* Please note that the RO Act requires that a notification of change must be lodged within 35 days of the change occurring. The notifications lodged on 28 July 2016 and 14 September 2016 by the Victorian Branch and National office respectively indicate that the changes occurred more than 35 days prior to lodgement. Please ensure that future notifications of change are lodged within 35 days of the change occurring.

** Sections 230 and 233 of the RO Act require that the Commission be notified of changes to the holders of offices in the organisation. In accordance with Rules 36 and 51 of the organisation, the Chief Executive Officer (National) and Branch Chief Executive Officer are not offices within the meaning of the RO Act. As such, the organisation is not required to notify the Fair Work Commission when such changes occur. Nonetheless, the notifications are appreciated as they enable the Commission to maintain accurate records of contacts within the organisation.

Section 154D(1) of the RO Act requires the rules of organisations (and branches of organisations) to require each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which should be in your organisation's rules.

Hi Sam,

I refer to your letter AR2016/83 - Annual Returns matter re: Civil Contractors Federation, dated 18 April 2016.

There is an error within this letter which I believe might be a copy paste issue. As per our letter CCF2016-210 dated 24 March 2016, we advised that the Mr Michael Fitzgerald, Mr Lee Fahey and Mr David O'Connor had filled casual vacancies on the NSW Branch Board. In your letter you have listed Mr Michael Fitzgerald twice and there is no mention of Mr Lee Fahey. Can you please amend?

Kind regards,

Christie Rakete
