**Post Election Report For: Civil Contractors Federation – Northern Territory Branch
Election E No.2013/193**

I refer to the above election for your organisation.

Section 197(1) of the Fair Work (Registered Organisations) Act 2009 requires the AEC to provide a written report on the conduct of the election to the Industrial Registrar and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of the Fair Work (Registered Organisations) Act 2009 requires that if an organisation or branch is given a post election report under section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached Report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to 'industrial.elections@aec.gov.au' within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the post election report and the organisation's response to the report (if applicable) available to members.

Further, Regulation 141(4) of the Fair Work (Registered Organisations) Regulations 2009 requires an organisation or branch to publish a notice on its web site advising members that a copy of the post election report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

DECISION

Fair Work (Registered Organisations) Act 2009
s.189—Arrangement for conduct of an election

Civil Contractors Federation
(E2013/193)

CHRIS ENRIGHT

MELBOURNE, 18 JUNE 2013

Arrangement for conduct of election.

[1] On 27 May 2013 the Civil Contractors Federation - Northern Territory Branch lodged with the Fair Work Commission the prescribed information in relation to an election for the following offices:

- Branch President
- Branch Vice-President
- Branch Honorary Treasurer
- Branch Board Members (11)
- National Board Member
- Alternate National Board Member

[2] The prescribed information was not lodged before the day prescribed by Regulation 138(3) of the *Fair Work (Registered Organisations) Regulations 2009*. That day is the day occurring 2 months before the first day when a person may, under the rules of the organisation or branch, become a candidate in the election. The Branch President has stated that this was due to an administration error and has requested that I allow a later day for the lodgement of the prescribed information under subsection 189(2) of the *Fair Work (Registered Organisations) Act 2009* (the Act). Having considered the reason for late lodgement, I allow lodgement on 27 May 2013 in this instance.

[3] I am satisfied that an election for the abovenamed offices is required to be held under the rules of the organisation and, under subsection 189(3) of the *Fair Work (Registered Organisations) Act 2009*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.

**RE: LODGEMENT OF PRESCRIBED INFORMATION IN RELATION TO AN ELECTION

On 22 May 2013, Pursuant to Section 189 of the *Fair Work (Registered Organisations) Act 2009*, CCFNT lodged by post with Fair Work Australia, the "prescribed information" specified in Regulation 138 of the *Fair Work (Registered Organisation) 2009 Regulations* in relation to the Civil Contractors Federation Northern Territory Branch election to be conducted by the AEC.

Due to an administrative error, an advance emailed copy thought to be forwarded to Fair Work Australia on 20 May 2013 appears not to have been processed. Checks at both CCFNT and FWA confirm this.

The hard copy submission mailed to FWA has been received post due date under the Act and we hereby request an extension of time in which to lodge the prescribed information and apologise for any inconvenience.
