from the Annual Improvements Project (July 2008) detail numerous non-urgent but necessary changes to accounting standards arising from the IASB's annual improvements project. No changes are expected to materially affect the association.
- AASB 2008–8: Amendments to Australian Accounting Standards Eligible Hedged Items [AASB 139] (applicable for annual reporting periods commencing from 1 July 2009). This amendment clarifies how the principles that determine whether a hedged risk or portion of cash flows is eligible for designation as a hedged item should be applied in particular situations and is not expected to materially affect the association.
- AASB 2008–13: Amendments to Australian Accounting Standards arising from AASB Interpretation 17 — Distributions of Non-cash Assets to Owners [AASB 5 and AASB 110] (applicable for annual reporting periods commencing from 1 July 2009). This amendment requires that non-current assets held for distribution to owners be measured at the lower of carrying value and fair value, less costs to distribute.

# ABN 90 084 088 926

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2009

- AASB Interpretation 15: Agreements for the Construction of Real Estate (applicable for annual reporting periods commencing from 1 January 2009). Under the Interpretation, agreements for the construction of real estate shall be accounted for in accordance with AASB 111 where the agreement meets the definition of 'construction contract' per AASB 111 and when the significant risks and rewards of ownership of the work in progress transfer to the buyer continuously as construction progresses. Where the recognition requirements in relation to construction are satisfied but the agreement does not meet the definition of 'construction contract', revenue is to be accounted for in accordance with AASB 118. This policy is not currently applicable to the association.
- AASB Interpretation 16: Hedges of a Net Investment in a Foreign Operation (applicable for annual reporting periods commencing from 1 October 2008). Interpretation 16 applies to entities that hedge foreign currency risk arising from net investments in foreign operations and that want to adopt hedge accounting. The Interpretation provides clarifying guidance on several issues in accounting for the hedge of a net investment in a foreign operation and is not expected to impact the association.
- AASB Interpretation 17: Distributions of Non-cash Assets to Owners (applicable for annual reporting periods commencing from 1 July 2009). This guidance applies prospectively only and clarifies that non-cash dividends payable should be measured at the fair value of the net assets to be distributed, where the difference between the fair value and carrying value of the assets is recognised in profit or loss.

The association does not anticipate early adoption of any of the above reporting requirements and does not expect them to have any material effect on the association's financial statements.

## NOTE 2: INFORMATION TO BE PROVIDED TO MEMBERS OR REGISTRAR

In accordance with the requirements of the RAO Schedule, the attention of Members is drawn to the provisions of Sub-Sections (1), (2) and (3) of Section 272, which read as follows:

- " (1) A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
  - (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
