Dear Mr. Osbourne,

**Re: Notification of changes made to records of organisation  
(AR2005/299)**

We have received your letter dated 1 September 2005 and enclosed documents providing notification of changes made to records in accordance with subsection s233(2) of Schedule 1B of the *Workplace Relations Act 1996*. The documents were received in the Industrial Registry on 6 September 2005.

The documents lodged cover changes made to the list of office holders in the South Australian branch of the organisation.

Documents on website

The Registry has created an electronic file for each registered organisation and branch which is accessible through the AIRC web site. Once the documents are filed they will be placed on the AIRC Website at [<http://www.e-airc.gov.au/267vsa>]. In light of the readier access which this will give to these documents, elected office bearers may wish to consider providing their work or other postal address (rather than their residential address) in the list of office bearers which is required to be lodged each year under RAO sections 233(1)(b) and (2).

The documents have now been filed.

Yours sincerely,
