Dear National President

Notification of changes made to records under s.233(1) RO Act - Annual obligation to lodge information (AR2018/74)

I acknowledge receipt of a Notification of Change to the office holders of the Civil Contractors Federation.

This information was lodged with the Registered Organisations Commission (the ROC) pursuant to the notification requirements in section 233(2) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The table below outlines the changes notified and when they were lodged. Our records have been updated accordingly. The document can be viewed on the Website through the [list of Registered Organisations](#).

Date of lodgement	Branch	Change	Within prescribed period (Yes/No). If No, how many days late
6 August 2018	Western Australia	Board Member - vacancy	No, 2 days late

Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe. Further information about training is provided in our [officer financial training fact sheet](#).

Thank you for your correspondence.

Yours faithfully,

Anne Batshoun

Dear Mr Unger,

Declaration and information lodged under subsection 233(1) [Annual Return] for 2018 [AR2018/74]

I acknowledge receipt by the Registered Organisations Commission (the ROC) on 29 January 2018 of your organisation's Annual Return which provides information under subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

Thank you for providing your Annual Return.

The documents lodged provide most of the required information for the 2018 Annual Return of the Civil Contractors Federation.

The Annual Return has been filed and no further action is required. Annual Returns are publicly available on the website through the [List of Registered Organisations](#).

The ROC aims to help organisations comply with all the requirements of subsection 233(1) of the RO Act. I make the following comments to assist with future lodgements:

- List occupations of office holders

The ROC will examine next year's Annual Return to confirm that the matters giving rise to these concerns are not repeated. In order to assist organisations to fully comply with the requirements of subsection 233(1) of the RO Act a template Annual Return is available on the [fact-sheets](#) page of our website. Civil Contractors Federation is encouraged to use this template.

While no further action is required in relation to this Annual Return, failure to lodge this information can attract further compliance action, including the prospect of Federal Court proceedings seeking penalties. Please ensure Civil Contractors Federation includes this information in next year's Annual Return.

Notifications of Change

Any changes to these records must be notified to the ROC within 35 days of the change. A template Notification of Change Declaration is available on the [fact-sheets](#) page of our website. Civil Contractors Federation is encouraged to use this template if any changes occur.

The ROC will accept notifications of change from the relevant branches or from the national office. If the national office of Civil Contractors Federation does NOT intend to file notifications of change, please ensure that all branches are aware of their continuing obligation to notify changes and the requisite time frames within which that must happen.

If a branch lodges a notification of change with the ROC, the branch should also provide the information to the national body in order to ensure that the organisation is able to comply with its obligations under section 233 of the RO Act.

If you have any queries regarding this correspondence I can be contacted on 1300 341 665 or by email at regorgs@roc.gov.au

Yours faithfully
