Dear Mr Melhem

**Notification of changes to Records -  
Australian Workers Union - Victorian Branch**

We received your letter dated 9 August 2006 notifying the Registry of a change of office bearers.

The letter has been filed and the changes have been made to our records, however I draw you attention to section 233(2) of Schedule 1B of the *Workplace Relations Act 1996* which states:

*“(2) An organisation must, within the prescribed period, lodge in the Industrial Registry notification of any change made to the records required to be kept under paragraphs 230(1)(b), (c) and (d), certified by declaration signed by the secretary or other prescribed officer of the organisation to be a correct statement of the changes made.”*

To properly comply with the legislation, the Association should lodge a notification which includes a declaration, “the notification is a correct statement of the changes made”.

All future notifications should also comply with this requirement

Yours sincerely
