Dear Mr Shorten,

**RE: THE AUSTRALIAN WORKERS' UNION
- Annual Return Of Information Contained In Records Kept By Organisation**

I have received your declarations dated 30 March 2004 providing information in accordance with subsection 233 of Schedule 1B of the *Workplace Relations Act 1996*. The documents were lodged in the Industrial Registry on 2 April 2004

The documents lodged cover the following information for the year 2003:

- Number of members as at 1/1/2004.
- Declaration in respect of the register of members of the organisation.
- List of offices of the organisation and of the persons holding those offices.
- The addresses of the offices of the organisation.
- a record of each election that must, under the rules of the organisation, be held during each year commencing 1st April 2004 to March 2005. A statement is required under s233(b) and regulation 147(e) of *Schedule 1B of the Workplace Relations Act 1996* if any elections are due however the period has been changed to reflect the calendar year January - December 2004. During my phone call today, I was advised by Michael Chen of your office that elections were scheduled for February 2005.

These documents meet the requirements of Schedule 1B of the *Workplace Relations Act 1996* and have now been filed.

It has been noted that you have listed the address for the Greater South Australia Branch as at 30 December 2003. The Registry had been advised by the branch of the address change to take effect January 2004.

The address of the Port Kembla, South Coast, and Southern Highlands Branch has been changed. I would draw your attention to s233(2) and reg 147 *Schedule 1B of the Workplace Relations Act 1996* which requires notification of any alterations, certified by declaration and signed by a prescribed officer, within the prescribed period of 35 days (reg 151) after the alteration has taken place.

It is clear that you have awareness and understanding of The Registration and Accountability of Organisations Schedule [the RAO Schedule], and its changes to the reporting

requirements. It may be of assistance if the citation of the sections and the regulations refer to Schedule 1B to the *Workplace Relations Act 1996* in the declarations used.

It has been noted that you have supplied the work addresses of the office holders. This information is able to be listed on our Organisations Website. www.airc.gov.au
/Organisations / Electronic Organisations Files / 002N

I am sending this letter via fax and email. Do you prefer electronic communication in either or both of these ways rather than via the postal service? Please do not hesitate to contact me on (02) 8374 6666 if you wish to discuss the reporting requirements.

Yours sincerely
